- Hawkesville Heritage District - At the town meeting held in Hawkesville to discuss heritage designation a number of outspoken people were not in favour, although there was some support. It was agreed to postpone any further action for the time being. Ron has spoken with Marg Rowell and she will come when needed. There may be some grant money available in the future to assist with renovations of designated properties.

- Ron Futher presentation - The presentation on firefighting in Wellesley took place on October 18<sup>th</sup> at the Wellesley Community Centre. Around 40 people attended, including visitors from Seaforth, Guelph, Erbsville, and Wilmot. A write-up appeared in *The Observer* on October 22. Ron acknowledged assistance from the fire department and staff members in mounting the presentation. There was some discussion about other possibilities for speakers: Frank Erb (has a collection of yardsticks from local businesses), Julie Schnurr, Bob Hammer.

- Township Council met on September 20<sup>th</sup>. Ron attended and explained the Society's financial situation and how the money in the accounts is to be used. He brought forward a request that Nancy Maitland's contract for 2012 be approved (carried). He also asked about copyright permission to reproduce the *Maple Leaf Journal* on CD. Susan Duke reported that she had spoken to a lawyer about how to proceed. It was suggested that the township control sales, with the money donated to Historical Society. Nancy would put together an estimate of costs and WTHHS would prepare the CDs on behalf of the township. Motion (Carol/Garry) that the Township maintain control over production and sales of the CD of the Maple Leaf Journal, with proceeds to be deposited into the Koehler account. Carried.

- both the library and the township have been approached regarding additional copies of the Steckley CD and more need to be made. Motion (Garry/Carol) that the Society purchase 75 additional copies from the Steckleys. Carried. Ross has ordered these. Money to purchase them

will come out of the township account which includes proceeds from previous sales.
