Has your family called Canada home for a long time? Maybe you have arrived more recently? We want you to tell a story about your family in words and photocopies of pictures/newspaper clippings/sketches about an interesting time or event from your family. The story could be developed using family items, photos and stories they brought with them, or maybe the area they settled in or the occupation/work that was done in Canada. Use your imagination on the story.

Do you need help starting with your research? Ask a family member to help get you started **or drop by the Wellesley Township Heritage and Historical Society on the upper level of the Wellesley Library** (at 1137 Henry St (corner of Nafziger and Henry) Wellesley. The historical room is open on the last Saturday of every month, or by appointment.
