Hockey.—New Year's Day was the scene of lots of hockey in our burg. The St. Clements and Wellesley clubs met on the Linwood ice, both teams being sure of winning. At 3.30 referee James Gibson rang the bell and both teams chased the puck. The Wellesley seven seemed too much for the Saints until when time was called the score was 4-2 in favor of Wellesley. Wellesley and the locals then lined up with Mr. Ed. Gingrich of St. Jacobs as referee. This proved to be the better game, with Linwood boys laying the puck continually round the Wellesley goal. The Wellesley defence put up some good work, and when time was called the result was 1-0 in favor of Linwood. About two hundred spectators gathered at the rink to witness the game and congratulated the hockey club on having such fine ice.

Family Re-union.—A pleasant event was celebrated at "Maple Hurst," the home of Mr. and Mrs. Alex. Rennie, on New Year's Day, it being the annual reunion, when the members of their family, with relatives to the number of thirty-five, gathered around the old fireside, and all enjoyed a royal good time. Among those present from a distance were Mr. and Mrs. Chas. McBride, Detroit; the Misses Aggie and Jessie Ballantyne, Flint, Mich.; Miss Lily Barnes, Toronto, Ont.; Miss Alma Franklin, Saginaw, Mich.; Mr. and Mrs. Andrew McIntyre, and the Misses McIntyre, of Waterloo.

At a Special Meeting of the Wellesley Tp. Council Held at Linwood on Monday Important Business was Discussed.

A special meeting of the Wellesley Tp. Council was held at Linwood on Monday, the 14th day of May, 1906, in Friedman's Hall, at 1.30 p.m.

All the members were present, A. B. Robertson presiding.

Messrs. Robertson and Huehn were appointed to at once investigate the road running north from Linwood to the Peel boundary, in compliance with the request of the delegation from Linwood and vicinity, who addressed the Council on the 9th inst.

Council adjourned until 3 p.m.

They reassembled at 3.15 p.m. All members present, the Reeve in the chair.

Messrs. Fish, McCormick, Mamer, Berlet, Hayes, and others, addressed the Council along the same lines as at Crosshill and solicited a sufficient grant to put the road in question in a fair and good condition for the public traffic. After thoroughly considering and discussing all sides of this request, upon motion of A. Heipel, seconded by H. N. Huehn, it was decided that a sum of money not exceeding \$600 be expended by a committee composed of the Reeve, A. P. Dammeier and A. Gibbons in the vicinity of Linwood, as in their judgment they see fit.

Upon motion of A. P. Dammeier, seconded by H. H. Huehn, a sum not exceeding \$200 will be expended by a committee composed of the Reeve, Messrs. Huehn and Dammeier on Martinson's flats, as they in their judgment see fit.

The Council will co-operate with the Peel Council in seeing that the Guelph and Goderich R. R. Co. do not have a dangerous crossing for the public at the Wallenstein hill.

A by-law to provide for drainage work in the Township of Wellesley in the County of Waterloo, and for borrowing on the credit of the municipality the sum of \$3,747.42, the portion to be contributed by said municipality for completing the same, was read a first and second time.

Quite a number of complaints were laid before the Council re the building of the water tank at Linwood by the Guelph and Goderich R. R. Co., the distance from the public highway to the tank being only a couple of rods, and being considered very dangerous to the public traffic. The Clerk was instructed to notify the Railroad Commissioners and ask them to kindly investigate this matter thoroughly and see that the said railroad company build their tank at least 200 feet from the public highway.

Mr. Gibbons was instructed to at once notify the foreman of the tank builders of the steps taken by the Council.

The Council adjourned to meet again the first Monday in June, at the Tp. Hall, Crosshill, at 10 a. m., Court of Revision to be held same day at 1.30 p.m.

RAILROAD TALK IN WELLESLEY

County Councillor DeBus Notes Great Progress in Northern Township.

County Councillor DeBus was a visitor to Wellesley T'p this week, and gives an account of his trip, which will be of interest to Berlinites, as well as Wellesleyites.

Wellesley Township has for years been looked upon by the people of Waterloo County as the one township that stood alone, in a great many ways. Whenever Wellesley Township was spoken of in County Council, there was always something said about the poor land, its bad roads, no railroad, poverty-stricken farmers, and from fifteen to twenty-five miles to market.

Something Doing.

A few days ago I had the pleasure of taking my first trip through the township of Wellesley. From Heidelberg to St. Clements the roads were in splendid condition, the farms were looking fine, with grain of all kinds, and probably as fine, a farming country as can be found anywhere in Ontario. After leaving St. Clements behind some miles, I met the township pathmaster at work with a road grader, improving the road. A short chat with that important official and I began to learn something about Wellesley Township.

Good Roads.

The pathmaster informed me that all the leading highways into Linwood were going to be improved. Said he: "You know Wellesley Township is going to have a railroad and Linwood is going to be our shipping place—and we want good roads to Linwood."

On resuming the drive I observed that a great many additions were being built to barns, old barns were being reshingled, and everywhere one looked it seemed as if things were being straightened up.

The Only Sheep.

Wellesley Township is about the one township in the county where nearly every other farmer raises sheep. Along the roadway there are sheep grazing or trying to get in the shade of a sheltering rail fence. Herds of thirty and forty were counted at one farm, and I wondered how it was that lambs and mint sausage were so scarce in the County Town. Cattle and horses are to be seen on every farm.

Linwood was reached in time for dinner, and spring lamb was in evidence—but not for long. Having some spare time, I called upon my old friend, ex-County Councillor R. Y. Fish, whom I found in the best of health and full of

Railroad Talk.

"For forty years and more our people have been looking for some way of getting to a market without travelling over 20 miles of probably the worst roads (in the spring and fall of the year) to be found anywhere. Wellesley Township," said Mr. Fish, "is coming to the front fast. When our railway is completed, and with our highways improved, we will be as good (if not the best) township in the county."

Want Berlin.

"What we do want, though, is an electric line to the County Town. You know that we still look to Berlin as our County Town, and the place where we can dispose of our produce at good prices." Mr. Fish informed me that there were no vacant houses in Linwood, and that a lot of new houses were being built, and that land had increased in value since the coming of a railroad into the township.

Listowel Branch.

On coming back to the hotel I had the pleasure of meeting Mr. Graham, C.E., who has charge of the engineering party which is giving the final survey to Listowel. Mr. Graham informed me that the road would be running to Listowel by December 1st this year. The two spans on the Wallenstein bridge have been placed, and the bridge will be finished this week. He also informed me that the road to Listowel was as level as a prairie, and that tenders for the grading would be let shortly.

Berlin; Get Busy.

That it is up to Berlin to get an electric road to Linwood, up through Erbsville, touching Heidelberg, St. Clements and Hawtinsville, we all know, but are we going to be satisfied with that?

Must Act at Once.

That Berlin is expecting the Preston & Berlin Electric road to go north is sure, but the objective point is not certain. Berlin wants Linwood without fail, as that will give us all Wellesley Township, the products of 66,000 acres of as fine land as can be found anywhere.

DEATH OF JOHN SEIP

Died Suddenly at His Home
Near Linwood on Saturday
July 14th.

The death occurred on Saturday, July 14th, of Mr. John Seip, a highly respected former living near Linwood. Death came very suddenly, as deceased had been working all day in the hay field. Shortly after supper he was found sitting on the step of the summer kitchen, whither he had gone to kindle a fire to heat some water, and was quite dead. Deceased had a house under construction in the village of Linwood, where he intended to live a retired life.

He was a consistent and one of the most prominent members and main supporters of the Missouri Lutheran church at Linwood.

The funeral took place on Tuesday, July 17th and was largely attended. Rev. R. Eifert, of Floradale conducted the funeral service, assisted by Rev. P. Graupner, of Elmira, who gave a short address in English.

Hockey:—Hockey is the order of the day. The locals went up against the Wellesley seven on Thursday at his rink here, and met defeat to the tune of 5 to 2. Owing to some of the Linwood boys, being unable to play the line-up against the Wellesley bunch was very weak. Wellesley boys play a clean game and are especially good skaters.

The Milbank seven arrived in town Friday to play the return game with the locals. The ice was keen and about forty spectators witnessed the game which proved to be a good one with Mr. Robert Grievies as referee. "Bob" understands the game and showed justice to both teams. The game lasted for forty minutes, the result being 7 to 2 in favor of Linwood. The Linwood boys would be pleased to arrange a game with Milverton soon.

Miss A. McGillivray of Milbank, spent Saturday with Miss Nellie Little.

Successful Carnival.—The carnival held at the rink here January 29th was a decided success. The night was fine and the ice was in first class shape. A large number in costume were present from Milverton, Millbank, Wellesley, St. Clements, Hawkesville, Elmira and Glenallan. Messrs. V. R. Berlet, Schummer and Culbert acted as judges. The judging proved to be a difficult task, as there were so many swell costumes. The hockey match which was to be played on Carnival day between Wellesley and Linwood, did not come off owing to the Wellesley boys failing to put in an appearance.

The Linwood hockey club go to Milverton on Friday, February 8th.

Tuesday, September 17th, a number of the youth and beauty of Millbank drove over to our berg, to engage in a friendly game of tennis. The Millbank ladies did not come prepared to play, which was rather a disappointment to the ladies of our town, who are much interested in the game. However, the Millbank boys played most enthusiastically and led our lads a lively chase. The scores were as follows.—

Millbank.

Linwood

Mr. R. G. Grieve Mr. E. Berlet
Mr. W. R. Alger Mr. A. S. Rennie
4—6 Linwood.

Mr. W. Babb Mr. Hamilton
Mr. Washburn 6Mr. A. S. Rennie
5—7 Linwood.

Miss O. Babb Miss E. Fish
Mr. Washburn Mr. E. Berlet
6—7 Linwood.

Singles.

Mr. Washburn Mr. A. S. Rennie
5—7 Linwood.

Millbank 20; Linwood 27.

The first set was especially interesting. Each won on their own serve until the last score. The second set was most exciting. The score stood at 5—5 and the spectators were puzzled as to who would win out for the sides were evenly matched. In the third set, singles, Mr. Washburn easily scored three to Mr. Rennie's one. Mr. Washburn has a dandy serve and it took our player some time to meet it successfully. The mixed set was only played for fun and as the Millbank folks were leaving for home was not finished, and it is dubious as to who were winning. The return game will be played Tuesday, October 1st.
