## NEW CHURCH ERECTED AT LINWOOD

Roman Catholics Now Have  
Modern and Handsome  
New Edifice.

### THANKSGIVING FESTIVAL AND GRAND BAZAAR

About five years ago the Catholics in the village of Linwood built a basement which was roofed in and used as a worshipping place. Last spring they decided to erect the superstructure and let the contract for the erection of it to Ball Bros., of Kitchener, under the supervision of architect W. H. E. Schmalz of the same place. The structure, which is of semi-Gothic style, is of Milton pressed fire-flash brick, medium buff. The edifice is 40 ft. wide and 65 ft. long with a 50 foot bell tower in front, the base of which will serve as an entrance to the auditorium. In addition to the church there will be a spacious sanctuary and vestry over which will be the stock room. The roof, which is of red cedar British Columbia shingles, is completed and the interior will be roughly finished.

A thanksgiving festival and grand bazaar will be held on Nov. 7th and

8th. Rev. V. J. Morgan, the pastor, is to be congratulated on the progress that the parish has attained under his spiritual guidance.

# YOUNG GIRL LOSES LIFE IN FIRE NEAR LINWOOD

**Mr. and Mrs. John Stemmler's Ten-Year-Old Daughter Dies of Burns and Their Baby Is in a Critical Condition. House and Contents Burned to Ground When Coal Oil Can Explodes. Other Dorking News Notes.**

About 11 o'clock in the forenoon last Saturday fire broke out in the home of Mr. and Mrs. John Stemmler, just west of here, with fatal results. Marie, their ten-year-old daughter, attempted to revive the fire in the kitchen range with coal oil when the can exploded, throwing flames over herself and in the kitchen. The girl ran outside where her mother rushed to her aid and tried to put out the flames. The mother's hands were badly burned. The unfortunate girl's clothing was burned off her body and she suffered intense pain. The mother then carried her to the barn while a neighbor telephoned at once for Dr. Hain of Linwood, who was out. They immediately got in touch with Dr. Tye of Milverton who came and did everything possible to alleviate her terrible suffering. She was then removed to the home of her grandfather, Mr. Jos. Stemmler, who lives on the next farm. Notwithstanding all that could be done for her she passed away at 12.30 the following night. The funeral was held last Tuesday to St. Mary's R. C. Church. Rev. Father Weber conducted mass.

The mother, after caring for Marie, rushed to the house and saved the other five children, four daughters and one son. The father was cutting wood at his brother's farm at the time of the fire.

The second daughter, Magdalena, who had her shoulder broken the previous day at school, was in bed

in the burning house. Despite her injury she got up and helped to get Rosa, the baby girl, but not before she was badly burned about the face and arms. The little tot is in a critical condition at the present time.

## House Totally Destroyed

Mr. Stemmler, who was away at the time of the fire, having gone an hour before to help his brother cut some logs. The house, which was a modern one, was totally destroyed and all the contents, including some valuable papers and cash, about 25 bags of potatoes, all clothing and a considerable quantity of meat. The loss is placed at \$4,000.

## Neighbors Lend Assistance

Neighbors are assisting Mr. and Mrs. Stemmler all they can in their great loss. The house and contents are partly covered by insurance. The Elma Fire Insurance Co. at Attwood carried the risk.

The sympathy of the entire community goes out to Mr. and Mrs. Stemmler in the irreparable loss sustained in the passing of their beloved daughter.

# SPECTACULAR FIRE NEAR LINWOOD

**Large Barn Owned by Fred  
Ayerst Burned to Ground.  
61 Head Livestock  
Saved.**

## **LANTERN EXPLOSION LOSS ABOUT \$8750**

Another disastrous fire occurred last Friday night about 8.30 o'clock when the large bank barn and straw shed, one of the largest in the county, belonging to Fred Ayerst, situated near Linwood, or what is better known as the George Snyder homestead, was totally destroyed. The blaze, a spectacular one, could be seen for miles, and brought hundreds of people to the scene. The blaze was caused when a lantern exploded. The livestock was saved by the quick action of Mr. Ayerst and other helpers. The loss on barn and contents is estimated at \$8750 which is covered by \$8700 insurance.

### **61 Head of Cattle and Horses Saved.**

Mr. Ayerst was almost finished with the chores at the barn when the lantern, which he had with him, suddenly exploded. In a few moments the whole structure was in flames. Mr. Ayerst realized that nothing could be done to control the fire and at once began to save the livestock. There were 53 head of cattle and eight horses in the stables and by quick work on the part of Mr. Ayerst and neighbors the livestock was saved. After the horses and cattle were all safely out of the barn attention was given to prevent the spread of the fire to the adjacent buildings. Some of the implements were saved but a quantity of hay, grain, clover seed, 2 wagons and other implements were burned.

### **Big Tractor Saved.**

One thing clearly demonstrated during the fire was the unusual strength of a Clydesdale horse which was hitched to a large International tractor in the driving shed. The terrified animal succeeded in pulling the machine through deep mud and out of range of the fire.

### **Loss Estimated at \$8750.**

The total loss is estimated at \$8750, partly covered by insurance with the North Waterloo Farmers' Mutual Fire Insurance Company. The barn, a total loss, was covered by \$5,000 insurance and the implements, grain and hay \$1750. About 65 tons hay, 100 bushels alsike and timothy seed and other grain and many of the implements were burned. Mr. J. H. Woods, manager of the N. W. Farmer's Mutual Fire Insurance Co., visited the scene of the fire on Monday and adjusted the loss.

### **Will Rebuild.**

Mr. Ayerst intends to rebuild a modern new barn, work on which will be started as soon as possible. It will cost about \$7000 to replace the old structure.

Mr. and Mrs. Ayerst are grateful to the neighbors who gave valuable assistance during the fire.

# **FIRE DOES \$5,500 DAMAGE AT LINWOOD**

**Garage and Two-Storey House  
Belonging to Alvin Foster  
Burned.**

*original source*  
In a disastrous blaze at three o'clock Thursday morning last the garage and two-storey residence of Alvin Foster of Linwood were destroyed by fire with a loss of \$5,500. About \$4,000 insurance was carried.

Mr. Foster had returned from Kitchener about two hours previously when everything was in order, the cause of the fire being unknown. A bucket brigade was formed while assistance of citizens and equipment from Elmira, Conestogo, Milverton and Kitchener helped to confine the blaze to the Foster property. Mr. Hain's residence adjoining the property was slightly scorched. The loss sustained also included two chemical outfits purchased by Linwood at a cost of \$450 and an automobile belonging to Arthur Ament.

## **LINWOOD HOTELMAN WINS HIS APPEAL**

**Theodore Zimmerman Will Not  
Serve Jail Sentence.—Other  
Cases.**

In County Court on Friday, Judge Hearn allowed the appeal of Theodore Zimmerman of the Linwood hotel, against his conviction in police court on a charge of selling liquor on the ground that the crown failed to prove that the liquor taken from the hotel by the provincial police was the same liquor which the office of the provincial police sent to the government analyst at Toronto. Judge Hearn granted the argument of counsel that there was a missing link. Zimmerman had been sentenced to two months in the county jail.

Judge Hearn, however, dismissed the appeal of H. A. Selling of the St. Jacobs hotel against the police court conviction on a charge of keeping liquor for sale, and Selling will have to spend six months in the Ontario Reformatory, the conviction being for his second offence.

able Performance.—Entertainment  
An Unqualified Success.**

The play, "A White Lie", which was presented by the young people of St. Mary's Church on Thursday and Friday evening, Nov. 22 and 23, was an unqualified success in every respect. The hall was crowded both evenings. This was the second appearance in Linwood of this group of players and their performance in this play was equally as good as in their previous play last summer, "Cyclone Sally".

The characters were:—Miss Madeline Burns took the part of Pauline Beel—a true-hearted woman; Arthur Hayes took the part of Arthur Peyton—a man of the world; F. Schummer, Jr., took the part of Timothy Moore—a lawyer with heart strings; Ralph Brenner, as Edward Bell—Pauline's husband; Mary Schummer as May Blossom—Pauline's bosom friend; Kathline Hayes as Araminta Smilax—with claims on Moore; Louise Schummer, as Taffy—a colored Cherub, without wings.

The acts were as follows:—Act I.—A drawing rooms in Bell's mansion; Act II.—The same; Act III.—Scene 1, The charity ballroom; Scene 2, A street; Scene 3, Same as Act II.; Act IV.—Scene 1, Moore's grove—time, dawn; Scene 2, Moore's law office; Scene 3, Bell's sitting room.

During the intermission on Thursday evening, Meyer's orchestra of Sebringville rendered several numbers and on Friday evenings Snyder's orchestra of St. Agatha provided the music.
