One evening last week some of the Wellesley boys gave Bamberg a call and rendered some nice songs. That's right, boys; come again.

### ST. CLEMENTS.

Sept. 28th, 1901. The death of Albert Starr, son of 400,000 residence, aged 39 years, marks the night. close of a young life, and the news of his demise was received with of indignation against the assassin-sincere and profound sorrow. For ation, and sympathy for the benearly two years he suffered with that dread disease, consumption. The funeral took place on Wednes day morning at 9 o'clock. Services were conducted in the R. C. church after which the remains were taken to the cemetery and consigned to their last resting place. He was born here in St. Clements, and was also well known in Waterloo, where he was for 12 years wine clerk at the Zimmerman house. An aged mother, three brothers and two sisters are left to mourn and his loss. They have the deep sym-pathy of many friends in their bereavement.

Mr. John S. Meyer reports that Mr. George Dorsch threshed at his place 31 bushels of clover seed out of four loads on Tuesday after-

We are pleased to say that our boys have again joined hands with the Heidelberg band, and we are sure that if they keep down to practice and stick together they will form a first-class village band. They will play at the Linwood colebration on Wednesday. Quite a number of our young people intend to visit Linwood on that day.

Mr. Peter Kuhry, sr., and sister, of Formosa, spent Friday in town Mr. Clare, Preston, was a business visitor last week.

Miss Elma Huenergard, St. cobs, spent Sunday with Miss

Fasson. Geo. Gies, Berlin, spent Sunday in town

### EDITORIAL NOTES.

President McKinley died early on President Mckiniey diedearly of Saturday morning last from the re-sult of the assassin's bullets. A world's sympathy is extended to, the United States in their great sorrow over the untimely death of a man who was smart enough to win his way to the top of American fame; brainy enough to be the guiding mover in many of Ameri-ca's most important laws; good enough to hold the love of the entire Union, regardless of politics, and the respect of other Nations upon whom some of his laws seem-ed to bear with a heavy, oppressive

A black heart in a fool with a revolver may be able to cause sad-ness for a time in a Nation whose idea of freedom permits blatant orators of both sexes to go about market. ism, but it takes much more than the death of a ruler to destroy a great civilized power. The result of this dastardly assassination will only be to strengthen the bonds of civilization, while placing foul Anarchy in a lower, if possible, position in the minds of honest

The brute who murdered Mc-Kinley is getting far more "fame' than he deserves. Newspapers are hunting up and giving to the world the minutest history of his life, while one Chicago journal has spent a large sum to find out the correct pronunciation of his name. This is all wrong. These scoundrels are is all wrong. These scounters are only encouraged by this system of notoriety, and seem willing to go down in history as villains if they can get but a place in the fu-ture records. McKinley's murderer should get a private trial and a public mind. swift punishment, and be known in name only as a damned assassin who was not damned soon enough.

America's definition of liberty is America's demnition of Hoerty is "the right to do anything that does not interfere with the right of an-other citizen." It is time Uncle Sam awakened to the fact that these half crazed Socialists and Anarch ists who go about the States mak-ing money by preaching their foul ing money by preaching their four doctrines are infringing on the rights of others who are better citizens. Emma Goldman, whose frenzied falsities infuriated Czol-gosz, was allowed a freedom for months, by the laxity of American laws, till at last her "rights" to in-flame fools infringed on President McKinley's right to live! The law-given right that a weak brained fellow had to listen to Emma Goldman's foul doctrine's took away the rights of a President's invalid wife to enjoy the sacred comfort of a loving husband's endearments! The laws that Uncle Sam has passed governing prize fights cannot too quickly, or two stringently, be applied to the lectures of socialists, anarchists, and their like.

The United States has lost three The United States has lost three Presidents by assassination within the last thirty-six years: Lincoln, Garfield ane McKinley. This is an appailing record for a civilized STRATFORD, Ont Five doors east of the Post Office.

Berlin is making strenuous ef-forts to establish a beet sugar manufacturing plant, and it appears to be ready to give a bonus and to in-vest capital to secure the enterprize. It is also reported that American capitalists are about to locate an immense factory of this kind in the village of Baden. The soil of Wellesley section is said to soil of wellesty section be especially adapted for raising sugar beets, which are not only easy on the land, but very profitable, experts saying that at least \$80 per acre can be netted, where \$80 per acre can be netted, where the beets do not have to be hauled more than four or five miles to market.

Canadians are in the habit of saying, and perhaps with some justification, that our educational system is among the best in the world. But it is quite evident, from the continuous agitation which precontinuous agitation which prevails, that our system can be still further improved. The system of compelling a scholar to have an average education on all subjects before they can be advanced does not seem to meet the approval of many educationalists, while the feeling is growing that the public school, where 95 per cent. of the children finish their education, does not receive its fair share attention at the hands of the Educational Department, the high and collegiate schools seeming to get collegiate schools seeming to get the preference. The agitation, which was begun years ago, has been steadily growing until it is asuming a prominent place in the
