LINWOOD'S BIG DAY.  
CIVIC HOLIDAY CELEBRATION A GREAT SUCCESS.—CALITHUMPION PARADE.—LADIES PLAY BASE BALL.—GOOD BALL GAMES, BICYCLE RACES AND SPORTS.

The weather on Wednesday of last week was a little cold and windy, and in the afternoon a short rain interfered for a few minutes with the sport, but on the whole the Linwood civic holiday celebration was a decided success. The attendance was large and the fun was kept interesting and exciting from morning until night. The village was prettily decorated and the committee had neglected nothing in preparing for the occasion.

LADIES' BASE BALL.  
Promptly at 9 o'clock, a.m., the ladies' base ball match commenced. The sides were represented as follows:  
Married Ladies.—Mesdames Berlet, Kerr, Heimlich, Glebe, Manser, Carnochan, Parr, Goetz and McEachern.  
Unmarried.—Misses Spahr, K. Heimler, C. Heimler, Little, Goetz, Harding, M. Parsell, E. McKay and Williamson.

The game provoked much merriment and excitement. The "fanning" and "sliding" exhibitions were models of gracefulness, while the advice given from the coaching lines was taken in that obedient way in which ladies always accept suggestions. The spectators kept respectfully back to allow the pitchers plenty of room to get the ball in the vicinity of the plate and although there occasionally appeared to be a pretty big curve on the ball it was generally landed somewhere between the first and third bases. The players disclaimed base stealing so most of the runs were earned, but everything in the shape of a "foul" was dexterously plucked. The married ladies, not wishing to get a reputation as "gadabouts," permitted their more youthful opponents to do most of the meandering around the diamond, with the result of a score of 28 to 9 in favor of those who do not (yet) wear wedding rings.

Then followed the very comical calithumpion procession. Everything which could provoke fun was there, but the prizes were captured by Messrs. Karoly and Baker and Fish and Berlet, the former travelling by unicycle propelled by a donkey engine, while the latter represented an Indian and squaw in full war paint.

The band having arrived, a parade through the village then took place. The procession was made up as follows: E. Baker and G. Heimler, dressed in white and riding on beautiful bays; Mr. Hamilton, president of the committee; Heidelberg Brass Band; calithumpians; citizens; boys.

Then followed the bicycle races. In this there were only four entries, but all were good men and the race was keenly contested. E. Berlet secured first place, with C. Parsill second.

During the dinner the hotels were severely taxed but were equal to the emergency and the tables were kept loaded with good things notwithstanding the good appetites of all.

At one o'clock the band headed the parade to the ground where the married men were prepared to avenge the defeat of their "better halves" on the base ball field, and then crow over them when they got home. But this glorious prospect proved a delusion! They were beaten by a score of 108 to 15—at least that evidently would have been the result had they played the full nine innings, that being the ratio when the game was called at

the end of the third inning. The following were the players:

Married.—Messrs. (Dr.) McEachern, Flachs, Berlet, Armstrong, Moir, Holling, Bricker, Keller and J. Amant.

Single.—Messrs. Henry, Ziegler, Berlet, L. Heimler, Baker, Hamilton, G. Heimler, Fish, Lytle.

The athletic contests resulted as follows:  
Standing jump—1st Bricker; 2nd McCormick.  
High jump—1st Bricker; 2nd McCormick.

Running jump—1st Bricker; 2nd Zilliox.  
Hop, step and jump—1st Bricker; 2nd Moore.

100 yard race—1st Bricker; 2nd Zilliox.

FOOT BALL.

Considerable disappointment and confusion was caused by the failure of Elmira, Listowel and Atwood foot-ball teams to be present and play for the \$25 prize. Only Elmira gave the committee any satisfaction by telegraphing their reason for not being able to come. Crosshill was the only team present, and in order to give them a game a team was picked up from among the spectators. A fairly good game resulted, Crosshill winning neatly by a score of 3 to 0.

Altogether a very successful day's sports was carried out, showing what can be done by united effort in our pushing little village.

NOTES.

A pleasant dance was held at Spahr's hall in the evening.

Over \$30 was taken at the gate.

Thanks, Mr. Maple Leaf, for those pretty badges you donated.

Henry's drop curves did up the benedicts.

A genial sport from Crosshill was badly deceived in the bicycle race.

Mr. Berlet, assisted by Mr. Schaffner, catered to the wants of all at the booth on the ground.

It was amusing to see the kids catch their dads napping between the bases.

Alvin Bricker, of Listowel, captured five first prizes.

Some low-spirited wretch attempted to burn down the pretty arch at the main corner the evening before, but the memory of his former evil deeds prevented him, so the arch was spared.

HAWKESVILLE.

Sept. 21st, 1901.

Mr. Love, who has been visiting friends in Winterborne, is back to town again.

The young people of this place spent a very enjoyable time at Mr. Jacob Hahn's last Friday evening.

Mr. Robt. McCollum's new brick house is nearing completion and adds wonderfully to the appearance of the front street.

Mr. McKinzie, principal of the public school, was a visitor to Berlin on Saturday.

Mr. F. S. Spies has secured another clerk for the White Store, in the person of Willie McFadyen, of Fergus.

Mr. and Mrs. Henry Frey and family were visiting in Carthage on Sunday.

Quite a number of this place attended anniversary services at the Presbyterian church in Linwood on Sunday.

STADTWEIN.

Sept. 22nd, 1901.

Farmers are very busy threshing these days. The steamer whistles are heard in all directions.

Peter Lichty lost a good horse the other day. The animal was trying to jump a wire fence when it became entangled and fell, break-

ing its neck.

Messrs. Henry and Noah Schott and Peter Dietrich visited friends in Erlsville the other day.

Mr. John Jantzi has a superb mangle patch this fall. His large bins will be full.

Mr. Christ. Gerber is putting up a new windmill power this week.

Mr. Nich. Steckley has traded for a new 14 h. p. threshing engine, which will give him sufficient power for all purposes.

Mr. Moses Gascho visited in New Prussia last Sunday.

DOERING'S CORNERS.

(Too late for last week.)

Mr. Peter Heise purchased his father's farm last week and this week he got himself a helpmate in the person of Miss Maggie Hammer, of Berlet's Corners.

Mr. Henry Lanz, of Philipsburg, has bought 100 acres of land from Jacob Becker for \$5,800.

Mr. Jacob Roth will move to Heiseville this fall, where he has rented a 200-acre farm. Mr. Roth is quite popular among his neighbors here.

Mr. J. W. Otto has bought Mr. John Handstein's farm in Unionville for \$1,675. Mr. Otto will likely receive a nomination for mayor of that place at the next municipal elections.

Some farmers are still busy with their seeding, the wet weather having kept them back. Early sowed wheat is looking fine.

Mr. Andrew Axt and his mother visited at Mr. John Wagner's, Berlet's Corners, on Sunday.

Mr. Daniel Lemp and his sister, Miss Lizzie, wheeled to Auburn and Blythe this week, where they will visit their brother, George, and other friends, returning the latter part of the week.

Mr. Henry Levergood is putting up a large new hog stable, 115x18 feet. Mr. Henry Handstein has the contract.

AMULREE.

Sept. 23rd, 1901.

Fall wheat sowing is about finished. The acreage is fully up to the average.

Yesterday was sacrament day at Hampstead Presbyterian church.

Rev. and Mrs. Cameron were guests of Mr. J. S. Patterson's, north of here, one day last week. They have just returned from a pleasant trip up the lakes.

Messrs. John Cook, C. Berg, Hy. Cook and several others have been "doing" the Pan-American within the past few days. The two first named were making their second visit, the cattle show not being on when they first went.

Railway interests are being roused in the north part of the township over the prospects of getting a line through to a point somewhere near there. From the talk your correspondent hears the northeast portion of the township would like much to obtain a railway market at Wellesley, and a reasonable scheme with that end in view would be welcomed by the farmers.

The boys who so persistently disturb Mr. and Mrs. Peters on the 8th concession ought to get ashamed of themselves and quit it. They are a well-behaved, harmless menonite couple who object to going to law or the annoyances they have been subjected to would long ago have been stopped and the offenders punished. If it continues much longer some of the neighbors, who are not opposed to a little law in a good cause, may take the matter up.

their way westward across the con-  
tinent and the preparations which  
are planned to do them honor  
on the way have been made on a  
grand scale.

In these days of assassins, it is  
surprising that such a tough and  
bummy looking set of fellows is  
permitted to take part in the royal  
receptions along the line of the  
Duke's triumphal trip across the  
continent. If nobility and high of-  
ficials are as scrubby looking as  
they are represented to be by the  
illustrated cuts printed in the daily  
papers these days, there is certain-  
ly room for improvements in their  
facial appearance. But the daily  
papers have so long been deceiving  
and misleading the people in polit-  
ical matters that the public don't  
believe that royalty "looks like"  
those horrible cut pictures.

Berlin is just a little bit stunned  
by its own action in defeating the  
Berlin, Preston & Hespeler Ry. bo-  
nus by-law the other day. It seems  
to be the settled opinion of the  
ratepayers of the county town that  
they will secure the great advan-  
tages of that road without giving  
it any financial aid. But the citi-  
zens whose energy and push have  
made Berlin what it is in the busi-  
ness world express genuine regret  
that the county town is so short-  
sighted in this matter. The electors'  
vote on this question is un-  
doubtedly a heavy set back to the  
promoters of the beet sugar indus-  
try who were already working ag-  
ainst great odds, while the manu-  
facturers are languishing under the  
hardships of the railway monopoly  
which exists there. We are in-  
formed that the more pushing peo-  
ple there are puzzling their brains  
to find some solution of the ques-  
tion how to help the railway pro-  
moters out of the financial trouble  
so that the road may be completed,  
but the remedy is not yet in sight.

Wellesley section has, so far, re-  
mained quiet, trusting to the Twin

ing this particular electric road

which this section has long been

well high spent and it is not at all  
unlikely that active operations will  
be commenced here independent of  
Berlin and her great interests.  
There is at present strong talk of  
hanging up a good bonus for the  
first railway to touch Wellesley.  
Now it so happens that the Platts-  
ville and New Dundee sections of  
the country are also in need of rail-

for proper service. A road about  
30 miles in length would intersect a

splendid belt of country from Galt  
to Wellesley, and give the Platts-  
ville-Dundee section just the outlet  
they need. Parts of Wellesley, N.  
Easthope, Waterloo, North Dum-  
fries, Blanshard, and all of Wilnot  
townships would substantially aid  
such a line, while Galt would be  
eager to give assistance in securing  
this desirable connection. The op-  
ening of this road would be of im-  
mense service to the proposed beet  
sugar factory at Baden or Galt, and  
would give untold encouragement  
to the farmers in raising these  
beets, for which the soil is admir-  
ably adapted.

So far as Wellesley section is con-  
cerned, it matters but little from  
which point the railroad reaches  
here. Although there is a natural  
preference for Berlin, yet an outlet  
southward would be just as profit-  
able and cheap, and the road would  
have paying business the year  
round. It is more than likely that  
the voice of the people of this sec-  
tion will shortly be heard on rail-  
way matters.

**LINWOOD'S BIG DAY.**  
CIVIC HOLIDAY CELEBRATION A GREAT SUCCESS.—CALITHUMPION PARADE.—LADIES PLAY BASE BALL.—GOOD BALL GAMES, BICYCLE RACES AND SPORTS.  
The weather on Wednesday of last week was a little cold and windy, and in the afternoon a short rain interfered for a few minutes with the sport, but on the whole the Linwood civic holiday celebration was a decided success. The attendance was large and the fun was kept interesting and exciting from morning until night. The village was prettily decorated and the committee had neglected nothing in preparing for the occasion.

**LADIES' BASE BALL.**  
Promptly at 9 o'clock, a.m., the ladies' base ball match commenced. The sides were represented as follows:  
Married Ladies.—Mesdames Berlet, Kerr, Heimlich, Glebe, Manser, Carnochan, Parr, Goetz and McEachern.  
Unmarried.—Misses Spahr, K. Heimler, C. Heimler, Little, Goetz, Harding, M. Parsell, E. McKay and Williamson.

The game provoked much merriment and excitement. The "fanning" and "sliding" exhibitions were models of gracefulness, while the advice given from the coaching lines was taken in that obedient way in which ladies always accept suggestions. The spectators kept respectfully back to allow the pitchers plenty of room to get the ball in the vicinity of the plate and although there occasionally appeared to be a pretty big curve on the ball it was generally landed somewhere between the first and third bases. The players disclaimed base stealing so most of the runs were earned, but everything in the shape of a "foul" was dexterously plucked. The married ladies, not wishing to get a reputation as "gadabouts," permitted their more youthful opponents to do most of the meandering around the diamond, with the result of a score of 28 to 9 in favor of those who do not (yet) wear wedding rings.

Then followed the very comical calithumpion procession. Every thing which could provoke fun was there, but the prizes were captured by Messrs. Karoly and Baker and Fish and Berlet, the former travelling by unicycle propelled by a donkey engine, while the latter represented an Indian and squaw in full war paint.  
The band having arrived, a parade through the village then took place. The procession was made up as follows: E. Baker and G. Heimler, dressed in white and riding on beautiful bays; Mr. Hamilton, president of the committee; Heidelberg Brass Band; calithumpians; citizens; boys.  
Then followed the bicycle races. In this there were only four entries, but all were good men and the race was keenly contested. E. Berlet secured first place, with C. Parsell second.  
During the dinner the hotels were severely taxed but were equal to the emergency and the tables were kept loaded with good things notwithstanding the good appetites of all.  
At one o'clock the band headed the parade to the ground where the married men were prepared to avenge the defeat of their "better halves" on the base ball field, and then crow over them when they got home. But this glorious prospect proved a delusion! They were beaten by a score of 108 to 15—at least that evidently would have been the result had they played the full nine innings, that being the ratio when the game was called at

the end of the third inning. The following were the players:

Married.—Messrs. (Dr.) McEachern, Flachs, Berlet, Armstrong, Moir, Holling, Bricker, Keller and J. Amant.

Single.—Messrs. Henry, Ziegler, Berlet, L. Heimler, Baker, Hamilton, G. Heimler, Fish, Lytle.

The athletic contests resulted as follows:  
Standing jump—1st Bricker; 2nd McCormick.  
High jump—1st Bricker; 2nd McCormick.

Running jump—1st Bricker; 2nd Zilliox.  
Hop, step and jump—1st Bricker; 2nd Moore.

100 yard race—1st Bricker; 2nd Zilliox.

**FOOT BALL.**

Considerable disappointment and confusion was caused by the failure of Elmira, Listowel and Atwood foot-ball teams to be present and play for the \$25 prize. Only Elmira gave the committee any satisfaction by telegraphing their reason for not being able to come. Crosshill was the only team present, and in order to give them a game a team was picked up from among the spectators. A fairly good game resulted, Crosshill winning neatly by a score of 3 to 0.

Altogether a very successful day's sports was carried out, showing what can be done by united effort in our pushing little village.

**NOTES.**

A pleasant dance was held at Spahr's hall in the evening.

Over \$30 was taken at the gate.

Thanks, Mr. Maple Leaf, for those pretty badges you donated.

Henry's drop curves did up the benedicts.

A genial sport from Crosshill was badly deceived in the bicycle race.

Mr. Berlet, assisted by Mr. Schaffner, catered to the wants of all at the booth on the ground.

It was amusing to see the kids catch their dads napping between the bases.

Alvin Bricker, of Listowel, captured five first prizes.

Some low-spirited wretch attempted to burn down the pretty arch at the main corner the evening before, but the memory of his former evil deeds prevented him, so the arch was spared.

**HAWKESVILLE.**

Sept. 21st, 1901.

Mr. Love, who has been visiting friends in Winterborne, is back to town again.

The young people of this place spent a very enjoyable time at Mr. Jacob Hahn's last Friday evening.

Mr. Robt. McCollum's new brick house is nearing completion and adds wonderfully to the appearance of the front street.

Mr. McKinzie, principal of the public school, was a visitor to Berlin on Saturday.

Mr. F. S. Spies has secured another clerk for the White Store, in the person of Willie McFadyen, of Fergus.

Mr. and Mrs. Henry Frey and family were visiting in Carthage on Sunday.

Quite a number of this place attended anniversary services at the Presbyterian church in Linwood on Sunday.

**STADTWEIN.**

Sept. 22nd, 1901.

Farmers are very busy threshing these days. The steamer whistles are heard in all directions.

Peter Lichty lost a good horse the other day. The animal was trying to jump a wire fence when it became entangled and fell, break-

ing its neck.

Messrs. Henry and Noah Schott and Peter Dietrich visited friends in Erlsville the other day.

Mr. John Jantzi has a superb mangle patch this fall. His large bins will be full.

Mr. Christ. Gerber is putting up a new windmill power this week.

Mr. Nich. Steckley has traded for a new 14 h. p. threshing engine, which will give him sufficient power for all purposes.

Mr. Moses Gascho visited in New Prussia last Sunday.

**DOERING'S CORNERS.**

(Too late for last week.)

Mr. Peter Heise purchased his father's farm last week and this week he got himself a helpmate in the person of Miss Maggie Hammer, of Berlet's Corners.

Mr. Henry Lanz, of Philipsburg, has bought 100 acres of land from Jacob Becker for \$5,800.

Mr. Jacob Roth will move to Heiseville this fall, where he has rented a 200-acre farm. Mr. Roth is quite popular among his neighbors here.

Mr. J. W. Otto has bought Mr. John Handstein's farm in Unionville for \$1,675. Mr. Otto will likely receive a nomination for mayor of that place at the next municipal elections.

Some farmers are still busy with their seeding, the wet weather having kept them back. Early sowed wheat is looking fine.

Mr. Andrew Axt and his mother visited at Mr. John Wagner's, Berlet's Corners, on Sunday.

Mr. Daniel Lemp and his sister, Miss Lizzie, wheeled to Auburn and Blythe this week, where they will visit their brother, George, and other friends, returning the latter part of the week.

Mr. Henry Levergood is putting up a large new hog stable, 115x18 feet. Mr. Henry Handstein has the contract.

**AMULREE.**

Sept. 23rd, 1901.

Fall wheat sowing is about finished. The acreage is fully up to the average.

Yesterday was sacrament day at Hampstead Presbyterian church.

Rev. and Mrs. Cameron were guests of Mr. J. S. Patterson's, north of here, one day last week. They have just returned from a pleasant trip up the lakes.

Messrs. John Cook, C. Berg, Hy. Cook and several others have been "doing" the Pan-American within the past few days. The two first named were making their second visit, the cattle show not being on when they first went.

Railway interests are being roused in the north part of the township over the prospects of getting a line through to a point somewhere near there. From the talk your correspondent hears the northeast portion of the township would like much to obtain a railway market at Wellesley, and a reasonable scheme with that end in view would be welcomed by the farmers.

The boys who so persistently disturb Mr. and Mrs. Peters on the 8th concession ought to get ashamed of themselves and quit it. They are a well-behaved, harmless menonite couple who object to going to law or the annoyances they have been subjected to would long ago have been stopped and the offenders punished. If it continues much longer some of the neighbors, who are not opposed to a little law in a good cause, may take the matter up.

The Duke and Duchess of Corn-

able and cheap, and the road would  
have paying business the year  
round. It is more than likely that  
the voice of the people of this sec-  
tion will shortly be heard on rail-  
way matters.

A scarcity of mechanics is report-  
ed at Wiarton and building opera-  
tions are seriously retarded.

Peter Jackson, 8th line Morris,  
recently sold 7 pigs, 7 months old,  
that averaged about 211 lbs. He  
received \$103.60 for the lot. They  
were Yorkshire and Tamworth  
cross.

Mrs. M. Snyder, one of the vic-  
tims in an accident on a railway  
crossing near Berlin some time ago,  
was removed to her home, near Ba-  
den, last week after a stay of  
several weeks in the hospital.

An American of large ideas de-  
fined the geographical boundaries  
of the United States in the follow-  
ing flowery language: "They are  
bounded on the north by the Aur-  
ora Borealis, on the south by the  
procession of the equinoxes, on the  
east by the primeval chaos and on  
the west by the Day of Judge-  
ment."

On Tuesday of last week fire par-  
tially destroyed the residence occu-  
pied by Rev. Mr. Tietze, New Ham-  
burg.

Warton is to have a beet sugar  
factory in the near future.

#### LOCAL NEWS.

Miss Lottie Hogg, of Stratford Col. Institute, spent Sunday at her home here.

Miss Killer, of Stratford, is visiting Miss Annie Fleischauer, here, at present.

"The Peerless" is our new 5c cigar which is taking like wild fire. Try it. Knapp Bros.

Secretary Russell, of the Tavistock Agricultural Society, was a visitor at the Wellesley Show.

Rev. Father Brohman, of St. Clements, was among the visitors to the Wellesley Show yesterday.

The familiar face of Mr. Jno. T. Wilford, of London, formerly of Crosshill, was seen on the fair grounds yesterday.

Mr. Wm. Hammond, of De Witt, Neb., a native of the third Line, Wellesley, is visiting in and around the village at present.

A meeting of the Directors of the Wellesley Public Library will be held at the drug store tomorrow (Friday) evening.

Eddie Lenhard had his arm broken just below the elbow last week as the result of a slip and fall while running. He is doing well.

Mr. and Mrs. Wm. Armstrong left for their home at Fordwich on Friday morning after a few days' visit at Mr. Robert Freeborn's.

The Maple Leaf acknowledges with thanks a present of two large watermelons from the exhibition hall by Mr. Jno. Lenhard, of Wellesley.

Union Sunday school next Sunday at 1.45 p. m. Rev. Mr. Draper will preach, at 3 o'clock, from the subject "Be sure your sin will find you out."

Rev. Mr. Francisco, of Berlin, will preach in English in the New Jerusalem church, Wellesley village, on Sunday morning next at 10.30 o'clock. All are invited.

The balloon ascension did not take place at the Show on account of the strong upper current of air. Prof. Cassell, the aeronaut, was much disappointed, but he gave a very successful ascension and parachute drop in the village last Thursday evening, showing himself to be an expert at that thrilling performance.

#### SHOT IN THE KNEE.

The little seven-year-old son of Mr. Moses Schultz was seriously wounded at the Fall Show here this afternoon. The little fellow was walking at the back of the gallery on the ground when some one fired a shot which went so wild that it escaped from the ironwork tunnel and struck his leg just below the knee, burying itself in the large bone. The bullet was so deeply imbedded in the bone that it was allowed to remain, in the hope that extraction may prove unnecessary. The boy was taken home and his recovery is confidently hoped for.

Mr. Wm. Falk, who recently moved into his handsome new residence in our village, leaves today for Elkton, Mich., to attend the funeral of his uncle, Werner Falk, a gentleman well known to many of our readers.

**WELLESLEY AHEAD!**—Mr. John Hill's splendid herd of Durham cattle swept every thing at the Berlin show last week, taking every prize except one 2nd. His Yorkshire pigs also carried off the honors. It is doubtful if Mr. Hill's fine stock can be beaten in the Dominion.

Robert, son of A. B. Robertson, Esq., came home from Niagara Falls, N. Y., last Saturday, and is now lying ill of typhoid fever. He is being nursed by his sister, Miss Grace, a nurse in the hospital at St. Albans, Vermont, who happens to be at home for her holidays.

Mr. Geo. Doersam returned last week from a several days' stay at the Pan-Am. In comparing the buildings of the different States of the Union with that of Ontario, Mr. Doersam likens it to "walking out of a kitchen into a parlor," and he thinks that visitors from the banner province have no cause to be ashamed of their exhibit.

#### DOUBLE WEDDING.

At 3 o'clock on Tuesday, Sept. 17, a pretty double wedding occurred at the home of Mr. George Smith, Riverside Farm, when his daughters, Misses Annie and Katie were united in marriage to Messrs. George Neumeister and Frederick Schaefer, both of Poole. Rev. Mr. Holm, of North Easthope and Wellesley Lutheran church, officiated in the ceremony, which was performed under a bower of cedar and silver leaf. The wedding march was played by Miss Smith, of Ratzburg, two pretty little tots in white—Lily and Hattie Smith, acting as maids of honor. About 200 guests were present, from Wellesley, Mornington, Logan, North Easthope, Wilmot, Berlin and other places. The brides were attired in blue with lace and silk trimmings and carried bouquets of white and red roses. A splendid wedding dinner was served after the ceremony. The list of presents was a long and valuable one, and the happy couples start in life with the warmest wishes of a wide circle of friends.

#### WELLESLEY FAIR.

To-day (Wednesday) the Wellesley Fall Show is in full swing. The weather is clear and beautiful although a cool northeast breeze prevails. The attendance is immense and we are informed the gate receipts will be at least \$100 in advance of last year.

The exhibits are of a superior nature and show the wonderful possibilities of this section. It would be difficult to get together a finer display of roots, vegetables, and grains than those in the hall. In apples and kindred fruits only is the show behind, and that was to have been expected this "off year."

The ladies' department was fairly well filled with entries and these exhibits were constantly thronged. Miss Roedding, of Tavistock, got much praise for her fine display, taking 20 prizes with her 23 entries.

Mr. Reiner's stove display drew many complimentary remarks from the spectators as did also Kelterborn's merchandise exhibit.

The live stock show was simply superb. Horses, cattle, sheep, hogs, poultry, all were represented by the highest types of their species and the competition in all lines was very keen.

The Wellesley Brass Band made the welkin ring with their excellent music. The organization is specially strong at present and the boys well merited the frequent applause which they received.

The fake medicine men and the wheel-of-fortune gamblers were there, and much surprise was evinced that the management of the Show allowed them on the ground at all.

We are unable to give more than a glance at the Exhibition in this issue but will publish the prize list in full next week.

All the members of the Wellesley township council were at the Show here yesterday.

Dr. and Mrs. Green, of Caledonia, Mich., have been the guests of the editor of this paper the past week. Mr. Green, who practiced many years ago as a veterinary surgeon in Wellesley village, met many of his old friends while here, and was delighted to find so many of them enjoying health and prosperity. They start on their return trip to Michigan this morning.

#### THE RACES.

There were four entries in the named race at the Wellesley Fair. The trot was a good one, resulting as follows:

Simon D. Davies.....1 1  
Arlene, Doerr.....2 2  
Major B.....3 3

There were 5 entries for the farmer's trot, but the horses did not all start. The winners were:

P. P. Ziegler.....1 1  
Frank Entrieken.....2 2

LINWOOD'S BIG DAY.  
CIVIC HOLIDAY CELEBRATION A GREAT SUCCESS.—CALITHUMPION PARADE.—LADIES PLAY BASE BALL.—GOOD BALL GAMES, BICYCLE RACES AND SPORTS.

The weather on Wednesday of last week was a little cold and windy, and in the afternoon a short rain interfered for a few minutes with the sport, but on the whole the Linwood civic holiday celebration was a decided success. The attendance was large and the fun was kept interesting and exciting from morning until night. The village was prettily decorated and the committee had neglected nothing in preparing for the occasion.

LADIES' BASE BALL.  
Promptly at 9 o'clock, a.m., the ladies' base ball match commenced. The sides were represented as follows:  
Married Ladies.—Mesdames Berlet, Kerr, Heimlich, Glebe, Manser, Carnochan, Parr, Goetz and McEachern.  
Unmarried.—Misses Spahr, K. Heimler, C. Heimler, Little, Goetz, Harding, M. Parsell, E. McKay and Williamson.

The game provoked much merriment and excitement. The "fanning" and "sliding" exhibitions were models of gracefulness, while the advice given from the coaching lines was taken in that obedient way in which ladies always accept suggestions. The spectators kept respectfully back to allow the pitchers plenty of room to get the ball in the vicinity of the plate and although there occasionally appeared to be a pretty big curve on the ball it was generally landed somewhere between the first and third bases. The players disclaimed base stealing so most of the runs were earned, but everything in the shape of a "foul" was dexterously plucked. The married ladies, not wishing to get a reputation as "gadabouts," permitted their more youthful opponents to do most of the meandering around the diamond, with the result of a score of 28 to 9 in favor of those who do not (yet) wear wedding rings.

Then followed the very comical calithumpion procession. Everything which could provoke fun was there, but the prizes were captured by Messrs. Karoly and Baker and Fish and Berlet, the former travelling by unicycle propelled by a donkey engine, while the latter represented an Indian and squaw in full war paint.

The band having arrived, a parade through the village then took place. The procession was made up as follows: E. Baker and G. Heimler, dressed in white and riding on beautiful bays; Mr. Hamilton, president of the committee; Heidelberg Brass Band; calithumpians; citizens; boys.

Then followed the bicycle races. In this there were only four entries, but all were good men and the race was keenly contested. E. Berlet secured first place, with C. Parsill second.

During the dinner the hotels were severely taxed but were equal to the emergency and the tables were kept loaded with good things notwithstanding the good appetites of all.

At one o'clock the band headed the parade to the ground where the married men were prepared to avenge the defeat of their "better halves" on the base ball field, and then crow over them when they got home. But this glorious prospect proved a delusion! They were beaten by a score of 108 to 15—at least that evidently would have been the result had they played the full nine innings, that being the ratio when the game was called at

the end of the third inning. The following were the players:

Married.—Messrs. (Dr.) McEachern, Flachs, Berlet, Armstrong, Moir, Holling, Bricker, Keller and J. Amant.

Single.—Messrs. Henry, Ziegler, Berlet, L. Heimler, Baker, Hamilton, G. Heimler, Fish, Lytle.

The athletic contests resulted as follows:  
Standing jump—1st Bricker; 2nd McCormick.  
High jump—1st Bricker; 2nd McCormick.

Running jump—1st Bricker; 2nd Zilliox.

FOOT BALL.

Considerable disappointment and confusion was caused by the failure of Elmira, Listowel and Atwood foot-ball teams to be present and play for the \$25 prize. Only Elmira gave the committee any satisfaction by telegraphing their reason for not being able to come. Crosshill was the only team present, and in order to give them a game a team was picked up from among the spectators. A fairly good game resulted, Crosshill winning neatly by a score of 3 to 0.

Altogether a very successful day's sports was carried out, showing what can be done by united effort in our pushing little village.

NOTES.

A pleasant dance was held at Spahr's hall in the evening.

Over \$30 was taken at the gate.

Thanks, Mr. Maple Leaf, for those pretty badges you donated.

Henry's drop curves did up the benedicts.

A genial sport from Crosshill was badly deceived in the bicycle race.

Mr. Berlet, assisted by Mr. Schaffner, catered to the wants of all at the booth on the ground.

It was amusing to see the kids catch their dads napping between the bases.

Alvin Bricker, of Listowel, captured five first prizes.

Some low-spirited wretch attempted to burn down the pretty arch at the main corner the evening before, but the memory of his former evil deeds prevented him, so the arch was spared.

HAWKESVILLE.

Sept. 21st, 1901.

Mr. Love, who has been visiting friends in Winterborne, is back to town again.

The young people of this place spent a very enjoyable time at Mr. Jacob Hahn's last Friday evening.

Mr. Robt. McCollum's new brick house is nearing completion and adds wonderfully to the appearance of the front street.

Mr. McKinzie, principal of the public school, was a visitor to Berlin on Saturday.

Mr. F. S. Spies has secured another clerk for the White Store, in the person of Willie McFadyen, of Fergus.

Mr. and Mrs. Henry Frey and family were visiting in Carthage on Sunday.

Quite a number of this place attended anniversary services at the Presbyterian church in Linwood on Sunday.

STADTWEIN.

Sept. 22nd, 1901.

Farmers are very busy threshing these days. The steamer whistles are heard in all directions.

Peter Lichty lost a good horse the other day. The animal was trying to jump a wire fence when it became entangled and fell, break-

ing its neck.

Messrs. Henry and Noah Schott and Peter Dietrich visited friends in Erlsville the other day.

Mr. John Jantzi has a superb mangle patch this fall. His large bins will be full.

Mr. Christ. Gerber is putting up a new windmill power this week.

Mr. Nich. Steckley has traded for a new 14 h. p. threshing engine, which will give him sufficient power for all purposes.

Mr. Moses Gascho visited in New Prussia last Sunday.

DOERING'S CORNERS.

(Too late for last week.)

Mr. Peter Heise purchased his father's farm last week and this week he got himself a helpmate in the person of Miss Maggie Hammer, of Berlet's Corners.

Mr. Henry Lanz, of Philipsburg, has bought 100 acres of land from Jacob Becker for \$5,800.

Mr. Jacob Roth will move to Heiseville this fall, where he has rented a 200-acre farm. Mr. Roth is quite popular among his neighbors here.

Mr. J. W. Otto has bought Mr. John Handstein's farm in Unionville for \$1,675. Mr. Otto will likely receive a nomination for mayor of that place at the next municipal elections.

Some farmers are still busy with their seeding, the wet weather having kept them back. Early sowed wheat is looking fine.

Mr. Andrew Axt and his mother visited at Mr. John Wagner's, Berlet's Corners, on Sunday.

Mr. Daniel Lemp and his sister, Miss Lizzie, wheeled to Auburn and Blythe this week, where they will visit their brother, George, and other friends, returning the latter part of the week.

Mr. Henry Levergood is putting up a large new hog stable, 115x18 feet. Mr. Henry Handstein has the contract.

Sept. 23rd, 1901.

Fall wheat sowing is about finished. The acreage is fully up to the average.

Yesterday was sacrament day at Hampstead Presbyterian church.

Rev. and Mrs. Cameron were guests of Mr. J. S. Patterson's, north of here, one day last week. They have just returned from a pleasant trip up the lakes.

Messrs. John Cook, C. Berg, Hy. Cook and several others have been "doing" the Pan-American within the past few days. The two first named were making their second visit, the cattle show not being on when they first went.

Railway interests are being roused in the north part of the township over the prospects of getting a line through to a point somewhere near there. From the talk your correspondent hears the northeast portion of the township would like much to obtain a railway market at Wellesley, and a reasonable scheme with that end in view would be welcomed by the farmers.

The boys who so persistently disturb Mr. and Mrs. Peters on the 8th concession ought to get ashamed of themselves and quit it. They are a well-behaved, harmless menonite couple who object to going to law or the annoyances they have been subjected to would long ago have been stopped and the offenders punished. If it continues much longer some of the neighbors, who are not opposed to a little law in a good cause, may take the matter up.

## EDITORIAL NOTES.

The Duke and Duchess of Corn-  
wal and York have landed on Can-  
adian soil and are being shown the  
courtesies this Dominion has for the  
British form of government and  
for England's Royalty. The cities  
of Quebec, Montreal and Ot-  
tawa have simply gone wild over  
the matter, and the Governor-Gen-  
eral's nerves have not been serious-  
ly shocked by any indecorous acts  
of the various reception commit-  
tees. The Royal party are now on  
their way westward across the con-  
tinent and the preparations which  
are planned to do them honor  
on the way have been made on a  
grand scale.

In these days of assassins, it is  
surprising that such a tough and  
bummy looking set of fellows is  
permitted to take part in the royal  
receptions along the line of the  
Duke's triumphal trip across the  
continent. If nobility and high of-  
ficials are as scrubby looking as  
they are represented to be by the  
illustrated cuts printed in the daily  
papers these days, there is certain-  
ly room for improvements in their  
facial appearance. But the daily  
papers have so long been deceiving  
and misleading the people in polit-  
ical matters that the public don't  
believe that royalty "looks like"  
those horrible cut pictures.

Berlin is just a little bit stunned  
by its own action in defeating the  
Berlin, Preston & Hespeler Ry. bo-  
nus by-law the other day. It seems  
to be the settled opinion of the  
ratepayers of the county town that  
they will secure the great advan-  
tages of that road without giving  
it any financial aid. But the citi-  
zens whose energy and push have  
made Berlin what it is in the busi-  
ness world express genuine regret  
that the county town is so short-  
sighted in this matter. The electors'  
vote on this question is un-  
doubtedly a heavy set back to the  
promoters of the beet sugar indus-  
try who were already working ag-  
ainst great odds, while the manu-  
facturers are languishing under the  
hardships of the railway monopoly  
which exists there. We are in-  
formed that the more pushing peo-  
ple there are puzzling their brains  
to find some solution of the ques-  
tion how to help the railway pro-  
moters out of the financial trouble  
so that the road may be completed,  
but the remedy is not yet in sight.

Wellesley section has, so far, re-  
mained quiet, trusting to the Twin  
City to take the initiative in send-  
ing this particular electric road  
along west to supply the want for  
which this section has long been  
suffering. But their patience is  
well high spent and it is not at all  
unlikely that active operations will  
be commenced here independent of  
Berlin and her great interests.  
There is at present strong talk of  
hanging up a good bonus for the  
first railway to touch Wellesley.  
Now it so happens that the Platts-  
ville and New Dundee sections of  
the country are also in need of rail-  
way communication, and are will-  
ing and well able to pay the price  
for proper service. A road about  
30 miles in length would intersect a

splendid belt of country from Galt  
to Wellesley, and give the Platts-  
ville-Dundee section just the outlet  
they need. Parts of Wellesley, N.  
Easthope, Waterloo, North Dum-  
fries, Blanshard, and all of Wilnot  
townships would substantially aid  
such a line, while Galt would be  
eager to give assistance in securing  
this desirable connection. The op-  
ening of this road would be of im-  
mense service to the proposed beet  
sugar factory at Baden or Galt, and  
would give untold encouragement  
to the farmers in raising these  
beets, for which the soil is admir-  
ably adapted.

So far as Wellesley section is con-  
cerned, it matters but little from  
which point the railroad reaches  
here. Although there is a natural  
preference for Berlin, yet an outlet  
southward would be just as profit-  
able and cheap, and the road would  
have paying business the year  
round. It is more than likely that  
the voice of the people of this sec-  
tion will shortly be heard on rail-  
way matters.

ed at Wiarton and building opera-  
tions are seriously retarded.

#### LOCAL NEWS.

Miss Lottie Hogg, of Stratford Col. Institute, spent Sunday at her home here.

Miss Killer, of Stratford, is visiting Miss Annie Fleischhauer, here, at present.

"The Peerless" is our new 5c cigar which is taking like wild fire. Try it. Knapp Bros.

Secretary Russell, of the Tavistock Agricultural Society, was a visitor at the Wellesley Show.

Rev. Father Brohman, of St. Clements, was among the visitors to the Wellesley Show yesterday.

The familiar face of Mr. Jno. T. Wilford, of London, formerly of Crosshill, was seen on the fair grounds yesterday.

Mr. Wm. Hammond, of De Witt, Neb., a native of the third Line, Wellesley, is visiting in and around the village at present.

A meeting of the Directors of the Wellesley Public Library will be held at the drug store tomorrow (Friday) evening.

Eddie Lenhard had his arm broken just below the elbow last week as the result of a slip and fall while running. He is doing well.

Mr. and Mrs. Wm. Armstrong left for their home at Fordwich on Friday morning after a few days' visit at Mr. Robert Freeborn's.

The Maple Leaf acknowledges with thanks a present of two large watermelons from the exhibition hall by Mr. Jno. Lenhard, of Wellesley.

Union Sunday school next Sunday at 1.45 p. m. Rev. Mr. Draper will preach, at 3 o'clock, from the subject "Be sure your sin will find you out."

Rev. Mr. Francisco, of Berlin, will preach in English in the New Jerusalem church, Wellesley village, on Sunday morning next at 10.30 o'clock. All are invited.

The balloon ascension did not take place at the Show on account of the strong upper current of air. Prof. Cassell, the aeronaut, was much disappointed, but he gave a very successful ascension and parachute drop in the village last Thursday evening, showing himself to be an expert at that thrilling performance.

#### SHOT IN THE KNEE.

The little seven-year-old son of Mr. Moses Schultz was seriously wounded at the Fall Show here this afternoon. The little fellow was walking at the back of the gallery on the ground when some one fired a shot which went so wild that it escaped from the ironwork tunnel and struck his leg just below the knee, burying itself in the large bone. The bullet was so deeply imbedded in the bone that it was allowed to remain, in the hope that extraction may prove unnecessary. The boy was taken home and his recovery is confidently hoped for.

Mr. Wm. Falk, who recently moved into his handsome new residence in our village, leaves today for Elkton, Mich., to attend the funeral of his uncle, Werner Falk, a gentleman well known to many of our readers.

**WELLESLEY AHEAD!**—Mr. John Hill's splendid herd of Durham cattle swept every thing at the Berlin show last week, taking every prize except one 2nd. His Yorkshire pigs also carried off the honors. It is doubtful if Mr. Hill's fine stock can be beaten in the Dominion.

Robert, son of A. B. Robertson, Esq., came home from Niagara Falls, N. Y., last Saturday, and is now lying ill of typhoid fever. He is being nursed by his sister, Miss Grace, a nurse in the hospital at St. Albans, Vermont, who happens to be at home for her holidays.

Mr. Geo. Doersam returned last week from a several days' stay at the Pan-Am. In comparing the buildings of the different States of the Union with that of Ontario, Mr. Doersam likens it to "walking out of a kitchen into a parlor," and he thinks that visitors from the banner province have no cause to be ashamed of their exhibit.

#### DOUBLE WEDDING.

At 3 o'clock on Tuesday, Sept. 17, a pretty double wedding occurred at the home of Mr. George Smith, Riverside Farm, when his daughters, Misses Annie and Katie were united in marriage to Messrs. George Neumeister and Frederick Schaefer, both of Poole. Rev. Mr. Holm, of North Easthope and Wellesley Lutheran church, officiated in the ceremony, which was performed under a bower of cedar and silver leaf. The wedding march was played by Miss Smith, of Ratzburg, two pretty little tots in white—Lily and Hattie Smith, acting as maids of honor. About 200 guests were present, from Wellesley, Mornington, Logan, North Easthope, Wilmot, Berlin and other places. The brides were attired in blue with lace and silk trimmings and carried bouquets of white and red roses. A splendid wedding dinner was served after the ceremony. The list of presents was a long and valuable one, and the happy couples start in life with the warmest wishes of a wide circle of friends.

#### WELLESLEY FAIR.

To-day (Wednesday) the Wellesley Fall Show is in full swing. The weather is clear and beautiful although a cool northeast breeze prevails. The attendance is immense and we are informed the gate receipts will be at least \$100 in advance of last year.

The exhibits are of a superior nature and show the wonderful possibilities of this section. It would be difficult to get together a finer display of roots, vegetables, and grains than those in the hall. In apples and kindred fruits only is the show behind, and that was to have been expected this "off year."

The ladies' department was fairly well filled with entries and these exhibits were constantly thronged. Miss Roedding, of Tavistock, got much praise for her fine display, taking 20 prizes with her 23 entries.

Mr. Reiner's stove display drew many complimentary remarks from the spectators as did also Kelterborn's merchandise exhibit.

The live stock show was simply superb. Horses, cattle, sheep, hogs, poultry, all were represented by the highest types of their species and the competition in all lines was very keen.

The Wellesley Brass Band made the welkin ring with their excellent music. The organization is specially strong at present and the boys well merited the frequent applause which they received.

The fake medicine men and the wheel-of-fortune gamblers were there, and much surprise was evinced that the management of the Show allowed them on the ground at all.

We are unable to give more than a glance at the Exhibition in this issue but will publish the prize list in full next week.

All the members of the Wellesley township council were at the Show here yesterday.

Dr. and Mrs. Green, of Caledonia, Mich., have been the guests of the editor of this paper the past week. Mr. Green, who practiced many years ago as a veterinary surgeon in Wellesley village, met many of his old friends while here, and was delighted to find so many of them enjoying health and prosperity. They start on their return trip to Michigan this morning.

#### THE RACES.

There were four entries in the named race at the Wellesley Fair. The trot was a good one, resulting as follows:

Simon D. Davies.....1 1  
Arlene, Doerr.....2 2  
Major B.....3 3

There were 5 entries for the farmer's trot, but the horses did not all start. The winners were:

P. P. Ziegler.....1 1  
Frank Entrieken.....2 2
