ALL FOR \$1.75

This is the greatest combination offer ever made by any Canadian journal, and we are fortunate in securing the exclusive privilege for this district. The Daily Herald is one of Canada's oldest newspapers, established in 1841. It has long been the leading Liberal paper of Western Canada. It is now a first class newspaper each day giving full news of the world, and also devoting much space to matters of peculiar interest to the family. Its commercial intelligence is complete and reliable. THE KING'S PORTRAIT is the best ever published in Canada, and will make a handsome addition to the walls of any home. It is produced by a new process, and is not one of the faded colored portraits so common. As the regular price of The Herald is \$2.00 a year, the liberality of our offer is self-evident.

WELLESLEY NOMINATIONS.

A LIVELY MEETING.—PLENTY OF GOOD CANDIDATES.—INTERESTING SPEECHES.

THE OLD COUNCIL RE-ELECTED BY ACCLAMATION.

Wellesley township is noted for having many good speakers and for closely scrutinizing the affairs of the township on nomination day. Last Monday at Crosshill proved to be no exception to this rule, but the councillors were able to answer and explain in a satisfactory manner, so they were rewarded by being given their seats for another year by acclamation.

Nominations were made as follows:

FOR REEVE. *Thos. Short, nominated by Messrs Jos. Hayes and Michael Goetz. (Also by Messrs. John Keidel and David Herzog.)

R. Y. Fish, by Messrs. Albt Gibson and M. Goetz.

Henry N. Huehn, by Messrs. J. Boegel and Conrad Heinbuch.

FOR COUNCILLOR. *John B. Lichty, by Messrs. A. B. Robertson and John Hill

*Geo. Forwell, by Messrs. Jaecol W. Bricker and J. Boegel.

*Adam Heipel, by Messrs. Ferd. Walter and Ed. E. Ritz.

*R. J. Kerr, by Messrs. Albert J. Jones and Gavin Bar our.

W. J. Beggs, by Messrs. J. Heinbuch and John Phuir.

Wm Duench, by Messrs. Sam'l Hirsy and W. J. Beggs.

Jacob B. Meyer, by Messrs. Jos E. Meyer and C. K. Gies.

H. N. Huehn, by Messrs. J. H. Campbell and Jas. Coote.

Jos. Hayes, by Messrs. Michael Goetz and Alex. Rennie.

Chas. F. Ottmann, by Messrs. C. A. Kennell and Jno. Hill.

Christian A. Kennell, by Messrs C. F. Ottmann and Hy K. Forler. (* Present Council.

Mr. Peter F. Schenmer, was on motion, appointed chairman, and in a neat address, opened the speech-making, calling upon the following gentlemen:

Reeve Short gave a short sketch of last year's work, explaining and defending the council's work. On account of the wet season the expenditure on roads and bridges was less than intended, leaving a little more in the surplus for this purpose in next year's estimates. He ended with remarks favoring the abolition of the statute labor system, and the purchase of a road machine.

Mr. J. B. Lichty followed along the lines of the reeve, and defended the large surplus which would put next year's council in a much better shape than last year.

Mr. Forwell gave an account of the expenditures in his ward in a brief address.

Mr. Adam Heipel announced his intention to remain in the field in a few well-put words.

Mr. R. J. Kerr also spoke briefly, but in a witty vein, while also saying some useful, serious things about the bonusing of wire fences. He is strongly in favor of improving the winter roads.

Mr. R. Y. Fish, in an admirable address, referred to the work of last year's council. He urged the council to push the questions of road improvement, stating that the ratpayers would back the Board in heavy expenditures for better roads. He favored letting the people vote on the abolishment of statute labor at an early date, and felt sure that better and cheaper roads could be made under this system.

Mr. H. N. Huehn opened elo-

quently with a reference to the past year or two during which time the nation had received a new ruler. Canada had made great strides forward, our county had got a beet sugar factory, and our township now had a splendid new roller mill and a live newspaper. Although defeated last year by a few votes he felt that he had been handicapped by the number of candidates in his ward rather than that his former work on the Board was not satisfactory. He closed by referring to matters which were before the people at present.

Mr. W. J. Beggs referred jocularly to the "snow-under" he received last year, then spoke pointedly on the road improvements which are now so necessary.

Mr. Jacob B. Meyers made a neat, brief address, accepting the nomination, "if there's going to be a fight."

Mr. Jos. Hays said he had been nominated year after year and some day he would accept, but not this year as he saw no reason for holding an election at this time.

Mr. Duench was not present, but Mr. Beggs made a neat appeal for him in case there should be an election.

Messrs Ottmann and Kennel each "spoke well", but declined the nomination.

County Councillor Ferdinand Walter was the next speaker. He returned thanks for his recent re-election for Div. No. 6 by acclamation, and gave some very interesting reminiscences of township council work in the early days. He then took up Co. council affairs fully, making many matters plain to those present. While the question of roads was an important one, he believed that before a great debt was incurred for this purpose the railway question—the township's greatest need, should be settled. He expected a hard fight this year to keep Wellesley's county rate down next year. While this township is now paying all it should yet it might be difficult to convince the county council of that since the assessed value of the township had been raised this year.

Messrs. Alex. Rennie, A. B. Robertson and J. W. Green were also called upon, and their remarks brought out an animated discussion after which the meeting was adjourned.

ACCLAMATION.

Before the candidates and their friends left the village the resignations of all except the old councillors were in the hands of the Returning Officer, and that gentleman declared them re-elected by acclamation.

LINWOOD.

The annual meeting of the directors and patrons of the Linwood Cheese factory, held in Spahr's Hall, on Monday Dec. 22nd, was the most representative and enthusiastic that has been held since the factory recommenced operations. Nearly all the patrons were present and all seemed determined to have the factory continue work.

The President, Mr. W. J. Beggs occupied the chair while the business of the past season was concluded. He also gave a full account of the season's proceedings, commenting particularly upon the excellent quality of the cheese as manufactured by Mr. Parr, a quality that has brought to the patrons prices equal to and on several sales better than many of the large surrounding factories.

The following figures are taken from the annual report. Total

number of lbs. milk received 822145. Total no. of lbs. cheese made, 70009, or about 38 1/2 tons. Average yield 10.67 lbs. Average price of 100 lbs. milk, clear of expenses, paid to patrons, 77cts. Average selling price of cheese 9 15-16ths cts. Total receipts, \$7790.11. Cost of making and drawing \$1463.45. Salary of secretary, \$25; treasurer, \$20.

Mr. A. Rennie was then voted to the chair and after a nicely worded address, expressing his satisfaction at the success attained by the factory, he called for expressions of the feelings of the patrons in the same line. In the discussion which followed, Messrs Steever, J. H. Campbell, Decker, Gibson, Robinson, Miller, Patterson and several others expressed themselves as being greatly pleased with results, all speaking in eulogistic terms of Mr. Parr as a maker, and Mr. Beggs as a salesman.

The all important question of the running of the factory next year was then discussed, the result being that Mr. Parr agreed to continue making at the same rate, while Mr. Rennie agreed to improve the factory as soon as possible.

A board of directors was then elected, as follows:—Messrs W. J. Beggs, S. Miller, D. Patterson, J. H. Campbell and Geo. Lorel. Mr. T. Parr was elected Honorary Director.

A number of the patrons of the Hawkesville factory were present, and on behalf of them Mr. D. McKay addressed the meeting, saying that providing their factory did not continue operations they purposed patronizing Linwood.

The meeting then adjourned and the treasurer made his last payment for the season.

DOERING'S CORNERS.

Messrs S. Axt and Geo. Hammer spent a day or two of last week visiting at Berlin and Broslan. They report that the young man, Conrad Hammer, who was injured in a recent railway accident, is improving nicely.

Mr. and Mrs. Peter Heise were visiting friends in Bruslau over Sunday last.

On the 23rd inst., a prettily wedding occurred at the home of Mr. John Hammer, Unionville, when Mr. Philip Forler and Miss Mary Doerr, were joined for life. Rev. Mr. Langholz performed the ceremony in the presence of about sixty invited guests. After dinner the young people enjoyed a drive to Wellesley. A very large number of pretty and useful presents testified to the high esteem in which the happy couple are held by their friends. On the following day they started on their wedding trip to Reid City, Mich. They will settle down at Philipsburg.

Mr. Fred. Schmidt has been busy of late killing and plucking his choice poultry for the Christmas trade.

Mr. S. Axt leaves this week for Hanover to enjoy a visit with his mother while on a business trip up north.

STADTWEIN.

Some of the young people west of here spent a happy time in our neighborhood on Xmas.

Messrs. M. Steinman and W. Schaefer, of Baden, visited at John Steinman's on Christmas eve.

Miss Sarah Albrecht left for Michigan some time ago and is expected home soon.

Ein Junger mann von hier ging nach Baden fuer plucker als der spaz vorbei war gin er beim mit unbedorckten haer. Wie er ins hauss kamen fragte die frau "was hast du mid dein haer gethan?" "Las nur dein liegen, ich wers ihn schon griesen."

EDITORIAL NOTICES. A happy, prosperous New Year to all.

While Wilmot and North East hope are having hot municipal contests Wellesley quietly elected its council by acclamation.

When County-Councillor Ferdinand Walter, of Bamberg, finishes his present term he will have served forty years continuously as councillor in the township and county.

At the Crosshill nominations on Monday the council got a pretty good hint as to the strong feeling of the ratepayers in favor of the improvements required in fences and roads.

Wellesley Maple Leaf

Price Reduced to **75 cents** per year

DURING the two years of its existence the Wellesley Maple Leaf has had the good fortune to be a popular newspaper in the section it covers. Its circulation has never been less than 600 copies weekly.

Just as an orator on the rostrum (in order that ALL of his hearers may get the benefit of his speech) should speak distinct enough to be clearly understood by the person sitting farthest from him in the hall, so the Maple Leaf aims to make all its news valuable and interesting to its most distant subscriber, knowing that all the rest will thus be kept equally posted.

The Maple Leaf aims to give ALL the home news ALL the time.

Now in order that ALL of the home people may get ALL of the home news without interfering with their taking the usual number of outside journals, we have decided to reduce the size of the Maple Leaf and devote its reading space entirely to home affairs so that we can, without loss, reduce its price to a figure that should put it in every home in this section, thus giving it a circulation of 1000 this year.

We ask our friends to help us in this matter. The coming year will be laden with important local affairs: The Maple Leaf will keep its readers posted on the vital railway question; our municipal affairs will be carefully recorded; the sugar beet interests watched, and in every way that a local paper can benefit its community the "Leaf" will not be lacking.

The great bulk of the people of this section take outside papers. We have made close arrangements for clubbing this season, and can give rates that will make the Maple Leaf cost you almost nothing for next year.
