HAMPSTEAD.

May 25th, 1903.
Miss T. Leinweber, of South
Easthope, was visiting at Mr. Jno.
Dabmer's last week.

Miss T. McGilawee paid a flying
visit to her home last Wednesday.
One of the Wellesley boys tried
to show us how to play croquet the
other night. As is usually the case
with the Wellesley sports he was
bigger than our crowd, and the
wind was in his favor, but he failed
to score. The score at dark was
2-0.

It made us think of Ascension
Day when our eleven young-
sters went down to win back the foot
ball honors while Mr. Kerr was nt
looking. The town boys, under
Mr. Austin, played a good game.
The Hampstead line-up was: Goal,
Jas. McDonald; backs, Robert and
John McGilawee; half backs, Thos.
Farrell, Alex. McGilawee, Norman
Cook; Forward, Albert Stueck,
Hughie McMillan, Peter McGilaw-
wee, James and Hughie Hart.

Mr. Albert A. Smith has bired
with Mr. C. Smith, of Hampstead,
for 21 years.

Mr. John Smith has a new bired
man also.

Our bicyclists are having a hard
time to get over the bridge east of
town. It needs two planks badly.
Miss Mary McDonald is home for
Victoria Day.

All the fish and crabs were land-
ed last Thursday. There were just
enough to go around.

School boys are loading their
dinner pails every day with the
delicacies of the season—frogs.

We are informed on good authority
that sheep hides are selling at
\$8 each. We have n't seen any
worth that much yet already.

Miss Maggie Hunter is home for
Victoria Day.

Messrs. C. and H. Smith have ob-
tained the wire fence for the front
of their places.

The school fence will soon be in
its place. Come and have a look at
it.

Mr. Henry Kummer, of Erbs-
ville, is wearing a broad smile these
days. It's a girl.

Mr. and Mrs. Chumbers, of New
Hamburg, were visiting at Mr.
Hofmeier's last Sunday.

Miss Katie Koch is on the sick
list.

Mr. Henry Wismer, of Philips-
burg, was visiting at Mr. Stueck's
last Sunday.

Messrs. Ed. and Henry Neeb,
with their families, were visiting
at their father's on Sunday.

CROSSHILL

May 25th, 1903.
The second game was played
between the Hawksville and Cross-
hill football teams on the Crosshill
grounds last Saturday night. The
game was much faster than the one
played in Hawksville. Both teams
showed a decided improvement.
There was no score on either side
although toward the last of the
game the ball was kept dangerously
near the Hawksville goal, and it
required the best efforts of
their backs and nimble goal keeper
to keep the Crosshill boys from
scoring. On account of an accident
the game was stopped about
12 minutes before the time was up,
thus partly robbing the home team
of the advantage they had gained
over their opponents by the change
at half time. A peculiar feature
of the game was the number of
balls required to play. No doubt
some of the onlookers thought that
the boys must be using torpedo

footballs. The line-up was as fol-
lows:

Hawksville—Goal, Fowler; backs
McKenzie and Luckner; half backs
Schell, Peterson and Snider; for-
wards, Bice, Fowler, Wynne, Ott-
mann, Snider.
Crosshill—Goal, P. Birmingham,
backs, Coote and Gluister; half
backs, Frame, Melvin, Mundell; for-
wards, Campbell, Petch, Hammond
G. Birmingham, R. Barrett.
Referee, Hugh McCallloch.

On Monday the Crosshill boys
went to Shakespeare and played a
friendly game with the club of
that town. The game was fast
from start to finish, the boys in
black scoring five minutes after the
game started. The Shakespeare
boys played a nice game but were
not quite fast enough for the vis-
itors. At the end of the game the
score was 2 to 0 in favor of Cross-
hill, although they claimed another
goal which would have made the
score 3 to 0.

Mr. Allen Hastings, of Exeter,
spent a few days at his old home
here last week.

Mr. Henry Mundel, of St. Marys,
spent Sunday under the parental
roof.

Mrs. and Miss Webster visited at
Baden on Monday.

DOERING'S CORNERS.

May 15th, 1903.

Mr. August Millbrand was badly
hurt on Friday last while returning
home from hauling hay for Mr. A.
Axt. While passing Mr. Ed. Hei-
pel's team at a corner his wagon
tongue slipped through the neck-
yoke and his rig upset throwing
him under the rack. Mr. Heipel's
team became frightened and ran
over the rack smashing it and bad-
ly injuring Mr. Millbrand, two of
his ribs being broken. Mr. Heipel
was dragged by his team for some
distance but managed to escape
without serious injury. Mr. Mil-
brand's team ran away with the
front part of the wagon.

Rumors are in circulation that
we are to have a combined black-
smithshop and general store during
the summer months, especially
through haying and harvest.
Mr. Moses Schultz is building a
straw shed.

Mr. Wm. Heipel was in Tavis-
tock on Sunday visiting friends.

Mr. and Mrs. J. Bauer, from Tav-
istock, were guests at Mr. Moses
Schultz's over Sunday.

HUBERSVILLE.

May 25th, 1903.

Mr. Luther Williams and Miss
Elsie Williams were the guests of
Mr. and Mrs. Henry Pommer on
Thursday last.

A party undertook to amuse him-
self by peeping in through Mr. Hen-
ry Pommer's window the other
night. Mr. P. pulled down the
blinds then got his revolver and
quietly went outside and concealed
himself until the peeper again ap-
peared when a few shots in the air
frightened him off in good shape.
The party had better not come too
often.

Mr. and Mrs. Peter Albrecht, Mr.
and Mrs. John Stahl, and Mr. Ront
Hutchinson and Miss Katie Lennox
were the guests of Mr. Henry Pom-
mer on Sunday last.

Mr. James Kennedy was a visitor
at Mr. Alf. Hewitt's on Sunday
last.

Mr. Thos. Huber is preparing to
make some improvements on his
residence next month.

GREATLY ALARMED.

BY A PERSISTENT COUGH, PERMA-
NENTLY CURED BY CHAMBER-
LAIN'S COUGH REMEDY.

Mr. H. P. Burlage, a student at
law, in Greenville, S. C., had been
troubled for four or five years with
a continuous cough which he says,
"greatly alarmed me, causing me to
fear that I was in the first stage of
consumption." Mr. Burlage, hav-
ing seen Chamberlain's Cough
Remedy advertised, concluded to
try it. Now read what he says of
it: "I soon felt a remarkable
change and after using two bottles
of the twenty-five cent size, was
permanently cured." Sold by A. J.
Saunders, Wellesley Ont.

Danger in Dreaming.

"I believe that dream sometimes
kill," said a prominent specialist on
nervous diseases the other day. "Of
course I don't know that they are fa-
tal, but I have every reason to think
so. I had a woman patient whom I
was treating for a number of complica-
tions, including a weak heart. She
could not bear the excitement, and I
often warned against exposing herself
to sudden fright. She complained of
having nightmare and said she often
woke up in a state of terrible fright so
weak that she could not call for help.
One morning she was found dead in
bed with an expression of black terror
on her face. I have no doubt that she
died from fright produced by a night-
mare."

"Persons subject to nightmare who
have weak hearts should avoid sleep-
ing on the back. They should lie on
the right side and have the right arm
extended so they will wake up if they
turn over. Most nightmares are the
result of sleeping on the back or the
left side, where the heart is so com-
pressed that it has little room for free
action."

Blamed Her Way.

There is a story about Alaska and its
people to which is mentioned a man
who chose a bride from among some of
the Indian tribes up toward the Chil-
cot Pass. He took her to a large city.
Montreal, perhaps, and left her in a
splendid hotel while he went out to see
some one about a dog. She missed him
sadly. She sat at the window looking
out on the street four stories below.
Solitude became intolerable. She de-
cided to find her husband. There was
an elevator, but she didn't care for it.
Softly as a moccasins could carry her she
issued forth. When she had gone out,
a bellboy saw queer marks on the bal-
ustrades and doorcasings. The Indian
bride had blazed her way with a toma-
hawk so that she could find her way
back. The Indian bride was nearly
dying to see her education, for it is very
necessary to know how to blaze a trail
in Alaska.

LOCAL NEWS.

Mr. Harry E. Ratz of St. Clements, spent Sunday in town.

Mr. and Mrs. A. E. Ratz, and their son, Bertie, were in town over Sunday.

Miss Lizzie Eckstein, of Tavistock was the guest of her brother here on Sunday last.

Mr. and Mrs. Louis Becker, of Preston, spent the holidays with relatives and friends here.

Messrs. Leis and Gerber have returned home from New York State where they had been visiting for a month or so.

SPORTING.

TENNIS.

Our village tennis club has fairly covered itself with glory the past week, winning a decided victory in the match last Thursday and capturing the prize racket in the tournament at New Hamburg on Monday.

The New Hamburg club visited Wellesley on Thursday afternoon accompanied by a dozen or so of the pretty girls for which that village is so famous. The weather was ideal and a most enjoyable time was spent, and a large number of spectators watched the play, which was very fast and often exciting. Although the home players got decidedly the best of it and won on their merits the visitors gave a sturdy opposition and "vantage" games were quite numerous.

The score:

Dr. Glanister and Mr. Eck. Reimer (w) beat Messrs. Ban and Puddicombe (s) 4-6, 6-3, 7-5.

Messrs. Ed. Reimer and A. J. Saunders (w) beat Messrs. Barnard and Thompson (s) 6-0, 7-7.

The latter game was called on account of darkness and Dr. Walters played instead of Mr. Thompson.

Messrs. Kerr and West (w) beat Messrs. Knick and Myers (s) 6-0, 6-2.

On Victoria Day Wellesley's crack team upset at the New Hamburg tournament and won the prize without any serious difficulty. They had the good fortune to draw the bye but it is doubtful if this would have made any difference in the final result. On their return home they were heartily congratulated upon the victory they had won for Wellesley. The scores:

New Hamburg, Mr. Ban and Dr. Walters, beat Tavistock, Messrs. Knick and Strecker 4-6, 6-4, 4-4.

Wellesley then beat New Hamburg 6-3, 6-1.

FOOT BALL.

The Hampered school boys came here unexpectedly last Thursday evening to play the return game. Our school boys were not obtainable on so short notice by Mr. John Austin gathered a team together but our boys were fairly mowed down, the score standing two goals to nil in favor of the visitors.

In the Stratford league, Stratford is now slightly ahead since beating Hamburg 2-0 Monday and a win in Milverton tomorrow will give them the championship. The record now is:

	W.	L.	D.	Goals
Stratford	3	0	1	4
Tavistock	3	0	3	4
Milverton	1	2	1	5
New Hamburg	0	4	0	0

Baden school boys are expected here Saturday.

Mr. Fred Sivour has purchased a fine driver from Mr. John Hill, paying a handsome price.

Mrs. Miller, widow of the late John Miller, is dangerously ill at her home in this village.

Mr. and Mrs. Geo. Paull, of Warton, spent from Friday to Monday at the home of his mother Mrs. Dahmer, here.

Two or three carp have been captured within the past week, one of them caught by Mr. Will Forier, weighing 4½ pounds.

Mr. Chas. Schwalm has something to say in a large illustrated advertisement in this issue which should be read by every farmer.

Victoria Day was quietly observed here, most of our young people going to New Hamburg, Milverton and other places where sports were being held.

The Wellesley township Sabbath School Association meets in the Opera House here next Tuesday. The program—an interesting one—is an interesting one and the local school is making every preparation.

Mr. M. Shnitz, New Prussia, raised the framework, on Tuesday for his new straw shed. The work was hardly finished when the structure was given an opportunity to show its sturdiness by successfully resisting the hurricane which came at that time.

WILD STORMS.

On Tuesday afternoon about six o'clock this section was visited by one of the sharpest windstorms for years. Although it lasted but a few moments it all but upset the flat mill barn, and did considerable damage to fruit and small trees in the village. Messrs. reports that several barns and a school house north-west of Crosshill have been wrecked, while trees and fences are down in all directions. The telegraph connection was broken so is impossible to verify these rumors at this writing.

Last evening another heavy blow occurred, unroofing one of Mr. Joseph's buildings and doing other damage east of the village.

ST. CLEMENTS.

May 18th, 1903.

Mrs. Meyers, who has been quite ill of late, is now recovering.

Mr. George Fahrenkopf is also getting better.

The various building operations in town are being rapidly pushed and the place looks quite progressive.

The road machine did a little work here last week and did it well.

Mr. Harry Ratz spent Victoria Day in Wellesley.

Mr. Jacob Myers was in Lebanon on Saturday and Sunday on business connected with a stallion he owns there.

Nearly all the town accompanied our baseball team to St. Jacobs on Thursday last where they played a fine game, it all at the close of the game.

DISTRICT NOTES.

Labor is scarce in Stratford.

A felt factory is being established at St. Jacobs.

Trains are now running regularly every two hours on the Preston-Berlin railway.

Mr. Colin McNichol, of Gadshill, lost a valuable colt one day last week.

Willie Baker, a Hespeler lad, has been sentenced to two years in the reformatory for shop-lifting.

The Berlin post office is to be improved to the extent of \$7,000 this year.

All the Elmira factories are working overtime.

It is expected that the G. T. R. will shortly give more passenger train service to Western Ontario.

An effort is being made to divert the course of the river at the Wal- lenstein hill.

Sixty-five children arrived from England at the Orphan's Home in Stratford the other day.

Ringling Bros.' circus will shortly visit this part of Ontario.

The C. P. R. crop report indicates a bountiful harvest in the west.

Premier Ross announces that no large schemes are under way for a new Government House.

"Ike" Vail, the king of bunco steers and prince of confidence men, is now a broken-down tramp in New York. He worked out the problem that the world owed him a living, by trying to take that living out of other men dishonestly. It may be true that the world owes man a living, but it makes him work like blazes to collect the debt.

A new barn belonging to Mr. Rupp near Cassel, in East Zorra, was struck by lightning and entirely consumed, during a thunder- storm on Tuesday night of last week. The loss includes, in addition to the buildings, the stables, implements and feed stored in the place. The loss is partly covered by insurance.

On Tuesday afternoon of last week a little son of Mr. Isaac Rank, Tavistock, met with a terrible accident. He went into the stable and switched the horse, which immediately kicked and hit the boy's head, fracturing his skull and cutting his ear. The child will likely recover.

A correspondent writing to one of our exchanges, makes a strong plea for sparing the birds, wild flowers and frogs, and it ought to be taken to heart and by parents and impressed on their children. And to the list should be added the somewhat unlovely appearing but useful toad. The toad makes war on many destructive insects, harms nobody and attends strictly to his own family affairs. To a gardener a colony of toads is worth money. Yet how often do boys thoughtlessly kill them. Train the children to take an intelligent but kindly interest in animals. The homely toad has been much maligned. When the warm cushions come sit down in the garden and test Mr. Toad for melody. He's a study. If the boys would but try it they would find more fun in studying the birds, frogs and toads, in noting their peculiarities and habits, or drawing them, than in killing them. They are good friends to the human race: be kind to them.

A FARMER CURED OF RHEUMATISM.

"A man living on a farm near here came in a short time ago completely doubled up with rheumatism. I handed him a bottle of Chamberlain's Pain Balm and told him to use it freely and if not satisfied after using it he need not pay a cent for it," says C. P. Rayder, of Pattens Mills, N. Y. "A few days later he walked into the store as straight as a string and handed me a dollar saying, 'give me another bottle of Chamberlain's Pain Balm. I want it in the house all the time for it cured me.'" For sale by A. J. Saunders, Wellesley.

CAUTION TO FARMERS.

Beware of Fakir Agents who tell you they are selling you a special machine of same kind from what your neighbor is getting. These men are a fraud and are sure to "do" you every time that old chestnut gets its work in. Stop and think if you know one person that ever got the special machine he considered he had ordered. Dog them. They bite worse than a rattlesnake. My prices are as low as are consistent with that good motto, "Live and let live." One price to all. Liberal discount for cash.
