This is the greatest combination offer ever made by any Canadian Journal, and we are fortunate in securing the exclusive privilege for this district. The Daily Herald is one of Canada's greatest papers. Established in 1860, it has long been the leading Liberal paper of Eastern Canada. It is a first class family newspaper each day giving full news of the world, and allowing much space to matters of peculiar interest to the family. Its commercial section is complete and reliable.  
The Montreal Daily Herald is the best ever published in Canada, and will make a handsome addition to the walls of any library. It is published by a new process, and is not one of the faded colored portraits so common.  
As the regular price of The Herald is \$2.00 a year, the liberality of our offer is self-evident.

### BOUNDARY LINE, WEST.

Oct. 12th Ed.

The road at Graham's Flats is now completed. For the first time in its history a traction engine has been taken over this road. A road bed sixteen feet wide has been maintained the entire distance, while both hills have been cut down so that the grade on both sides of the flats are much easier. The culvert, too, has been complete and is a substantial structure. A gang of men and teams are to start at once to give this road a proper coat of gravel when the road will be fit for any ordinary traffic. One thing more is needed to make it as it should be: the roadway is, of course, quite high, and it should be, for the sake of safety, protected on either side by a fencing of some sort. Its exposed position will prevent much snow from lying on it during the winter when a snow bed would be of great use, and in order to hold the snow from being blown off, a low, tight board fence would be found very serviceable. But a closely-woven wire fence might be found to suit, and this would be cheaper. A guard-fence of some kind could easily be afforded as the entire cost of the repairs is less than \$700,—some \$200 less than was expected when the work was undertaken by the combined county and township councils. The people of this neighborhood appreciate the benefit that this new road will be to them in getting to Wellesley village, and if the railway by-laws are submitted, at least 20 or 30 votes have been gained by reason of the fact that they will now have a proper road over which to carry our loads to the station. They also appreciate the good work the Maple Leaf has done in getting the councils together to complete the job this year.

### HAWKESVILLE.

MORE—LACKNER.

A very pretty wedding took place on Oct. 30th at "Maple Shade," Hawkesville, the residence of Mr. Geo. F. Lackner, when Miss Nellie Edna Lackner was married to Mr. Robt. More, of Toronto—son of Mr. J. A. More and brother of Dr. Geo. More, of Hawkesville. The ceremony took place in the drawing room, under a large bell of smilax and pink and white carnations. The knot was tied by Rev. T. H. Ibbot, Bloomingdale, assisted by Rev. S. Cunningham, at 12 o'clock noon. The bride was given away by her father, and was attended by Miss Evelyn Lackner, as bridesmaid, and Miss Lillian Lackner as flower girl, while the groom was assisted by his brother, Dr. Geo. More. Miss Snolly rendered Mendelssohn's wedding march. Miss Lackner was a pretty bride dressed becomingly in cream silk crepe de chine over cream silk with chiffon and applique trimmings and she wore the usual bridal veil and orange blossoms and carried a bouquet of white roses. After the ceremony and congratulations, the guests numbering about 80 partook of the wedding banquet the table decorations being smilax and asters. The bridal party left home about six o'clock in the evening for a short trip to St. Mary's and other western points, after which they will take up their residence on Palmerston avenue, Toronto. Mr. More is in business in the city, being a shareholder in the Toronto Coffee & Spice Company.

### EDITORIAL NOTES.

Today has been set apart by the Dominion of Canada as an occasion of public thanksgiving to the Almighty for the blessings showered upon the country during the year. Time's wheels have carried the car of Prosperity all over the Dominion since last Thanksgiving Day. A year ago it seemed that Canada had no more to ask for, but the twelve months just past have shown that unexpected good things were still in store for this God-fearing, energetic young Nation. Our cities and our prairies alike show wonderful increase in population, in manufacture and in wealth. In religious and educational matters the same progress is observed. Production has been making sturdy forward strides. Electric and railway developments are phenomenal. In fact all branches of the arts of civilization are rapidly marching forward so that Canada is now nearly at the forefront of earth's nations. Our Dominion, too, has been remarkably free from the epidemics, diseases and wars which have visited so many countries during the year past, while the very winds have appeared to blow to suit health and growth. The Canadian people are not slow to appreciate these blessings, and in their worship, their feasting and their sports today there will be breathings of prayer that our people may always retain their high reputation for Christianity, education and sturdy energy.

Berlin is beginning to wake up from its pipe dream. The county town managed to get the C. P. R. connection without paying anything for it in bonuses, and began to dream dreams about getting all good things for nothing which its active Board of Trade could not for a long time dispel. But the piper has yet to be paid and it looks as if their broken pledge to the Preston-Berlin railway may yet be a very costly "saving" to that town. Their hostility kept that road back for years so that it is not even yet finished for freight-carrying purposes. And now that the Guelph-Goderich railroad will surely span the north part of the county Berlin wakes up to the fact that it is not prepared for the emergency. Had Berlin given the Preston road fair treatment two or three years ago that road might by this time have been finished to Wellesley or Linwood, and the hopes of the Guelph western extension completely frustrated. But the county town now finds itself compelled to wait with folded hands while the capitalists leisurely decide whether or not to extend the C. P. R. west from Berlin. Wellesley district long ago warned Berlin that we were only anxious for railway connection with the seaboard, and would give reasonably substantial aid to the first bona fide road which applied. Our allegiance to the Berlin electric scheme, was based on the hope that the Twin-City would rise equal to the occasion and hasten, instead of delay, its connection with the C. P. R. so as to be the first in this rich field. But our allegiance is not so strong that we will deliberately miss a chance of getting some other railway, if it comes up, out of loyalty to a town which has not been loyal to itself in this matter.

It seems at present almost impossible to avoid a war between Russia and Japan. There has been bad blood between these countries for a long time over the Manchurian

settlement in which Russia has ignored its own pledges and is now openly aggravating Japan to declare war. England and the United States are giving their moral support to Japan, but it is not likely they will interfere unless drawn into it later on.

The Maple Leaf was mistaken in publishing last week that the Tilsonburg-Collingwood road was subsidized via Berlin and Stratford has lost this route. The road has been subsidized and given the choice of going either by way of Berlin and Stratford. The error occurred through a mistake in a Toronto daily.

Here is a problem which will cause a Stratford assessor to resign unless some of our mathematical readers help him out; He was trying to get the age of the daughter when the mother of the house told him; "John is 24 years old; John is twice as old as Kate was when John was as old as Kate is now." How old is Kate?

## LOCAL NEWS.

Pig killing has commenced. Business places in town will be closed to-day. Root crops are now being rapidly hoisted or pitted. Rev. Mr. Loehner is confined to his room at present with an abscess. Mr. Eph. Zinkann left Tuesday on a short business trip east of Toronto. It is said that two or three new business blocks will be erected in Wellesley next year. It is reported that if the railway comes to Wellesley a farm lure factory will at once be started here. A large number from here attended the convention meetings of the Evangelical Association in Berlin on Sunday. Berlin's beet sugar factory is now starting for the season. The crop promises to be more profitable this season than last. Several from here will attend the sports in New Hamburg to-day. A team of our local teams club is to play a match game there in the morning. Messrs Chris. Boller and John Hilgartner, of New Dundee, wheeled to this village on Sunday and spent the day with friends here, returning home by moonlight. Mr. Dietrich, who was married near Bamberg last week, moved his household effects to New Hamburg on Tuesday, where the young couple will take up housekeeping. Services in the Union church on Sunday evening at 8 o'clock. An effort is being made to have one of the ministers attending the Evangelical convention at Berlin preach here. Mr. Mike Ehb is absent on a trip through the western States and Manitoba. During his absence, Mr. Louis Schaub of the Queen's hotel, is in charge of Mr. Ehb's weigh scales and implement business. Reiner Bros. & Co.'s last spring ulve used a special shoe sale and in few days sold over 200 pairs. Now they are putting on a rush sale of ladies' wear, and the prices quoted indicate that there will be another slaughter. See adv.

## THE MEDICINE COMPANY.

The Wonder Herb Medicine Company were playing in the Wellesley Opera House for one week ending on Monday. They performed to crowded houses every evening and a 15c. charge at the door on the last three nights did not decrease the attendance. Some parts of their performance were said to be really good although the "gags" were somewhat ancient. Judging by the sales reported the audiences must have considered themselves quite unhealthy. A contest was run all the week in which the patrons voted for what they considered the most popular baby in town. The prize—a gold watch—was won by Mr. C. F. Ottmann's little four-year-old daughter, Persida, although several others made a close run. Prof. Cartis has gathered around him a gentlemanly lot of performers who made many personal friends here. They left for New Hamburg on Tuesday.

Mr. Chas. Koehler is in Preston assisting his son-in-law, Mr. Louis Becker, to move.

F. Kell's "Conductor's Pencil and "Johnny Canuck" cigars for sale everywhere. Try one; they're dandies.

There is an opening now in this office for a good boy from the country who wants to learn printing. Call or write.

Good general servant wanted. Small family. All modern conveniences in house. Apply to Mrs. J. H. Landreth, Berlin. Care of Customs.

Mr. Gustav Miller, jr., who has been working as a stone mason in Michigan, near Port Huron, for some months past, returned home on Friday.

Mrs. Ferris, of Crosshill, was united in marriage last week to a gentleman named Berlet, who is engaged in the undertaking business near Galt.

Mr. Philip Zuelch, of Yale, Mich., who left here with his parents when a child, is at present visiting in this vicinity after an absence of over twenty years.

The Wellesley Public Library is this week opening a consignment of over 100 new books. The long winter evenings are approaching, and those who patronize the Library will get good value. The men per foot fee is only 25c.

The football club is preparing to give a concert some evening about the middle of November. Some original numbers are to be introduced and the boys are determined to make the entertainment a success. Particulars will be made known in a few days.
