Oct. 1th, 1904.
GLENN DONALDSON.
 About three o'clock last Wednesday afternoon a very pretty church wedding occurred when Miss Lena Donaldson, adopted daughter of Mr. and Mrs. V. Glebe, was united in marriage to Mr. Milton Glebe, son of Mr. P. Glebe, Wellesley. The ceremony was performed in the Can. Lutheran church, Wellesley, the pastor, Rev. Mr. Holm, officiating, while the wedding march was played by Miss Harmina Koehler. After the ceremony, the happy couple accompanied by about 50 of their young friends returned to Lisbon. The bride was attired in a lovely bridal dress of white tulle, with veil, and carrying white roses. The bridesmaid, Miss A. Zoeger, of Hamilton wore pale blue crepe de chene, with gray beaver hat, and carrying white carnations. The groom was supported by Mr. F. Fleischauer, of Toronto. Two hundred and forty invited guests sat down to the wedding banquet, visitors being in the throng from Hamilton, Toronto, Berlin, Listowel, Gads Hill, Philipsburg, Nithburg and other places. A fine group picture of the large gathering was secured by Mr. Chas. Ottmann, photographer, of Wellesley. A long and costly array of wedding presents showed the popularity of the bride. After dinner the guests enjoyed a splendid time until a late hour in social enjoyment, and ended in showing good wishes upon the bride and groom. They will take up their residence in Brantford where Mr. Glebe has a lucrative situation.

Many from here attended the funeral of Mrs. Weitzel, in Gads Hill, on Sunday.
 Miss L. Wagner spent a couple of days last week the guest of her sister in Berlin.
 Mr. and Mrs. A. Schmidt, of Stratford, spent Sunday at Mr. Jno. Schmidt's.

About ten years ago he opened a tailoring business which he has conducted ever since until he was no longer able to work. He was about 39 years of age. The funeral occurred on Saturday, the interment taking place at St. Agatha cemetery.

Root crops are excellent in this vicinity. Turnips are the only ones still in the fields.
 The engineer was looking over the route of the proposed electric railway. Our people are much interested and its coming will be warmly welcomed.

Milverton, Ont., Oct. 11.—The dead body of a man in advanced stage of decomposition was discovered to-day in Mr. M. Whitney's woods, near Brunner. It is supposed to be that of a man named Gamble, about 50 years of age. A double-barrelled gun was lying beside him, one of the barrels being empty. From circumstances attached to the trigger of the gun it was evident that he had committed suicide. An envelope found in his pocket was addressed to J. H. Hodden, Neepawa, Man.

Some Seasonable Advice.
 How to Cure Corns and Bunions.
 First, soak the corn or bunion in warm water to soften it; then pare it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily, rubbing vigorously for five minutes at each application. A corn plaster should be worn each day to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by A. J. Saunders, druggist, Wellesley.

EDITORIAL NOTES.

The annual meeting of the Canadian Pacific Railway Company was held last week in Montreal. It was decided at this meeting to issue shares to the amount of nearly \$25,000,000, for the building or acquiring new roads in Ontario. The Guelph-Goderich road was endorsed and there is reason to believe that a spur from Hawkeville to Stratford is included in this scheme.

The Reformers of North Waterloo are holding their convention to select a candidate to oppose Mr. Seagram for the Dominion House. The names of Mr. E. P. Clement, K. C. of Berlin and Mr. R. Y. Fish, of Linwood, are prominently mentioned in connection with the nomination. Both are strong men and the latter would have a large following of personal friends in Wellesley.

Dr. Stooler, of Turistock, has received the Conservative nomination in South Perth. The Dr. is a splendid speaker and a determined, skillful fighter who will redeem South Perth for his party if that difficult feat can be performed. His opponent is Mr. McIntyre, of St. Mary's. Mr. D. K. Erb, M. P., having declined re-nomination.

Last week many residents of the township of Wellesley received sample copies of the Toronto Daily World containing a large advertisement to the effect that that journal and the Maple Leaf could be had at the low clubbing rate of \$2.75 from now until the end of next year. The day has come when nearly everyone wants a daily as well as his home paper and we are pleased to be able to offer this bargain. As the sample of the World sent out was a special edition, it passed through the mails a day late. Last some should be misled by this we will state that the World is a regular morning daily, contains practically all the cable, associated press and other news published by the other big dailies and reaches its readers the same day. The regular price of the World is \$3 for twelve months, so it will be seen that the special offer is a good one.

When Mr. Dunlop, the Conservative M. P. for North Renfrew, announced that his election expenses were the enormous sum of \$7,000 it was thought that the top notch was reached. But he did not hold the record long. His opponent, Lorne Hale, stepped into the witness box the other day and swore that it cost him \$10,000 to oppose Mr. Dunlop in that election. Mr. Dunlop has resigned and North Renfrew is again up, but the editor of this giant local paper gives fair notice that we will not help that constituency out of its dilemma by becoming a candidate there until the prices go down.

Twice within the past month the Berlin electric railway by-law protest has had a date set to come before the judge in Osgoode Hall. Both times the case failed to mature and the by-law is still "hung-up," perhaps waiting for the railway to be built without this bonus! Oh, Berlin!

Now the Russians have decided to march south to the relief of Port Arthur. General Kovrapotkin has started on his southern journey and the Japs are retiring before him. This news is not very definite but it will do as well, for a change, as the old stand-by "Another great battle imminent."

The Ocean Signal is the best 5c cigar of all.

Could Not be Better.

The uniform success of Chamberlain's Colic, Cholera, and Diarrhoea Remedy has won for it a wide reputation and many people throughout the country will agree with Mr. Chas. W. Mattison, of Millford, Va., who says, "It works like magic, and is the best preparation I know of. It couldn't be any better. He had a serious attack of dysentery and was advised to try a bottle of this remedy, which he did, with the result that immediate relief was obtained. For sale by A. J. Saunders, Druggist, Wellesley."

Six persons were suffocated and a number rendered unconscious by gas that accumulated in the St. Clair tunnel on Sunday morning. A freight train became uncoupled in the tunnel and some men going in to fix it were overcome by the gas. Messrs. A. L. McLaren and J. P. Mabee candidates for the House of Commons for North Perth are at an early date going to hold a joint meeting at Stratford to debate the merits of the Grand Trunk Pacific Railway bill.

The home of Mr. Ed. Wakeford, of Listowel was burned to the ground a week ago Monday morning. The family barely escaped with their clothing. All the contents were burned and the loss is great.

The Sovereign Bank of Canada has opened a branch in St. Jacobs.

In a head-on collision near Kansas City, Mo., 30 people were killed and about 60 injured. The passenger train was a special enroute to St. Louis.

A horrible accident took place on the farm of Adam Davidson near Galt on Saturday last. The boiler of the sawmill on his farm exploded killing the fireman and a man sawing lumber near. Two men standing near were injured.

It may be a piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy at hand. This remedy is so widely known and so altogether good that no one should hesitate about buying it in preference to any other. For sale by A. J. Saunders, druggist, Wellesley.

Going for Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Don't put yourself in this man's place, but keep a bottle of this remedy in your home. There is nothing so good for Colic, Cholera Morbus, Dysentery and Diarrhoea. It is equally valuable for Summer Complaint and Cholera Infantum and has saved the lives of more children than any other medicine in use. When reduced with water and sweetened it is pleasant to take.

You, or some one of your family, are sure to need this remedy sooner or later and when that time comes you will need it badly; you will need it quickly. Why not buy it now and be prepared for such an emergency? Price, 85 cents.

What's the Price To-Day?

The farmer who already knows the market prices for grain and produce need fear no combination of buyers when he goes to market.

How often the buyers "get together" on prices every farmer knows.

How often has a farmer sold his grain in one town for a couple of cents less than the buyers were paying in a neighboring market?

It pays to keep posted on the markets.

The Toronto Daily Star has the best market reports of any city paper. It has men who do nothing else but study the markets—who give it all their time and attention, and you can get all this information in the Star every weekday for a year and your own local paper as well for \$3.20.

If you save a cent a bushel on only two loads of grain by knowing the prices it will about pay the price, won't it? Besides think of being in touch with the world's news every day.

Subscribe direct to the Star or through the office of this paper. Both the Daily Star and this paper for \$3.20.

DISTRICT NOTES.

Madrid, Oct. 6.—The Institute of Social Reform, after a heated discussion decided to ratify the absolute prohibition of Sunday bull-fights. This is considered to be the death blow to bull-fighting in Spain.

Mount Pelee was in violent eruption on September 30.

Sir Vernon Harcourt, the British orator and statesman died in London a week ago Wednesday.

A cucumber weighing over fifty pounds is one of the curiosities at the Texas exhibit in the Palace of Agriculture at the Worlds' Fair. The big vegetable is thirty inches long and thirteen inches in diameter. In appearance it can scarcely be distinguished from a number of water melons that occupy the same stand and is taken for a melon by many.

Mr. A. J. Smith, a merchant of Lethbridge, shot himself dead by accident on Oct. 6. He was going down cellar to shoot some cats that were infesting the place when the revolver accidentally went off. He came up stairs and told his wife he had had an accident, sat down in a chair and expired.

The population of Galt, according to the assessor's roll is 8463, a gain of 336 over last year.

A hold act was committed near the city of Belleville a week ago Thursday. Some tramps went to the farm house of Mr. John Ling and demanded a meal. As it was not prepared for them quickly they entered the house and drove the farmer and his wife out, taking possession and making themselves at home. After eating and drinking what they liked and helping themselves to some small articles the tramps walked in an easterly direction. That part of the country is said to be fairly infested with tramps.

There is a large deficit shown in the annual financial report of the Stratford Hospital.

Mr. Geo. A. Clare, M. P., was nominated by the conservatives of South Waterloo, at their convention held in Galt last Friday. There is a probability that he will not be opposed, although Mr. Geo. Laird, county councillor, is spoken of by many Reformers.

Mr. Josiah Ballman, of Wilnot, has sold his farm and retired to Berlin.

Walter Kress, of Doon, has been committed for trial on a charge of rape.

Hon. John Charlton, who for many years was an M. P. for Simcoe county, has retired from politics.

Stratford's population is now 13,841.

A Galt woman came nearly having her purse, containing \$21, stolen in Preston the other day. She was in the street car about to leave for Berlin and beside her sat two tough looking characters. She moved away from them and unthinkingly left her purse on the window sill. Later she remembered having left her purse on the window sill. Later she remembered having left it there, but by that time the pair had disappeared. So had the purse. Going to the platform she saw the pair hastily getting into another car which was leaving for the De-Motte and Kress Hotels. She followed them and demanded her purse. At first they denied taking it, but when she told them that she had the police on their trail they handed it over having taken only a small amount of silver.

A Judicious Inquiry.

A well known travelling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine, whether it was wanted for a child or an adult, and if for a child they almost invariably recommended Chamberlain's Cough Remedy. The reason for this is that they know them to be safer from it and that it always cures. There is not the least danger in giving it, and for coughs, colds and croup it is unsurpassed. For sale by A. J. Saunders, Galt, Wellesley.
