ST. CLEMENTS.
At the regular meeting of the local branch of C. M. B. A. the officers who will manage the business of the local branch for the year of 1905, were elected as follows:
President—Joseph E. Meyer
Vice President—Louis Bolsinger
2nd Vice President—Ambrose Esbaugh
Recording Secretary—V. Herio
Assistant sec.—Albert Bopppe.
Financial sec.—John G. Weber
Treasurer—John Bogel
Marshal—Edward Broedel
Guard—Joseph Mattell
Trustees—Joseph Mattell, Ambrose Esbaugh, John Weber, John Meyer, and Jacob Kuntz.
Nomination and election of officers of the local C. O. F. branch will take place on Saturday evening of having in its midst two Fraternal Societies which are in a most flourishing condition, being able to count some 125 members of insurance in the two branches. Life insurance has often proved to be the salvation of many a widow whose husband has been called to eternity and every person should make it a point in our opinion to be insured especially young men who can thereby put adds a nice savings and which would inconvenience none as the amount paid is only a trifle considering the life

risk the Companies take the responsibility of.
Mr. Joseph Hirtzel, of St. Clements, has sold his residence opposite Meyers blacksmith shop to Joseph E. Dorsch for a handsome figure. The buyer is to take possession in February.
Mr. Michael Brenner intends to vacate the farm recently sold to Mr. Henry Koebel this week. A pleasant evening was spent at his home by the young people of St. Clements a few days ago.
Mr. Henry Ran a young man living about 2 1/2 miles north west of St. Clements is laid up with an attack of pneumonia. We hope his recovery will be speedy.

A big improvement has been made at the local saw mill in what is now known as the elevated railroad running in a circle from Ratz's saw mill to Holm's shoe store. Through this lumber and other material can be removed from the saw mill on hand cars to its local destination making it much more convenient and being right in line with the many other improvements already made by its proprietor, Mr. H. E. Ratz.
Mr. Peter Dietrich living two miles south west of St. Clements has purchased the residence and harness shop owned by Mr. H. E. Ratz and until lately occupied by Mr. Ed. Foerster. He contemplates making improvements on same and expects to take possession next spring.

EDITORIAL NOTES.

Provincial election candidates are being chosen by both sides, all over Ontario these days, and according to the reports sent to the big party organs, every one of them is sure to win.

The great World's Fair at St. Louis is now closed and its visitors are now home again trying to earn money enough to take in the next one.

The *Milford Gazette*, in a neatly written sarcasm, shows a way to win Dominion elections which is far ahead of the clumsy trick ballot methods, etc., which are now being talked about so much. The *Gazette's* plan is to write a number on the ballot in polling places where the other side has a strong majority. Of course the deputy returning officer can afterwards express all kinds of regret at the "mistake" he made, but the Judge will throw the numbered ballots out all the same and, presto, your man gets in. No corruption courts, no skipping out of the country, no purifying the jury, not even any barnacles necessary. It's a great scheme!

Rev. Mr. Williams, of Stratford, has been chosen Bishop of the Diocese of Huron to fill the vacancy caused by the recent death of Bishop Baldwin. The new Bishop has long been a prominent minister in the Church of England and his exaltation is not only an honor to himself but also a strength to the church.

The popular idea that the Provincial elections should not be brought on to disturb the Christmas holidays is a good one and it is to be hoped it will be observed. In fact the holding of public elections of any kind at that season of the year may be said to be out of place. It has so long been the custom to hold municipal elections at that time of the year that the public has become accustomed to it and submit from habit. But it is not the end of the municipal business year, and the incoming council invariably has to finish up the business of the preceding year. Thus it is that the ratepayers are every year compelled to pay for what is practically twice printing the audit of the municipalities.

The slogan of the Tories, since the convention, is "Rous mit 'em!"

The establishment of a bank which remains open all night is the latest innovation in some of our larger cities. This will be a great convenience to business men who are in the habit of sitting in to a little game in the wee' sma' hours and require an extra supply of chips.

North Waterloo Liberals are jumping into the present campaign as if they intend to win. Their organization is being perfected from the riding officials right down to the polling-subdivision committees. If they get the boys working in harmony all along the line, and bring out the right candidate, there will be a right royal battle in this riding, and Dr. Lackner will have to scorch all the way.

If there is to be a municipal contest in Wellesley township this year, the *Maple Leaf* again suggests that the candidates hold a series of evening meetings throughout the township between the nomination and election days. These meetings would have an excellent result in giving the ratepayers information as to the work done by the retiring council and that proposed for the

new year. At these meetings, too, the electors could give their opinion as to what line should be pursued by the Board, thus keeping the council and the people more in touch with each other during the year. Another good result would come from the fact that the public would have an opportunity to "size up" the candidates and get personally acquainted with them. This would stop much of the objectionable "plumping" which is getting too general in Wellesley of late years for the public good. The experiment is well worth trying and if there is to be a contest this January arrangements for the series of meetings could easily be made on nomination day.

An Emergency Medicine.

For sprains, bruises, burns, scalds and similar injuries, there is nothing so good as Chamberlain's Pain Balm. It soothes the wound and not only gives instant relief from pain, but causes the parts to heal in about one third the time required by the usual treatment. As an antiseptic all danger from blood poisoning is avoided. For sale by A. J. Saunders, druggist, Wellesley.

Maple Leaf Prize

The first 100 who renew their *Maple Leaf* subscription for next year—75 cents cash—will receive free as a premium, Hicks' Almanac for 1905, as soon as the book is issued.

What's the Price To-Day?

The farmer who already knows the market prices for grain and produce need fear no combination of buyers when he goes to market.

How often the buyers "get together" on prices every farmer knows.

How often has a farmer sold his grain in one town for a couple of cents less than the buyers were paying in a neighboring market?

It pays to keep posted on the markets.

The *Toronto Daily Star* has the best market reports of any city paper. It has men who do nothing else but study the markets—who give it all their time and attention, and you can get all this information in the *Star* every weekday for a year and your own local paper as well for \$2.20.

If you save a cent a bushel on only two loads of grain by knowing the prices it will about pay the price, won't it? Besides think of being in touch with the world's news every day.

Subscribe direct to the *Star* or through the office of this paper. Both the *Daily Star* and this paper for \$2.20.

A Certain Cure for Croup.
When a child shows symptoms of croup there is no time to experiment with new remedies, no matter how highly they may be recommended. There is one preparation that can always be depended upon. It has been in use for many years and has never been known to fail, viz. Chamberlain's Cough Remedy. Give it and a quick cure is sure to follow. Mr. M. F. Compton of Market, Texas, says of it, "I have used Chamberlain's Cough Remedy in severe cases of croup with my children, can thankfully say it gives prompt relief. For sale by A. J.
