When a child shows symptoms of croup there is no time to experiment with new remedies, no matter how highly they may be recommended. There is one preparation that can always be depended upon. It has been in use for many years and has never been known to fail, viz: Chamberlain's Cough Remedy. Give it and a quick cure is sure to follow. Mr. M. F. EDITORIAL NOTES.

Mr. Pattinson, of Preston, has been chosen as the Conservative candidate in South Waterloo to take the place of Mr. W. Kribs, M. P. P., who has retired.

The recent destruction of all the Russian war vessels in the harbor has completely changed the nature of Japan's attack on Port Arthur. The present policy is to invest the fortress until the Russians are starved out. The two immense armies facing each other near Mukden are inactive at present on account of the cold weather.

Berlin is beginning to get busy in the matter of the Wellesley extension of the trolley line. A coterie of energetic men in the County town have faithfully worked for this scheme from the beginning but they have scarcely been able to overcome the lethargy which has been nearly fatal to the proposed railway. They have, however, stirred the Board of Trade into some action. The G., P. and H. railway magnates have been quite active in completing their line to Waterloo and Contractor McDonald expects to have the subway finished and the road open for traffic in January. The Hogg property, north of the distillery in Waterloo has been purchased on which to erect station and freight buildings, and so far there is evidence of intention to build the road on to Wellesley in accordance with the bonuses voted last winter. But there is nothing assured and it seems utterly impossible to elicit positive information. But the C. P. R. is evidently anxious to build a new steam road from the Guelph-Goderich line at Hawkesville and extending south-west through Wellesley village to Stratford next summer. If bonuses for this purpose are asked from Wellesley, the people of this section will be interested only in getting one good shipping outlet to the seaboard, with little care whether it leads through Berlin or not, and as the C. P. R. owns both charters it will be easy for them to arrange satisfactorily with the municipality with regards to paying two bonuses. This state of affairs places Berlin face to face with a probable hard fight to secure the trolley extension and much depends upon the motto shown by the bounty town when it at last becomes roused to battle.

The following is given as the proper way to dress poultry in order to get the highest prices: Starve fowl six hours before killing; kill by bleeding at the mouth; dry pick while warm; leave heads on chickens and turkeys, take them off ducks and geese; leave the entrails in; hang up till quite cold.

Stratford should ask the G. T. R. for permission to encourage the construction of the Hawkesville branch so as to begin booming it soon—if they dare.

The Guelph fat stock show is getting more popular every year, the attendance this season being representative of almost every part of Ontario, while many came from the United States to get pointers from what is becoming one of the greatest Stock shows in the world. The manner of conducting this exhibition should be an object lesson to the numerous fall shows in the Province. The prize lists are prepared on scientific principles, with a view of bringing out the best specimens rather than to cater to some member who breeds some particular variety; the judging is in the hands of the highest experts and the awards are made on true

merit, uninfluenced by who the owner is or where he lives. Then lectures are given and essays published on subjects relating to breeding and feeding which are of great value to stock raisers, thus making the show of practical use and benefit to the general public. Due attention is given to entertainment, but the merits of the exhibits are kept to the front as the "gate" attraction, and there is no evidence of the common practice to attract patronage through circus and horseracing methods. The modern, successful, fall show will have brainy, energetic, up-to-date directors who will forget that there are individual members to fear and who will be as careful in preparing the prize list, selecting judges and adopting methods as average director of the past has been to vote for "economy" and to display his badge on Show day.

At last the dogs of war have been let loose! Provincial elections Jan. 25.

Mrs. Schmidt, of O'Neil, Neb., is at present on a visit to her mother, Mrs. H. Thamer, in this village. Mrs. Schmidt, (nee Miss Mary Paul) spent her childhood here and has still many friends in the village to welcome her after her absence of nineteen years. She will remain until after the holidays.

Grip Quickly Knocked Out.

Some weeks ago during the severe winter weather both my wife and myself contracted severe colds which speedily developed into the worst kind of the grippe with all its miserable symptoms," says Mr. J. B. Eggleston of Maple Landing, Iowa. "Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, aiding the same with a dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip."

It is a good plan to take a dose of the Tablets when you have a cold. They promote a healthy action of the bowels, liver and kidneys which is always beneficial when the system is congested by a cold or an attack of the grip. For sale by A. J. Saunders, druggist, Wellesley.

Must Be Quick.
 Pains in the stomach and attack of colic come on so suddenly and are so extremely painful that immediate relief must be obtained. There is no necessity of sending for a doctor in such cases if a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy is at hand. No doctor can prescribe a better medicine. For sale by A. J. Saunders, druggist, Wellesley.

LIBERAL CONVENTION.

The Liberals of North Waterloo held their convention in the town hall, Waterloo, on Tuesday, Dec. 13th. There were about 200 delegates present. Mr. Geo. Moore, of Waterloo, was the unanimous choice as standard bearer in the coming Provincial elections, about fifteen being nominated but all retiring in his favor. Mr. B. Y. Hat, of Linwood, was elected President of the North Waterloo Liberal Association with Messrs. Hugh McCulloch and Henry Hosteler vice-presidents for Wellesley township. The Provincial elections will be held on Jan. 25th, the nominations being on the 18th.

THE ALBION HOTEL CHANGE.

After conducting the business of the Albion hotel in this village for the past eighteen years, Mr. John Mayer gave up possession to the new proprietor on Monday and moved his family to New Hamburg the same afternoon, where he has rented a house and will remain for the winter. Mr. Mayer has built up a very successful business and during his stay here gained the confidence and respect not only of this village and the large surrounding district but of the travelling public of Western Ontario. The removal of this gentleman and his estimable wife and family causes an expression of keen sorrow here and all join in wishing them every prosperity.

Mr. Harry Krentz leser, the new purchaser of the Albion, has been in the hotel business here for a long time and is a very popular young man who has every qualification for keeping this fine hotel up to its present high standard.

BOARD OF HEALTH.

To the Municipal Council of the Township of Wellesley:
 In submitting to you, our report of the Board of Health for the year 1904, it affords me great pleasure to present to you the clearest bill of health it has been my privilege of doing so since assuming the position of M. H. O. of your township. The only serious outbreak of contagious or infectious disease was in a family south of St. Clements. One of the sons arrived home about Christmas to visit his parents and shortly afterwards was taken down with small pox. The disease ran a fairly mild course but four others contracted the disease, the only one to escape being those who were previously successfully vaccinated. The attending physician refused to attend the cases as your Board took them in hand and looked after them till all recovered, and then had the house thoroughly disinfected. Besides this little or nothing to report, with the exception of referring to the good work done by Mr. Greenwood in inspecting diseased meat and destroying diseased animals. I have the honor to be your obedient servant,
 D. McEachern, M. D., M. H. O.

BAMBERG.

BECHER-HIESBICH.—A pretty wedding was celebrated at the home of Mr. and Mrs. John Henrich on Wednesday, Nov. 30th, at 3 o'clock in the afternoon when their youngest daughter, Emma, became the wife of Mr. George Bechner, of Tavistock. Rev. Mr. Petchko, of the Lutheran Church, was the officiating clergyman and the ceremony took place in the parlor which was nicely decorated with chrysanthemums. About 60 guests from Berlin, Tavistock and Bamberg were present. The bride was attired in white Irish lawn with trimmings of embroidered chiffon. Valenciennes insertion and baby Valenciennes insertion complete her toilet. She wore white roses in her hair and also held a bouquet of white roses. Miss Adeline Scholl, of Milverton, was bridesmaid, and Mr. Johnny Henrich, brother of the bride, assisted the groom. The presents were pretty and useful. Mr. and Mrs. Beckner will reside in Tavistock.
