HAMBURG.

Miss Fisher, from Wallace, is visiting at her aunt, Mrs. J. Kaufmann.

Mr. E. Moser is working at Waterloo in a shoe factory.

Mr. E. Ritter is at Emira taking up the Baking trade.

Mr. J. Winkler is again at his old stand in Bamberg.

Mr. Mike Moser is at home now.

Mr. Raymond Hinsberger was under the parental roof over Sunday.

Mr. August Kieswetter and Mr. Chas. Meier are spending a few days at Georgetown visiting the latter's father.

Mr. Joe Wachter, our local farmer is doing a raking business these days.

Mr. Ed. Kaufmann was nursing a sick cow last week.

Mr. Leo Kieswetter is laid up with a cold on his hand.

We read an item in the Maple Leaf some time ago that the surveyors were working on the proposed Electric road west of Waterloo we have strained our eyes ever since looking for them until lately we gave it up in despair for we did not see it. This conclusion, they must have got a little too near Sun fish lake and slipped and fallen in and drowned and with them the Electric road.

SHAKESPEARE.

COUNTY COUNCIL NOMINATIONS.
The nominations for Division No. 3, Perth county were held here on Monday. Mr. J. D. Fischer, of Amulree, the nominating officer, presided. The attendance was quite large and the electors showed great interest in the proceeding and especially in the speaking. Mr. Alex. McDonald, the retiring councillor, having sold his farm in North Easthope. Had he been in a position to remain in the field the election would, no doubt, have been by acclamation, but as it is there promises to be a lively "scrap". The following were nominated: Philip Herold, of Tavistock; by Messrs. Vogt and Kaufman.

Jas. McCallum, of Clachan, by Messrs. Jos. McMillan and John Hamilton.

Peter McDonald, Hampstead, by Reeve Cook and Councillor Hastings.

William Crerar, by Messrs. Geo. Hyde and David Nairn.

Duncan Stewart, Hampstead, by Messrs. James Smith and John Bell.

County Councillor Herold opened the speaking, giving an account of the work done during the past term.

County Councillor McDonald followed along the same lines. As he had sold his farm he would not be a candidate.

Messrs. McCallum, Crerar and Stewart followed, each asking the support of the electors for the position.

Mr. Peter McDonald was not present, but he has stated to the large number who have been pressing him to stand, that he will remain in the field.

Reeve Cook and Councillor Fraser, of North Easthope, have each been urged to stand for the office of councillor, since the vacancy occurred, but neither felt like taking upon themselves this responsibility so at present there does not seem much probability of anything like a stir in municipal politics in North Easthope this year.

LINWOOD.

Mrs. Bert. Fish arrived on Thursday. She is visiting Mrs. L. Glue's William St.

Mr. R. Y. Fish has been elected president of the Liberal Association of North Waterloo.

Mrs. Stahl's many friends in Linwood were taken completely by surprise when they heard of her marriage to Mr. Shaefer of Heidelberg last Sunday.

Mr. Herbert Lackner and Levi Stauffer, of Waterloo, were in town on Saturday.

Saturday was the G. and G. Ry. payday.

Mr. W. Flach has been suffering with pleurisy; he is improving nicely.

Mr. J. Stewart was in Listowel on Thursday.

Little Ester Berlet is ill with inflammation of the lungs.

An entertainment is to be held this week on Wednesday night. A good program is prepared and everything promises well for a very successful evening.

The Public School concert last Thursday night was a great success. The hall was filled right to the doors and some even were unable to get in. The program was a good one and well rendered. Bert Loyes of Berlin, became a great favorite with the audience. "The School for Scandle" was impersonated by some of the elder pupils. Miss McAllister, of Hawkesville, gave a splendid recitation. The school children contributed their part of the program in a very efficient manner and Mr. Edmonds and Miss Lackner ought certainly to be congratulated on the result of their training. The proceeds amounted to about \$33.

HAWKESVILLE.

Miss Edgar, from Crosswell, Mich., is the guest of the Misses McAllister.

Miss Elmeta Shelly has returned from a few weeks visit to her sister, Mrs. F. Snyder.

Mr. Sidney Snyder and Mr. Chas. Edford, of Bloomingsdale, called on friends here on Sunday.

Mrs. E. L. Rice received a telegram to-day notifying her of the death of her grandfather. She left for Luan to attend the funeral.

Rev. Mr. McNeil, of New York, occupied the Presbyterian pulpit on Sunday morning. He delivered a very interesting and good sermon but it was too short.

Mrs. Hiker and Mrs. Storey left on Tuesday for Shandawe.

Quite a few young folks from here attended the Public School Entertainments at Linwood and at the Brickwork School.

Grip Quickly Knocked Out.

Some weeks ago during the severe winter weather both my wife and myself contracted severe colds which speedily developed into the worst kind of a gripe with all its miserable symptoms," says Mr. J. S. Edleston of Mapleland, Iowa.

"Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, adding the same with a dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip."

It is a good plan to take a dose of the Tablets when you have a cold. They promote a healthy action of the bowels, liver and kidneys which is always beneficial when the system is congested by a cold or an attack of the grip. For sale by A. J. Saunders, druggist, Wellesley.

EDITORIAL NOTES.

This cold weather may put mill-crobes out of business, but it increases the demand for every other kind of robes.

North Waterloo Conservatives and South Waterloo Reformers have not yet nominated their candidates for the provincial elections. There is no doubt that Dr. Lachner will again be the choice in the north, while Mayor Mundy, of Galt, is strongly urged for the south.

The Berlin beet sugar people are holding meetings in Waterloo county at points from which the factory can easily be reached, giving valuable information to beet raisers. The factory has been quite successful this season although not yet run nearly up to its full capacity.

THE HOSPITAL FOR SICK CHILDREN

For it Cares for Every Sick Child in Ontario whose Parents Cannot Afford to Pay For Treatment.

The Hospital for Sick Children, College street, Toronto, appeals to the fathers and mothers of Ontario for funds to maintain the thousand sick children that it nurses within its walls every year.

The Hospital is not a local institution—but Provincial. The sick child from any place in Ontario who can't afford to pay has the same privileges as the child living in Toronto and is treated free.

The Hospital had last year in its beds and cots 761 patients. 267 of these were from 186 places outside of Toronto. The cost is 93 cents per patient per day, and there were 129 sick little ones a day in the Hospital.

Since its foundation the Hospital has treated 10,371 children—about 7,500 of these were unable to pay and were treated free.

Every dollar may be the translator of your kind thoughts into the Hospital kind deeds.

Everybody's dollar may be the Friend in Need to Somebody's child. Let the money of the strong be mercy to the weak. The Hospital pays out dividends of health and happiness to suffering children, on every dollar that is paid by the friends of little children.

If you know of any sick child in your neighborhood who is sick or crippled or has club-foot send the parent the name to the Hospital.

See the example of what can be done for club-foot children. There were 15 like cases last year and but 22 in 22 years.

Please send contributions to J. Ross Robertson, Chairman, or to Douglas Davidson, Sec. Treas., of The Hospital for Sick Children, College Street, Toronto.

NO PAPER NEXT WEEK.

AMULREE.

The Maple Leaf takes its usual Christmas holiday next week so no paper will be issued. Should necessity arise however a special will be sent out on Thursday. The office will be open as usual and those who wish to pay back subscriptions, or renew for next year, will be welcomed.

Considerable quantities of wood are being brought to town these days, although the price has fallen somewhat.

The Christmas tree entertainment of the Miss Lutheran club will be held on Saturday evening next, 24th inst.

A Christmas Sabbath School service will be held in the Can. Lutheran church in this village on Sunday evening next.

There is no other New Year smile so happy as that worn by the man whose Maple Leaf label reads "Jan 66". Try it.

A bright girl baby came to gladden the home of Mr. and Mrs. Wm. Dingwall, in this village, on Wednesday last. All are doing well.

There is a pleasure in reading the Maple Leaf that is paid a year ahead of which the way-back-bohind subscriber is in unhappy ignorance.

County-Councillors Walter, of Bamberg, and Fischer, of Waterloo, were re-elected by acclamation at the nomination meeting held in St. Clements last Monday.

Miss Fraser, of London, has secured the position as teacher in the Wellesley public school made vacant by the resignation of Miss Manthe. Her duties begin at New Years.

The municipal nominations of Wellesley township will be held at Crosshill on Monday next. It is always uncertain as to what will happen at this meeting but present indications are that there will be no contest and that the old board will be returned by acclamation.

Mr. Jas. Kerr, Principal of the Wellesley public school was called to his parents' home near Millbank on Monday morning by a telephone message announcing the critical illness of his mother, who passed away about nine o'clock that same evening. Deceased was one of the pioneers of Mornington, having resided there for about half a century. She leaves a family of six children; Wm. H., at home; Mrs. Wm. Watt, Monitche; Mary at home; Jas. Wellesley; Mrs. Ashley, Chicago; Mrs. D. C. Beggs, Linwood. The funeral occurs today, the interment being in the Presbyterian cemetery at Millbank.

WELLESLEY COUNCIL.
The regular closing meeting of the Wellesley council was held on Dec. 18th. A large number of accounts were ordered paid in closing up the year's business (as will be seen by the Reeve and Treasurer's statement at the nomination meeting), and a by-law was passed providing polling places and deputy returning officers in case of an election.

COUNTY COUNCIL.
The Waterloo County Council nominations were held on Monday with the following results. It will be noticed that quite a number of the old members are returned by acclamation.

Berlin—D. Hibner and G. Debus, by acclamation.

Galt—Geo. Laird and Dr. Redford, by acclamation.

Waterloo township—F. Sbaofor and Dr. Ochs, by acclamation.

Wellesley—F. Walter and J. Fisher by acclamation.

Wilmot—W. R. Plum, Jacob Hallman, J. Weber, J. Myster.

Dumfries—S. J. Cherry, J. Mc Donald, J. Shiel, J. L. Robson.

The death of Mr. Henry Glasser occurred at the home of his son-in-law, Concilio Koeb, on Monday morning last, in his 75th year. He was a retired farmer and had spent many years of his life in Wilmot and North Easthope. The funeral takes place at 10 o'clock this (Thursday) morning, the interment being in the Gads Hill cemetery.

Quite a number from this neighborhood attended the county council nominations at Shakespeare on Monday. As no members of the township council were placed in nomination for county honors our municipal elections are likely to go by acclamation.

The snowfall of the early part of the week has made the sleighing excellent hereabouts.

Wednesday, Dec. 21st.—By telephone from Amulree at noon today we learn that Mr. Duncan Stewart has retired from the contest and that the others will remain in the field.—Ed. LEAF.
