Provincial Elections

To the Electors of the North
Riding of Waterloo:

Having been nominated as the
Liberal Candidate for North Water-
loo in the pending provincial elec-
tions, I respectfully ask your votes
and support in the election.

I elected I shall consider it my
duty to do all in my power to ad-
vance the interests of the people of
North Waterloo, both in the house
and in the constituency.

Having large manufacturing and
business interests in the Towns of
Berlin and Waterloo, as well as
agricultural interests in the con-
stituency, I may fairly claim to be
in a good position to represent all
classes of the voters.

While I shall be prepared to give
a general support in the House to
the present Liberal Government, I
shall feel bound to consider all
questions before the House, upon
their merits, and shall be guided
by my own independent judgment
in all matters, rather than by party
ties.

Trusting that I shall receive your
generous support and that I shall
have the honor of representing you
in the next Legislative Assembly.

I am,
Yours very truly,

GEORGE MOORE

LINWOOD.

The St. Jacobs correspondent for-
got to mention the fact that the as-
sociated press correspondent while
straining over the boards to get
down the names of the killed in the
horrible combat of Friday Jan. 6th
was seized with a terrible inward
depression which made him eat a
tremendously large supper that
night. It is to be hoped that more
harrowing details of that awful
conflict will not arise into the vivid
recollection of the St. Jacobs boys
in the future or else the sad story
of the fall of Troy will be eclipsed.

The Linwood "Panthers" were
let loose again at 3.30 on Friday
afternoon. As soon as the end
boards were pulled away they rushed
upon their prey and the spec-
tators held their breath until the
"blood be-spattered arena" ("horres-
ous reference") was cleared. From
start to finish the game was a swift
one.

The Wellesley team played a
splendid game. They did not ex-
pect to be handled with velvet
gloves nor did they look for the lus-
trous shine of patent leather about
the Linwood hockey skates and as
they had not calculated on seeing
the "Panthers" enjoying them-
selves under the protection of tall
silk hats they were well pleased
with the usage they received. The
people of Linwood were well pleas-
ed with the gentlemanly behaviour
of the Wellesley men and as well
the kind of hockey Wellesley plays
we hope to see an even faster game
at the carnival here this coming
Friday. The Linwood team was
weakened by the absence of Rennie
and Captain Stewart. Their places
were taken by Charlie Parsill and
Keefe. Mr. Keefe was unfortu-
nately severely cut over the eye
about half-time and taking every-
thing into consideration there was
no surprise manifested when at the
end a score of 6-4 in favor of Wel-
lesley was announced. Two Lin-
wood goal keeper put in some excel-
lent work. His place was a warm
one as the Wellesley boys are excel-
lent shots. Hittler played with his
accustomed skill and dexterity.
The game was so fast and the ex-
citement so intense that some of
the best playing was done before
your correspondent could even
think of a name to credit it to.

The "Panthers" showed no abate-
ment of their former vigor when

the boys of a neighboring vil-
lage fell before the rush of steel
into the snow banks which they im-
agined lay before them, or sought
to embosom their curly heads on
the breasts of Linwood merchants
who felt sorry for their many and
various troubles.

We regret very much the entirely
personal and uncomplimentary re-
ferences which were made to Mr. T.
Gohle, B. A., of Guelph, who so
satisfactorily refereed the game on
the day when the chivalry of an-
other town was so grossly insulted.

The "Linwood merchant" had
recovered it once and ate a
supper nearly as large as that con-
sumed by the press dip-tcher and
all he hopes is that he will someday
have a boy who will be able to teach
the boys of other towns to move
briskly along good ice without col-
liding with the boards and embrac-
ing friends so publicly.

Don't forget to remember the
Grand Carnival on Friday afternoon
and evening. All West Waterloo
ought to be represented. Either
come or send a friend to gaze at the
blood thirsty "Panthers".

HAWKESVILLE.

Mrs. R. H. More and Miss Laura
Lackner spent a few days with
friends in Bloomington last week.
Miss Sadie Abrams and Elsie
Shelley spent last Wednesday in
Berlin.

Quite a number from the village
attended the house-warming given
by Mr. Herb. Lackner last Friday
afternoon.

Several of the young people from
here attended the cantata. "The
Happiest Land," given in the E. M.
S. Hall, Elmira, last Friday night.
It was very well rendered and much
enjoyed by all.

On Saturday evening some of the
young folk took advantage of the
fine sleighing by driving up to Lin-
wood where they spent an enjoyable
evening at the rink, in spite of the
ice being slightly undulating. We
hope the boys will further show
their good nature by calling round
with a sleigh en route for the
Carnival, Friday night.

The sound of wedding bells is
heard.

Anniversary services will be held
in the Presbyterian church on Sun-
day (22nd) at 11 a. m. and 7 p. m.
Rev. J. Mond, of Glenallen, will
conduct the services.

South Waterloo.

PROVINCIAL ELECTIONS.

To the Electors:

Having been nominated as the
Liberal Conservative Candidate in
the coming election I respectfully
solicit your vote and influence. If
elected my best efforts will be di-
rected to securing legislation which
will tend to purify politics and ad-
vance the interests and prosperity
of the South Riding of Waterloo
and the Province generally.

Faithfully Yours,
GEO. PATTINSON.

Mr. Herbert Schlegel, Miss Mary
Lippis and Miss Clara Gorth were
visiting at Mr. Enoch Moser's on
Sunday.

NOT A TANNERY.

Mr. Editor.—Your Bamberg cor-
respondent in a recent of the "Leaf" that
Mr. Jos. Waechter had rented the
Bamberg brewery to start a tan-
nery. This is a mistake. It is rum-
ored, however, that a farmer living
not far from here whose cabbage
was eaten by cows one Sunday last
fall while he was away to church,
has rented the said brewery to start
a sauerkraut factory. Yours,

LISBON.

Although the weather is mostly
cold a breeze of hot air seems to
strike this community once in a
while but its only politics.

Quite a gang of Frenchmen are
canvassing this district heating tim-
ber. They report business brisk.
Owing to poor sleighing the brick
yard looks quite bare of wood as
yet.

Mrs. Viola Cook has returned to
home here after a sojourn with
friends in Michigan.

Miss John Becker is spending a
few days with her daughter, Mrs.
Henning, of Milverton, at present.

Easthope, spent Monday afternoon
at Mr. H. Hohl's.

Messrs. F. and E. Knies spent
Sunday with friends at Gadschill.

Messrs. Jno. Moser and J. Frey
made a business trip to Stratford
on Tuesday.

The political meeting, held in
Hohl's hall last Friday evening
drew out a full house. J. W. Green,
of the Maple Leaf, occupied the
chair and excellent addresses were
given by Messrs. Peino, of New
Hamburg, Torrance, the Conser-
vative candidate for North Perth,
and Pattinson, the standard bearer
for South Waterloo. The meeting
was quite enthusiastic and was
closed with the usual cheers.

HEIDELBERG.

ed out of the Great Western hotel
and will start the harness business
in Linwood. Mr. Venz, of New
Hamburg, the new proprietor, took
possession of it on the 17th of this
month.

Mr. Chas. Moser has sold his prop-
erty to Mr. Henry Mantz, of Bam-
berg.

Mr. Theo. Villmar, of Berlin

A skating carnival is to be held on the Linwood rink on the evening of Friday, Jan. 20th. This is the first event of the kind ever held off in the township and ought to draw a large crowd.

Farmers who have "snake" fence along the road in spots where the drifts and pitchblows have been bad in other winters, have a grand chance just now while the snow is not deep to experiment by throwing them down for a couple of months. The rails are easily lifted off and but a short time would be occupied in taking them down and replacing the rails in the spring again. Many bad spots in the road could be made good by this means, and the farmer would be justified in asking the council to pay for the labor of taking down and putting up the fence.

To the Electors:

I respectfully solicit your vote and support in the election to be held on the 25th inst. Legislation which tends to minimize corruption will receive my hearty support and I will give my earnest attention to the best interests of North Perth and the Province of Ontario.

Sincerely, yours

JAS. TORRANCE.

Chamberlain's Cough Remedy the Best Made.

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker, of Porterville, California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is so sure a preventive of pneumonia. No other is so pleasant to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by A. J. Saunders, druggist, Wellesley.

There 31 fire alarms in Berlin last year. The losses were \$90,000, nearly all of which was due to the great Rumpel shoe factory fire last March.

A pitiful story of a wife's faithfulness and a husband's meanness comes from Galt. A man named Trevitt, from London, was arrested and his wife went to the cells with him; they broke jail and only got a few miles when the police nearly captured them, he getting away by deserting his wife. She was arrested on a charge of jail-breaking but was set free. She is only nineteen years old.

While with the M. S. Army in the Philippines, I contracted chronic diarrhoea. The Hospital for Sick Children, College street, Toronto, appeals to the fathers and mothers of Ontario for funds to maintain the thousand sick children that it nurses within its walls every year.

The Hospital is not a local institution—but Provincial. The sick child from any place in Ontario who can't afford to pay has the same privileges as the child living in Toronto and is treated free. The Hospital had last year in its beds and cots 761 patients, 227 of them were from 194 places outside of Toronto. The cost is 25 cents per patient per day, and there were 126 sick little ones a day in the Hospital.

GOOD DAY, MOTHER. Since its foundation the Hospital has treated 10,371 children—about 7,500 of these were unable to pay and were treated free. Every dollar may be the translator of your kind thoughts into the Hospital kind deeds. Everybody's dollar may be the Friend in Need to Somebody's child. Let the money of the strong be mercy to the weak. The Hospital pays out dividends of health and happiness to suffering childhood on every dollar that is paid by the friends of little children. If you know of any sick child in your neighborhood who is sick or crippled or has club foot send the parent's name to the Hospital.

See the example of what can be done for club-foot children. There were 16 like cases last year and hundreds in 25 years.

Please send contributions to J. B. Robertson, Chairman, or to Douglas Davidson, Sec. Treas., of The Hospital for Sick Children, College Street, Toronto.
