**LINWOOD.**  
Mr. Philip Kreutzwieser formerly of Heidelberg and a man of enterprise and ability well known in this district for his strict integrity has opened up a new harness maker's shop on King St. near the Commercial Hotel. Mr. Kreutzwieser has purchased the entire stock of Mr. Chas. Sienter and that added to his own extensive stock equips him well and ably to meet the trade of this district. Mr. Kreutzwieser is a man of genial and obliging manners and is a skillful workman. We wish him every success in his new shop and predict a large business for him in Linwood. The town wants energetic business men and Mr. Kreutzwieser will certainly be a valuable acquisition.

Mr. James Boggs met with a serious accident on Saturday afternoon when he was kicked into a sleigh standing near by a horse belonging to Mr. James Birmingham, of Crosshill. Dr. McEachern was summoned at once and found that no bones were broken. He is doing nicely according to latest reports.

Rev. Mr. McNeil preached a very powerful and able sermon in the Presbyterian Church on Sunday night.

Mr. W. O. Bandy spent Sunday in Berlin.

Mr. T. Ruggie spent Sunday in Florida.

Mr. Rowe is very well pleased over the result of the election. Linwood gave Dr. Lackner a majority of 16 which is a gain of 21 at this poll. Mr. S. Lentic probably the oldest voter in Ontario turned out in spite of Wednesday's storm to record his vote for the Conservative Candidate. On Thursday night a lurid mass of flames shot up from the middle of King St. square in honor of the victory of the Whitney government. Many hearty cheers mingled with the smoke and flames on their upward career.

The flag of freedom and justice floated over a hard fought battle in the John St. rink on Thursday afternoon when the Panthers were defeated by a score of 2-0 by the stirring lads of St. Jacobs. A return match is to be played soon we understand. "God save the King"—and the referee.

Messrs. Hamilton, Selp and Cathcart journeyed to Atwood on Wednesday to attend the meeting of the shareholders of the Western Ontario Consolidated Portland Cement Co., of that village. We understand that the meeting was a very satisfactory one notwithstanding the raging of the elements and the excitement of the election.

A meeting was held in Spahr's hall on Friday night to organize a literary and debating society. The meeting was characterized by a genuine enthusiasm which was certainly deserving of a better night and a better crowd. The members of the Public Library Board for the year will be: Dr. McEachern, V. R. Berlet, R. B. Hamilton, A. B. McBrat, F. B. Edmunds and T. J. Ruggie, with C. Heinbuch as librarian. The committee meets Monday night to elect officers. The literary society was fully organized with the following officers:

Pres. and chairman of com.—F. B. Edmunds.  
Sec.—Miss E. A. Lackner.  
Treas.—Mr. A. C. McBride.  
Committee.—R. J. Kerr, C. Keefe, T. Goldie, Miss A. Goetz, Miss D. Berlet and Mrs. (Dr.) McEachern.  
A spirited debate will be held on Friday night, Feb. 10. The subject will be "Resolved that capital punishment should be abolished."

Affirmative, F. B. Edmunds and T. Goldie, B. A. Negative, D. McEachern, M. D., and C. Keefe, C. E. The enterprising committee will provide a literary program in addition to the above debate. The admission will be only 5 cents. The doors to be open at 7.30.

Steps have been taken to arrange for the acquisition either by purchase or gift of the Lutheran Church for use as a town hall. The committee elected to investigate and report on this matter were as follows: Dr. McEachern, V. R. Berlet, T. Ruggie, C. Heinbuch.

The merchants have entered into an agreement, to take effect on Friday of this week, to close all stores at six o'clock, sharp, on Tuesday and Friday evenings of each week. Those residing in the country will do well to note this change and thereby save themselves much inconvenience and vexation, as no store will be open on those evenings.

Miss Minnie Cathcart spent Sunday with her friend, Miss Edythe Bomer, in Berlin.

Miss Edna McKay returned from a visit to Harrison on Saturday.

A party from Elmira drove down to try our rink last Saturday evening. The ice was splendid and they enjoyed themselves thoroughly.

## ST. CLEMENTS.

Joseph Beland, a Frenchman, of Sillery, Quebec, in the employ of Wilson Bros., Woodstock, timbermen met death by accident here on Saturday the 28th inst. He with one of his fellow workmen had just cut down a tree in the bush where they have lately been engaged when in some unaccountable way unseen by anyone he was struck on the head by what is supposed to have been a stray limb. The blow was a heavy one as the condition of the deceased's head showed. He was speedily taken to rooms in the Royal hotel here where after being unconscious 3 hours he passed into eternity, medical aid being of no avail. The event has cast a deep gloom over the village as in his 2 months stay here the deceased as a quiet and peaceable citizen has made himself liked and respected by all who knew him. The remains were taken by train to his home in Quebec province on Monday. The deceased's fellow workmen resumed work on Tuesday.

Following close upon the before unmet and event came the news of the death of one just entering young womanhood, Miss Marie Elizabeth Kuntz in her 19th year. The deceased was the oldest daughter of David Kuntz living one mile south of St. Clements. She had been ill for some 4 weeks laid up with that dreadful disease Typhoid Fever and for some time past little hope was entertained for her recovery. Death came on Sunday evening at 11 o'clock. The funeral took place on Thursday Feb. 2nd to the local R. C. cemetery attended by a large concourse of friends. We extend to the parents and friends our profound sympathy in their untimely bereavement.

The local saw-mill yard is being rapidly filled up with logs from farmers within a radius of 8 miles. A big supply of heading wood has also found its way to the yards and as present indications are that mill work will be kept busy all summer in working up the material received.

This district is enjoying, at the present time a winter the condition of which are all that can be hoped for. Sleighing is in good

condition, the winter generally being all that can be desired. Sleighing parties among the young people here are quite frequent as it is really hard to resist one of good old winter's enjoyments.

Mr. A. Mettall spent Monday and Tuesday in Walkerton.

Mr. Frank Forwell, of Chicago, Ill., spent a few days with his parents and friends here.

Quite a few local hockey enthusiasts witnessed the Galt-Berlin hockey match at Galt on Tuesday.

The T. Ruggie Co., Linwood, are this month having a big 25 to 50 per cent. discount clearing sale of surplus winter goods, etc. See their circulars. Call early and avoid the rush.

## Startling But True.

People the world over were horrified on learning of the burning of a Chicago theater in which nearly six hundred people lost their lives, yet more than five times this number or over 3,000 people died from pneumonia in Chicago during the same year, with scarcely a passing notice. Every one of these cases of pneumonia resulted from a cold and could have been prevented by the timely use of Chamberlain's Cough Remedy. A great many who had every reason to fear pneumonia have ward off it off by the prompt use of this remedy. The following is an instance of this sort: "Too much cannot be said in favor of Chamberlain's Cough Remedy, and especially for colds and influenza. I know that it cured my daughter Laura of a severe cold, and I believe saved her life when she was threatened with pneumonia." W. D. Wilcox, Logan, New York. For sale by A. J. Saunders, druggist, Wellesley.

EDITORIAL NOTES.

"Raus mit 'em."

No protests entered so far, but several are threatened.

The Maple Leaf extends the glad hand to Mr. G. M. DeBus, of Berlin, the newly elected Warden of Waterloo county. He is a young man of force and ability, and well deserves his promotion.

Wellesley township is quite variable in its political vote. During the past eight years it has given 35 for Beagman and 35 against him; 125 for Breithaupt, and 8 for the same gentleman; and this time it gave 90 for Moore.

The local Liberals have just shown what good organization and hard work can do at an election. The Reform majority at the Wellesley poll two years ago was only 49; this time it was 127.

Mr. Whitney's address to his own electors at Morrieburg on the evening of the voting day had a ring about it of the right sort. Many of his political opponents, and some of his supporters, have been led to fear that he would make an inferior Premier, but his address shows that he grasps the reality of the position he is now in, and if he loads his government along the lines suggested in his address he will not only make for himself a great name, but give satisfaction to the Reformers and Conservatives who gave him the great victory. After thanking his constituency:

"He enlarged upon the necessity of party government and showed how the proper working of that system in England, partly succeeding party kept the political atmosphere pure. Coming to the great victory which his party had achieved, he said the overwhelming overturn was not a party victory. It was true it was a victory brought about by forces under leaders of the Conservative party, but it was a victory joined in and worked out by great numbers of Reformers. He was glad and proud of it. Thousands of Liberals had dared to stand up and battle for what was right. But Conservatives should not expect them to desert their party. It would not be for the welfare of the Province that Liberals forsaking their party should so deplete it as to render it unable to perform its part in the great machinery of party government. He hoped the Conservatives would not lower themselves by endeavoring to make an unworthy attempt to triumph over their opponents. He would do his best for clean, wholesome government, and hoped he would not prove unworthy of the confidence placed in him by Ontario."

For Party purposes many of his opponents said, both in the newspapers and on the rostrum that Whitney had no platform and was unpledged to any policy, but the fact remains that he is bound fast to much legislation which he must faithfully perform. He must deal with the ballot, the audit, the schools, the franchise, the license law, the timber, the mines, etc., along the lines he promised and for which purpose he was elected, or the people will throw him out as unceremoniously as his opponent went the other day.

If the Maple Leaf was publishing cartoons it would size up the situation by a picture representing Ontario as a matron with a thoroughly roused, angry expression on her face, and with her two little sons before her. Having warmly boxed Ross' ears, she turns to his brother and says: "Now, Whitney, you be very good, or you'll get the same; and, mind, I'm going to watch you!"

Stratford is now beginning to "monkey" with the C. P. R. Not satisfied with getting connection with that railroad the city officials seem to see a grand union station looming up if they only heeter the railway company long enough. The result of all this obstruction may be that the C. P. R. will drop their intention to tap Stratford for the

present and go on with their general scheme of Ontario development, leaving this small branch as a future consideration when they are not so busy. The railway company's plan to enter Stratford via the river bank looks to an outsider to be feasible and easy, and the chances are that if Stratford does not put obstacles in the way the road will be built at once, while temporizing on the part of Stratford may delay it indefinitely, to the Classic City's, great loss.

Afraid of Strong Medicines.

Many people suffer for years from rheumatic pains, and prefer to do so rather than take the strong medicines usually given for rheumatism not knowing that quick relief from pain may be had simply by applying Chamberlain's Pain Balm and without taking any medicine internally. Roy. Amos Parker, of Magnolia, North Carolina, suffered for eight years with a lame hip, due to severe rheumatic pains. He has been permanently cured by the free application of Chamberlain's Pain Balm. For sale by A. J. Saunders, druggist, Wellesley.

## FEED TO FATTEN

Steers are bought, raised, and fattened to make money: so just a few words as to how this profit can be made, and in many instances, increased. The increase in weight in steers, is due to the amount of food that is digested and assimilated, and the greater the amount digested and assimilated, the greater the increase in weight. In close confinement the feeding ration lacks the variety of the open field, therefore, the food must have the "salt, pepper and gravy" added; this is Clydesdale Stock Food. It stands to reason, that, like a human being, if the food is made more palatable by the addition of the "salt, pepper and gravy" it will eat more of the thing it likes because "it makes the mouth water." This is "wise feeding." Furthermore, it will do them more good because it not only helps to digest the food, but after it is digested, it helps the blood to take up or assimilate a large proportion of it. This is where the profit comes in by putting on extra weight, giving them a nice, fat, smooth finish that brings top market price. The feeding period can be shortened thirty days at least; this is money saved. The increase over and above the ordinary feeding increase is, easily ¼ of a lb and over per day. You can stop feeding Clydesdale Stock Food at any time without injurious effects. If you find you cannot feed Clydesdale Stock Food at a profit, your money will be cheerfully refunded by the dealer from whom you buy it. It is sold in your district by:

Mr. W. Kelterborn has inaugurated a February sale which promises to keep his staff busy. See his large advertisement where some of the special sale quotations are given.

Mrs. Greenwood, of Roseburg, Mich., is at present visiting her son, Dr. Greenwood, in this village. She has been away from Wellesley for about 17 years, but spent most of her life on the homestead, just east of the village.

Mr. Ed. Puffer, who has been employed at Koehler's tailor shop in this village for some time past, has purchased the stock and business of Moser's tailorship. Lisbon Posters will be out this week announcing the bargain sale he is holding.

Mr. Gorzelitz has sold his residence and large lot, on the north border, of this village, to Mr. John B. Schwartztruber, who is to get possession on April 1st. We understand Mr. G. intends to move to Detroit where his sons are engaged in business.

The German Medicine Company is giving entertainments in the Opera House, Wellesley every evening this week. The show is a decidedly good one. The performers are of a higher class of artists who give a program clean in language and skillfully entertaining. Crowded houses greet them every night, many of the best in the neighborhood being in the audiences. It is so often happens that these "medicine" troupes are of the "fake" order that the ladies and gentlemen of this company are greeted with special pleasure by the Wellesley public. A matinee will be given on Saturday afternoon so that the children will have an opportunity to see the large kennel of performers and witness the special children's program. The Company goes to Waterloo from here on Monday.

Mr. Chas. Ebeling, who has been visiting with his parents and relatives in this place and other parts of Ontario for the past month or so, started on Monday for Drayton, N. D., where he has been engaged in the tailoring business for several years past.

Don't forget to see the remnant counter at J. N. Zinkann's.

Logs and wood are being delivered in large quantities these days.

Messrs. P. and C. F. Ottmann, with their wives, spent Sunday the guests of Mr. and Mrs. D. Hammer, Wilmet.

It will pay you to keep Chamberlain's Colic, Cholera and Diarrhoea Remedy in your home. It costs only a quarter. Sold by A. J. Saunders, druggist, Wellesley.

Underwear, lumbermen's rubber-socks, overshoes and leather-lined mitts, from 15 to 25 c. below regular prices next week, at J. N. Zinkann's.

Mr. H. Dammon, of New Dundee brother-in-law of Mrs. Yent, Wellesley, died suddenly there last week. Several from here attended the funeral.

The official majority for Moore in Wellesley township was 90 in favor of 86 as printed last week. The error seems to have occurred in the Hawkesville poll.

**RAILWAY SURVEY.**

A large gang of railway surveyors, under the charge of Engineer Patton, have their headquarters in town at present while working in this vicinity. They started from Stratford a week or so ago and laid the route almost in a direct line to Wellesley. Crossing the concession at Mr. Zinn's, west of Amelroo, the line cuts the south-east corner of Mr. Chas. Wilhelm's, south of Hampstead, then through the back of the line of farms on the south side of the road between Hampstead and Lisbon crossing the road close to the latter village and reaching the river at the back of Mr. Baltzer's farm. The line will reach Wellesley to-day or to-morrow, probably coming close to the west side of the pond. The direction Mr. Patton will take from here is not known but the gang will likely continue, as nearly direct as possible, for Wallenstein, which would place the line some distance west of St. Clements and Hawkesville.

Chamberlain's Cough Remedy the Mother's Favorite.

The soothing and healing properties of this remedy, its pleasant taste and prompt and permanent cures have made it a favorite with people everywhere. It is especially prized by mothers of small children for colds, croup and whooping cough, as it always affords quick relief, and as it contains no opium or other harmful drug, it may be given as confidently to a baby as to an adult. For sale by A. J. Saunders, druggist, Wellesley.

The brewery has not yet been changed into either of those two other industries, and is likely to remain as at present.

**Startling But True.**

People the world over were horrified on learning of the burning of a Chicago theater in which nearly six hundred people lost their lives, yet more than five times this number or over 3,000 people died from pneumonia in Chicago during the same time with scarcely a passing notice. Every one of these cases of pneumonia resulted from a cold and could have been prevented by the timely use of Chamberlain's Cough Remedy. A great many who had every reason to fear pneumonia have waited it off by the prompt use of this remedy. The following is an instance of this sort: "Too much cannot be said in favor of Chamberlain's Cough Remedy, and especially for colds and influenza. I know that it cured my daughter Laura of a severe cold, and I believe saved her life when she was threatened with pneumonia." W. D. Wilcox, Logan, New York. For sale by A. J. Saunders, druggist, Wellesley.

## THE HOSPITAL FOR SICK CHILDREN

For It Cares for Every Sick Child in Ontario whose Parents Cannot Afford to Pay for Treatment.

The Hospital for Sick Children, College street, Toronto, appeals to the fathers and mothers of Ontario for funds to maintain the thousand sick children that it nurses within its walls every year.

"GOOD DAY, DOCTOR."

Since its foundation the Hospital has treated 10,371 children—about 7,500 of these were unable to pay and were treated free. Every dollar may be the instrument of your kind thoughts into the Hospital kind deeds.

Everybody's dollar may be the friend in need to Somebody's child.

Let the money of the strong be mercy to the weak. The Hospital pays out dividends of health and happiness to suffering childhood on every dollar that is paid by the friends of little children.

If you know of any sick child in your neighborhood who is sick or crippled or has club-foot send the parent's name to the Hospital.

"SEEK FIRST" See the example of what can be done for club-foot children. There were 14 like cases last year and but three in 25 years.

BEFORE AFTER

Please send contributions to J. Robertson, Chairman, or to Douglas David, Sec. Treas., of The Hospital for Sick Children, College Street, Toronto.

The Hospital is not a local institution—but Provincial. The sick child from any place in Ontario who can't afford to pay has the same privilege as the child living in Toronto and is treated free. The Hospital had last year in its beds and cared 761 patients, 267 of these were from 194 places outside of Toronto. The cost is 95 cents per patient per day, and there were 129 sick little ones a day in the Hospital.
