HAWKEVILLE.

Mr. and Mrs. Geo. Cunningham
are spending a few days with the
former's father, Mr. G. Cunning-
ham.

Mr. T. Wilkinson is visiting with
friends in Berlin this week.

Mr. and Mrs. Jas. Fenton, of Lis-
towel, spent a few days with the
latter's father who is very poorly.

Miss Sadie Ahrens is visiting in
Berlin.

Miss Sylvia Shelly spent Sunday
under the parental roof.

Miss Laura Leckner, who has
been staying in Toronto for some
time has returned home.

Mr. John Donald, of Waterloo,
spent Monday with his father.

A meeting of the North Water-
loo Farmers' Institute was held here
on Tuesday. Prof. Dean gave a
very profitable address on butter-
making. There was a large atten-
dance and a good program was pro-
vided.

A friendly game of hockey was
played at Linwood by the Junior
teams of Linwood and Hawkeville.
The score was 4-0 in favor of Lin-
wood. Our boys had very little
practise this winter and the ice was
a very good. With better ice our
boys would probably have been the
winners.

It is our sad duty to chronicle the
death of Hugh Powell, infant son
of Mr. and Mrs. H. McCallloch, last
Friday Feb. 24th. The funeral was
held on Sunday at their residence
Rev. J. Monds, Glenallen, conducted
the services. The bereaved par-
ents have the heartfelt sympathy
of the community.

DOERING'S CORNER.

We are sorry to report that Mrs
Henry Levagood is quite ill at pre-
sent. She was in a critical condition
for a time, but on Monday a slight
improvement was noticeable and
the friends now hope for her recov-
ery.

Nearly this entire neighborhood
attended the funeral, on Tuesday,
of Mr. Chr. L. Janzli, whose ac-
cidental death occurred last Friday
(as reported in another column.)

Mr. Conrad Forler has been con-
fined to his room for a few days by
a severe attack of boils.

Miss Maggie Art is ill with rheu-
matic fever at her home east of
Phillipsburg.

The roads in this neighborhood
although still very high are now in
somewhat better condition, thanks
to the pathmasters and the Welles-
ley teamsters. Farmers hereabouts
are heartily in accord with the Map-
le Leaf's crusade for better winter
roads and will back our council up
in steps for future road improve-
ments.

The timbers are being got ready
for improvements to Mr. John
Wolf's barn next season.

A large number of barns, stables,
kitchens, etc., were built in this
section last year, but the prospects
are that there will be an increase in
this line next year. Our carpenters
have already contracts for an un-
usually large amount of work.

JOSEPHSBURG.

The marriage of Mr. Chas. Stoen-
sor, from Dakota, to Miss Katie,
daughter of Mr. G. Balm, will take
place here on March 6th.

Mr. Ed. Houmer has moved to
Potosburg where he has secured a
situation on the G. T. R.

Plowing is the order of the day—
on the public highways.

Mr. John District bought a team

of fine horses from Mr. Chas. Stoen-
sor, of St. Agatha, for \$300, the
other day.

Quite a few from around here at-
tended Mr. Seip's sale at St. Agatha
last Thursday.

BAMBURG.

Messrs. David Straus and Fred.
Diebold left for Dakota, last Friday
morning.

Mr. Menno Roth spent Sunday in
the neighborhood of Baden.

Mr. John Moser bought a fine
horse from Mr. Simon Lebold, fifth
line.

Roads are not so bad as they were
last winter around here. Pathmas-
ters have had more experience with
snow-blocked roads and they know
how to improve them now.

Mr. Con. Neob's sale will be on
Friday, March 3rd, and Mr. M.
Straus's will be on the 6th. Both
these farmers are offering for sale
a very profitable stock.

LINWOOD.

Miss Ollie Sharpe left on Monday
morning for London. Rev. Mr.
Sharpe went as far as Stratford
with her.

Mr. J. P. Ziegler has sold his shop
and house to Mr. C. W. Wilkor, of
Maplewood. Mr. Ziegler, we re-
gret to say, will leave Linwood in
April.

A very pleasant party which was
thoroughly enjoyed by all present
was given by Miss M. Schaurr last
Thursday.

Mr. T. Neilson, formerly of New-
ton, was in town on Thursday.

Mr. Patton's party of surveyors
left on Monday for Wellesley where
they will start a new trial line.
They had great difficulty in getting
a way on account of the very bad
roads.

Miss Irene Berlet is visiting at
Mr. J. Seifert's.

Mr. E. Baker, of Stratford, was
home on a visit on Wednesday.

The farmers' institute meetings
held on the 22nd were very success-
ful. In the evening Prof. Dean, of
Geolph, gave a splendid address.

Mr. F. Baker, of Stratford, is
visiting at his home here.

The Carnival was postponed until
Friday, March 3rd, owing to the
stormy weather.

A very interesting debate and
concert was given in Spahr's Hall
on Friday night. The speakers
were Messrs. Edmunds, Hamilton,
Miller and Ronnie. The advantages
of county and city life were well
shown up by both sides. The hall
was well filled and the proceeds
doubled those at the last debate.
On Friday, March 10th the next de-
bate will be held. A good program
is being prepared. Mr. E. C. Koefor
and Dr. McEachern will be the
captains. The admission will be
5 cents as before. The gleo club
will give several selections, recita-
tions, readings, solos and dialogues
will be given and everything prom-
ises a splendidly successful debate.
The subject will be "Resolved that
the annexation of Canada to the
U. S. would be beneficial to Can-
ada."

Mrs. F. Baker spent Sunday in
Listowel.

Rev. Mr. J. Monds, of Glenallen,
preached in the presbyterian church
on Sunday night.

On Saturday St. Jacobs and Lin-
wood played a friendly game of fair
hockey on soft ice. Goals were as
referee. The visitors won by 4-1.
The home team scored at first in 10
seconds. Milker however failed to

repeat the act. Helber played best
for the visitors and Parrill on the
home team. A junior match fol-
lowed in which Hawkeville juniors
were defeated by the home juniors
by a score of 1-4.

A meeting regarding a separate
school for Linwood was held at
Friedman's hotel on Monday night.

The railway committee held a
meeting at Spahr's Monday night.
Mr. J. Friedman is drawing brick
for his new house.

Saw-logs are coming in merrily
and both mills are very busy.

The Modern Store has now in
stock about \$4000 worth of new
shoes in the best quality and latest
styles. As this firm buys for cash
direct from the manufacturers, they
will be able to give extra good val-
ues.

THIRD LINE.

Mr. Wm. Miller had a very suc-
cessful wood-see on Monday, after
noon last, when about 30 men cut
about 15 cords of wood. The even-
ing was spent in the enjoyment,
of games and dancing to music fur-
nished by Birmingham Bros., while
the floor was managed by Messrs.
Fink and Bast.

Miss Freeborn, of Stratford, who
has been spending the past three
weeks with her friends here, has
returned home.

Mr. A. K. Freeborn sold his
young shorthorn bull for a good
figure the other day.

Mr. John Forest, our local hog
buyer, is going his rounds. He is
paying \$5.50 per cwt.

Mr. Henry Merklings, who has
been absent the past four years in
Michigan, is visiting in this vicinity
at present.

Champion Liniment for Rheuma- tism.

Chas. Drake, a mail carrier at
Chapinville, Conn., says: "Cham-
berlain's Pain Balm is the Cham-
pion of all Liniments. The past year
I was troubled a great deal with
rheumatism in my shoulder. After
trying several cures the storekeep-
er here recommended this remedy
and it completely cured me." There
is no use of anyone suffering from
that painful ailment when this liniment
can be obtained for a small
sum. One application gives prompt
relief and its continued use for a
short time will produce a perman-
ent cure. For sale by A. J. Sann
ders, druggist, Wellesley.

EDITORIAL NOTES.

Ontario Legislature will be opened on March 20. The session will likely be a short one.

A testimonial fund is to be raised and presented to ex-Premier Rowe on his return from Jamaica, where he is now staying for the benefit of his health. It is expected that he will be home in time for the opening of Legislature.

The Grand Lodge of the A. O. U. W. will take place in Toronto on March 15th. One of the important matters to be dealt with is the matter of raising the rates. A vote was recently taken in all the lodges resulting in a majority of 20,000 in favor of a higher assessment in order to place the Order on a splendid financial basis.

The Bill for setting apart two new Provinces in the Northwest Territory, recently introduced in the Dominion House, has produced a profound sensation throughout the Dominion. Some local objections were raised to the provisions in the Bill for the geographical shape of the two proposed Provinces, and to the retention of the crown lands by the Dominion government. But there is an almost unanimous cry against the manner the school question is dealt with in the Bill. The feeling is very strong that the new provinces should be given the power to decide for themselves whether they shall have separate schools or not. Even the Toronto Globe, the strongest of the governments' English organs, has balked and declines to follow the Premier on their separate school clauses of the Bill. What the result of the agitation will be is hard to tell at this stage, but it is among the probabilities that, if many Reform members of parliament take the same view as the Globe has, the Bill may be entirely withdrawn, at least for the present.

Hockey is an exciting game and develops the pluck and courage of which Canada is so proud. But it also, as has every other athletic sport, has devotees who are reckless and passionate to the point of brutality, so that a case that looks like plain murder, from newspaper reports, was reported in a game within the past few days in Ontario. The referee's bell cannot ring too loudly on brutal play; the rules cannot be made too strict against it. The Association can do much in the interests of true sport by insisting on referees of the highest judgement and allowing only players who have a known ability to govern their temper to qualify for the league. The decision of the officials over the recent brutal Smith Falls' game shows that the magnates are far from being what hockey requires to lift it to its true position as a noble winter game that it might easily become.

The sad accident by which Mr. Chris. L. Jantz lost his life last Friday brings forcibly forward the growing necessity for the improvement of laws governing winter roads. The street at that point is fairly well built for summer travel but there is no protection from winter snow-drifts, so a useful, honorable, manly young life went out and a happy home was broken up and impoverished in the interests of economy and keeping the taxes down. Surely the time has come to remedy this defect which is so common in this section and likely all over the province. Agricultural pursuits have become of such a nature that good roads, all the year round are and absolute necessity for business purposes. Tearing down rail and other ob-

strengthening fences and building tight board fences at points where required would wonderfully improve roads in winter and render almost impossible such a calamity as that which has just shocked our community and which the present condition of our roads renders liable to be repeated at a hundred different points.

Alexandria, Feb. 25.—Alcide Lourin, aged 21 years, of Alexandria son of A. Laurin, veterinary surgeon, of this place, was killed in a hockey match last night at Maxville. The young man, who was a printer in the employ of the Glen-garian, of Alexandria, went to Maxville last night with the Alexandria hockey team, to play the Maxvilles. In the midst of the game he was struck on the head by a hockey stick in the hands of A. Loney, of the Maxville team, and died almost immediately after.

FEEDING PROFITS

Quick returns and profits are what the farmer wants in feeding steers. These can be obtained in the steer that can be properly prepared for the market at an early age. One who does this is "A WISE FEEDER." In ordinary feeding the hasts in getting on a full feed is often disastrous to large and early gains. The addition of Clydesdale Stock Food to the ordinary feed puts the stomach in such shape as to allow it to digest and assimilate a large quantity of food. It is the assimilation of this extra feed that makes the profit. A point overlooked by many feeders, is the condition of hide and hair. The soft, flexible skin, and velvety hair, is always associated by the experienced feeder with gaining capacity. It is a certain indication of an active digestion and assimilation of food. The outer skin has a direct relation to the stomach and intestines. Clydesdale Stock Food will give as soft pliable skin and velvety hair. Mr. Walter Wesley of Pine Orchard, Ont., says: "Your Stock Food gives a smooth glossy coat, perfect digestion and extra gain over and above that gained from ordinary feeding, and at a profit." The Food enables a man to get top market prices. Your money will be cheerfully refunded by our dealer if you cannot feed it at a profit. Clydesdale Stock Food can be purchased in your district from the following dealers:

THE HOSPITAL FOR
SICK CHILDREN

For It Cares for Every Sick Child
in Ontario whose Parents
Cannot Afford to Pay
For Treatment.

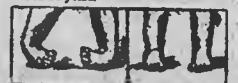

The Hospital for Sick Children, College
street, Toronto, appeals to the fathers and
mothers of Ontario for funds to maintain
the thousand sick children that it nurses
within its walls every year.

The Hospital is not
a local institution--
but Provincial. The
sick child from any
place in Ontario who
can't afford to pay
has the same privi-
lege as the child
living in Toronto and
is treated free.
The Hospital had
last year 10 to 15 beds
and one 161 patients.
257 of these were
from 196 places out-
side of Toronto.
The cost is 50 cents
per patient per day,
and there were 175
sick little ones a day
in the Hospital.

"GOOD DAY, DOCTOR."
Since its founda-
tion the Hospital
has treated 10,371
children--about
1,600 of these were
unable to pay and
were treated free.
Every dollar may
be the result of
your kind thought
into the Hospital
kind deeds.
Everybody's dol-
lar may be the
Friend in Need to
Somebody's child.

Let the money of the strong be mercy to
the weak. The Hospital pays out divi-
dends of health and
happiness to suffer-
ing childhood an
every dollar that is
paid by the friends
of little children.
If you know of
any sick or cri-
pled or has club
foot send the par-
ent's name to the
Hospital.

"BETTER KNITTING" See the example
of what can be done for foot children.
There were 14 like cases last year and have
decreased in 28 years.

Please send contributions to J. Ross
