LINWOOD.

On Friday evening, March 3rd, the postponed carnival was held on the Linwood skating rink. The attendance and the costumes were both numerous and good so that the carnival was a great success, the attractive prize list probably being responsible for the splendid costumes. The prizes were won as follows:

Character representation.—Ladies: 1st Miss E. Ament; 2nd Miss V. Parsill. Gents: C. A. Heimboer; 2nd, Mr. Rennie.

Fancy Skating.—Ladies: 1, Miss Elise Spahr; 2 Miss McAllister, Hawkesville. Gents: 1, J. Heimboer; 2, —.

Fantastic costume.—Ladies: 1, Miss Frame, Crosshill; 2 Miss E. Dunke, Elmira. Gents: 1 A. House; 2 W. Friedman.

[A large number were in costume including the laughable "Cosy's Army," and many local and visiting ladies and gentlemen so that the sport was not only most enjoyable to the skaters but very attractive to the onlookers. The list of costumes sent to the "Leaf" by our excellent Linwood correspondent became accidentally blurred so that the names could not be deciphered by the printers.—Ed.]

Mr. A. Koebel has purchased the home of Mr. Wm. Schultheis, William St. Mr. Schultheis intends leaving for Michigan.

The funeral of Mrs. A. Dammeler on Saturday was a very large one. She only lived nine weeks after her husband's death. She was stricken down with a paralytic stroke from which she did not recover. WILMOT TOWNSHIP COUNCIL.

The 55th session of Wilmot Tp Council was held at the Township Hall, Baden, on the 20th of February 1905. Members all present the reeve presiding. Minutes of previous session were read and confirmed.

Engineer H. J. Bowman reported having examined the superstructure of New Prussia Bridge and found it as per specification, except that the diagonal pieces were one inch instead of one and an eighth as per plan, and recommended that the sum of eight dollars be deducted from this account, and as the painting had been done in freezing weather, it should be accepted but that the sum of \$10.00 be retained until this painting be properly done in the spring. On motion of J. T. Otto and S. Cassel the above report was adopted.

The auditors' report on the treasurer's accounts, in detail and an abstract of the same as well as a report on the sufficiency of the Treasurer's Bond, were presented. Moved by J. T. Otto, seconded by C. Stoesser, that the auditors' report as presented be adopted and that the treasurer's accounts as audited be now finally passed and that the clerk be and is hereby instructed to have 35 copies of the Auditors' Abstract printed in English and German.

Moved by P. Berg, seconded by C. Stoesser, that the Statute Labor Scale be altered as follows, viz: Up to \$400, a day, \$400 to \$800, 2 days; \$800 to \$1200, 3 days; \$1200 to \$1600 4 days; \$1600 to \$2000, 5 days and over \$2000 each additional \$600 to add one additional day, except in closing an assessment, when \$300 will be counted as a full day.

On motion of S. Cassel and J. T. Otto the following accounts were passed and ordered to be paid, viz: James A. Vance, payment in full for New Prussia bridge less \$8 for diagonals and \$100 retained for paint's \$1317 27

A Chicago Alderman Owes His Election to Chamberlain's Cough Remedy.

"I can heartily and conscientiously recommend Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John A. Schinick, 220 So. Peoria St., Chicago, Ill. "Two years ago during a political campaign, I caught cold after being overheated, which irritated my throat and I was finally compelled to stop, as I could not speak loud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses, thereafter noon and could not believe my senses when I found the next morning the inflammation had largely subsided. I took several doses that day kept right on talking through the campaign, and I thank this medicine that I won my seat in the council." This remedy is for sale by A. J. Saunders, druggist, Wellesley.

HEIDELBURG.

Two very successful meetings of the North Waterloo Farmers' Institute were held in Steile's hall on Friday last. There was quite an attendance of farmers in the afternoon meeting. Mr. M. B. Spider, presided and gave the opening address. The program dealt with soil tillage for fertilizing and manure by Mr. J. Sheppard and the selection and care of seeds by Mr. J. S. Pearce.

The evening session was largely attended and the seating capacity of the hall was by far too inadequate to accommodate the large crowd. Mr. C. A. Weber was voted to the chair and the meeting commenced with an opening address of welcome followed by an address by Mr. J. S. Pearce on "Planting of trees for timber" and by special request a brief address to the ladies on "The cultivation of flowers." This was a very interesting address and was eagerly listened to by all. Mr. Sheppard occupied the platform for a short time and addressed the farming youth mostly of what opportunities there are on a farm and with an occasional Irish story kept the audience in good

EDITORIAL NOTES.

The inauguration of President Roosevelt last Saturday was an unusually brilliant affair, the pageant being of almost European splendor while the speeches, especially the Presidential address, were of much political importance. Hitherto Mr. Roosevelt has been President in succession to McKinley by the latter's death, but he now is inaugurated with the greatest majority which the United States ever gave its President. If he felt diffident about assuming authority before, he is now unmuzzled and being so virile and strenuous a man we may well look for some new history.

It'll come news of Jap victories. It is quite evident that the Mikado's forces have wintered better than that of the Russians, so that the first news which comes with the opening of Manchurian spring tells of that complete turning of the Russian flank and the probable retreat of Kourapatkin still further north.

The Bill to establish two new Provinces in the northwest, is not making much substantial progress. There is an immense outcry against the school clauses, while other parts of the Bill are also strongly objected to. Already Hon. Mr. Sifton has resigned from Sir Wilfrid's cabinet and it seems sure that the whole of the Liberal vote from the West will be deflected if the Bill comes to the House in its present shape. So far his supporters have been unable to move the Premier from his determination to press his measure through with no alterations, in which case there will certainly be exciting times when the Bill comes up again.

The unexpected death of E. F. Clarke, M. P., in Toronto, last Saturday, removes one of the most prominent men of that city. He was several times Mayor, for a long time M. P. and for years high among Orange officials.

The Wellesley auditors' report is now in the hands of the people. At the nomination meeting the whole report was not obtainable on account of the death of the late treasurer. But the whole statement is now obtainable from the clerk. The surplus indicated in the report looks at the first glance to be a high one but a closer inspection shows that the board has been using a large amount of the Municipal Loan Fund so that there is really a deficit. Those who approach the Board for grants for improvements this year are apt to be met with "rigid economy" courtesy.

The assessors are now on their rounds. The new act is not thoroughly understood, but their work is apparently being done on the principle that it will be easy to get off in the Revision Court if wrongly assessed. Under the new Act the assessed value of the township will likely be many hundred thousand dollars higher than last year, but this need not affect the taxes as the rate struck later in the year will be to meet the municipality's requirements. The council should, however, have their flannets straightened out and raise sufficient funds to repay the Municipal Loan fund and still have enough to run affairs comfortably.

Spring may be slow in coming, but the family can count on house-cleaning time getting here right on the date.

At the Institute meeting here on Monday evening Mrs. Joy struck a very unpopular note when she said, "feed the children plenty of butter"

In these hard times when butter is worth 28c a pound should have advised whole families to get along with a chunk the size of a peanut per day.

Champion Liniment for Rheumatism.

Chas. Drake, a mail carrier at Chapinville, Conn., says: "Chamberlain's Pain Balm is the Champion of all liniments. The past year I was troubled a great deal with rheumatism in my shoulder. After trying several cures the storekeeper here recommended this remedy and it completely cured me." There is no use of anyone suffering from that painful ailment when this liniment can be obtained for a small sum. One application gives prompt relief and its continued use for a short time will produce a permanent cure. For sale by A. J. Saunders, druggist, Wellesley.

FARROWING SOWS

There is probably no greater loss in the management of hogs than at farrowing time. Many a breeder complains of sows eating their litter and don't know that this is due to bad feeding. Lots of pig-eating sows would never have developed this bad habit if they had been rightly fed before farrowing. By the time the sow farrows she is in a much fevered and constipated condition, which creates a litter eating appetite. This can, in almost every instance, be gotten over if the digestive organs are kept free and open by feeding Clydesdale Stock Food according to directions. The flow of milk of the sow is increased by the help it gives digestion. Milk is the direct product of the digest of food. The greater the flow of Milk the greater the growth and profit of the litter. If you want to farrow the most and best pigs; pigs that have a chance to live, and become money makers, use Clydesdale Stock Food before and after farrowing. Mr. A. Newell Kilbride, Ont., says: "Pigs have never done better with me than those I fed Clydesdale Stock Food to." "Runt" can be made money makers by using it. Mr. Donald McDougall, Harrison, Ont., says: "I had six 'runt' pigs to which I fed your food, and now they are as good as any pigs I have." Carboline Antiseptic will keep your pigs and pens clean of vermin, making them do better. If you find Clydesdale Stock Food, and other preparations, do not give satisfaction, your money will be cheerfully refunded by our dealer. Sold in your district by the following:

In Touch with the World

Covering the earth like a spider's web the cable winds its sinuous way under seas, over mountains and plains, across continents to every country and clime on the globe.

So when King Edward opens Parliament, or Emperor William leads the band, when the Mad Mullah breaks out, or a volcano in the East Indies does the same, when South Africa seethes in war or Venezuela defies the powers, when rain breaks the Australian drouth or the plague breaks out in India, when the Empress of China suppresses the Boxers or Japan negotiates a loan, —the news is instantly flashed around the globe, across oceans and continents right into the **Toronto Daily Star** office. The **Star's** direct special cable service is better than any other paper's in Ontario.

And you get all this cable news along with your own local paper for \$2.20. Think of it—a single word sent to you personally might cost more than the price of the **Star**, with its hundreds of columns of cable news, for a whole year.

Subscribe direct to the **Star** or through the office of this paper. Both the **Daily Star** and this paper for \$2.20 for a year.

A dramatic reading and entertainment will be given in the third line Presbyterian Church on Friday evening, March 17, by Miss Isabella T. Kerr, a highly spoken of humorous electionist, of Toronto, under the auspices of the Ladies' Aid Society. Posters will shortly be out announcing full particulars.

Mr. Wm. Vance, formerly cheese-maker here, was in town one day last week, shaking hands with his many friends. He now has a factory at Sand Creek, Mich., and is taking advantage of his dull season to visit Ontario well Michigan potatoes, of which he has already sold over 5000 bushels in car lots.

The surveying party moved their headquarters to St. Clements on Tuesday, having advanced on the eastern route to Wallenstein sufficiently to make that point more suitable as a base. The line they are now marking turns around the north of the village, passing between Mr. John Ledhard's home and barn and then east to Mr. A. Heipel's sawing mill gradually northward to a point a short distance from St. Clements, the intention evidently being to lay the route west of that village and northward to Hawkesville and follow the river bank to Wallenstein. This line will be somewhat longer than the Cross-hill route but may save in the grade of the road.

ANTENUPTIAL BANQUET.

TENDERED TO MESSRS. W. GLAISTER, M. D. and EN. K. REINER. Last Friday evening the Albion hotel in this village was the scene of a splendid and most enjoyable banquet tendered by their bachelor companions to the above two gentlemen whose marriage notices appear in another column of this week's "Leaf." Shortly before ten o'clock about twenty-five gentlemen sat down to the banquet tables, the men being equal to the best Ontario can do, and to which ample justice was done by all.

Then followed the toast list, over which Mr. Jas. McDonald presided as chairman. "The King," was responded to by singing the National anthem, and cheers. "Canada," proposed by Mr. A. B. Robertson and responded to by Mr. Jas. Kerr. "Our guests and their Brides," proposed by Mr. Alex. McDonald, Dr. Glaister and Mr. Ed. Reiner responding very gracefully. "The Benedicts," was then proposed by Dr. Schnarr, of Berlin, and replied to by Mr. Walton and Mr. Clegborn. "Our Bachelors," was introduced by Mr. Green, the response being made by Messrs. A. J. Saunders and A. H. Rogers. "Our Visiting Guests," brought out neat replies from Dr. Marty, of New Hamburg, and Dr. Schnarr, of Berlin. "The Absent Guests," was responded to by the chairman reading letters of regret and congratulations from Mr. J. G. Reiner, who was absent at Hanover; Prof. Chas. Heipel, Nashua, N. H.; W. C. Scheir, B. A., and S. J. Arnold, Toronto, and John Hill, of Caledonia. "Our Host and Hostess," brought forth the appreciation of all for the superb banquet, Mr. Kreutzwieser responding on behalf of himself and lady. "Our guests," was responded to by Messrs. Ed. Ratz, A. Glaister, Dr. Hiltz and others, congratulating those who had charge of the affair in making it so enjoyable a success. "The Committee," drew a response from Messrs. W. B. West and A. E. Reiner, expressing pleasure that those present were enjoying the occasion. Songs and quartets interspersed the speaking, so that the time passed very quickly to the many "jolly good fellows"—undeniably so,—present, and the "two sma' hours had crept onto the scene when "Auld Lang Syne," closed the program of one of the best and happiest functions of that nature ever attempted in Wellesley. The Committee introduced a witty souvenir feature in printing the wine list on an ordinary tag, on the reverse side of which was written the guest's name and address, and the number of his wheelbarrow, with the caution "Lest We Forget," in large gilt letters at the bottom. The tags were tied with silk ribbon to each guest's button and carried home as mementos.

FARMERS' INSTITUTE MEETING.

The two meetings held here on Monday afternoon, and the mass meeting in the evening, were all well attended, the last being packed to the doors on the latter occasion. Subjects were taken up as announced on the program. Messrs. Hinton, of Easton's Corners, and C. Hallman, of Wilmet, spoke at the afternoon meeting where an interesting time was enjoyed. At the ladies' meeting Mrs. Joy, of Toronto, gave an address to a very large audience. In the evening President Snyder presided as chairman. Mr. J. W. Green delivered the address of welcome, responded to by the chairman. Mr. Wolstead's orchestra delighted the audience with excellent music; Miss Smythe, teacher, gave a dramatic reading with rare skill; Mr. Chas. F. Ottmann brought down the house with a couple of his popular songs, and Miss Altonian's recitation was highly appreciated by the audience. The visiting speakers gave excellent addresses, the Secretary, Mr. Allan Shantz, ending the program with an excellent speech in which he expressed the loss to the North Riding Institute in the recent removal of Mr. John Hill. Mr. Gavin Barbour, of Crosshill, moved the vote of thanks, seconded by Mr. Henry Kolly, of the 5th line, each using well chosen and neatly put words. A strong list of members was again obtained in Wellesley this year, and the "Leaf" is pleased to note that the Institute is taking hold of the question of better roads in earnest.

A woman!" The writer of the above unchristian insinuation should give the amount that the "big time" cost so that that much, at least, might be paid. I better yet, don't write a mean letter like this. —be and be too cowardly to sign your name to it. Not knowing the writer I make use of the Maple Leaf to try and reach him. He knows where to find me.

Will You Help It?

THE HOSPITAL FOR SICK CHILDREN

For it Cares for Every Sick Child in Ontario whose Parents Cannot Afford to Pay for Treatment.

The Hospital for Sick Children, College Street, Toronto, appeals to the fathers and mothers of Ontario for funds to maintain the thousand sick children that it nurses within its walls every year.

"Good Day, Mother."

Since its foundation the Hospital has treated 16,371 children—about 7,500 of these were unable to pay and were treated free. Every dollar may be the translator of your kind thoughts into the Hospital kind deeds.

Everybody's dollar may be the Friend in Need to Somebody's child.

Let the money of the strong be money to the weak. The Hospital pays out thousands of health and happiness to suffering childhood on every dollar that is paid by the friends of little children.

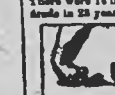

If you know of any sick child in your neighborhood who is sick or crippled or has sick feet send the parcel to the Hospital.

See the example of what can be done for sick-foot children. There were 14 like cases last year and benefited in 25 years.
