LINWOOD.

The debate held on Friday night was remarkably well attended. The subject was a very interesting one being on "Married and Single life."

An interesting program was also given and everyone enjoyed the proceedings immensely. The speakers who upheld "Married life" were Messrs. G. G. Blaufer, F. B. Edmunds and R. J. Kerr.

The side of single life was ably championed by Messrs. S. Miller, C. Keeter and A. C. Mc Bride, of the Forfeign Link. The chair up was Mr. T. Goldie.

The judges were Messrs. Clement, Wild and V. R. Berlet. The judge disagreed over the decision and while the judges' debate was in progress a speech on the benefit of libraries was made by Dr. McEachern and Mr. R. Y. Fish.

Mr. R. Y. Fish special reference once being made to our library here under the auspices of which the debates are being held. Another debate will be held Friday night of this week.

An announcement of this fact was made and then the unanimous decision of the judges was announced as being in favor of single blessedness.

The ladies present were so incensed that there was some slight difficulty in getting "God save the King" started.

Mr. Joe Karley has commenced work with Mr. Philip Kreutzweiser.

Mr. and Mrs. Compo, of St. Clements, were in town on Monday.

Messrs. Shaver and Schmidt, of the St. James cement works, were in town Tuesday getting orders.

Mr. C. Schelteme moved to Elmira a week ago Wednesday.

The funeral of Mrs. W. Feather, of Hawkesville, reached town about one o'clock.

The service was held in the Lutheran Church. The interment took place on the Linwood Lutheran cemetery.

Mr. Henry Kelly, of Conestoga, was in town on Tuesday.

On Tuesday evening at the rink a fair number of the West and East ends met in mud encounter with a terrific shock. The game was very fast and somewhat rough which was rather contrary to expectations as the general opinion before the game commenced was that the puck would be manipulated by gentle and persuasive touches.

Western maddens won by a score of 4-3. E. A. Berlet, the crack "Panther" point, blew the referee's whistle.

Mr. Edward Koebel has his left hand crashed in Meyer's mills on Wednesday morning. The hand is doing as nicely as might be expected and Ed. was very lucky to escape so easily.

Mr. and Mrs. C. W. Parsill attended the funeral of Mrs. Parsill's aunt, Mrs. Heinbecker, of Waterloo on Tuesday.

Mr. Ferdinand Gohl is visiting at Mr. Henry Lantz's.

Mr. Patton's party of surveyors arrived on Wednesday evening. They are surveying the new branch now which comes up directly through the level and fertile lands of this township from the village of Wellesley. The line will go right through Mr. A. Rennie's farm. Mr. Patton left for Goderich on Thursday night.

The annual oyster supper of the tennis club was a great success. It was held on Thursday night. Weather conditions were most favorable for the drive out to Mr. David McKays on the section line and everyone seemed to enjoy it very much.

The oysters were perfect and the cakes which the young ladies supplied were without equal in the province. The evening was spent in paying games and enjoying

music. The party broke up at about 2:30 a. m. The load containing the most of Linwood's youth and beauty had a rather an exciting experience on the road home.

The road taken was along the right of way and when the horses neared the creek they were frightened at a large pile of sand and gravel drawn for the construction of the railway

right-of-way. A little kicking then followed which was somewhat a unique thing for the tennis club even to witness. Three traces came undone and the tongue dropped

while the Ladies' soprano, alto and contralto voices blended in a harmonious chorus resembling in many ways a college song. In time owing to the seducing effect of the aforementioned music, the horses were pacified and the party proceeded on their way swiftly and

elegantly almost overtaking the first load which had left at about 2:15 a. m.

Messrs. Frank Baker and J. Stewart, our popular barber, spent the early part of the week in Lis-towel.

Mr. Wm. Halling moved into the living apartments at the cheese factory. Mr. Halling was unfortunate enough to break his leg when on the last load, a piece of timber striking him so as to produce a compound fracture. His position was quite uncomfortable at first as he was moving into the house and no beds had been set up, and there was not even a fire.

The T. Raggie Co., Linwood's hustling merchants, have subscribed for the whole back page of the "Linwood Enterprise" which certainly shows their appreciation of a good thing.

HAWKESVILLE.

Miss Viola Dunke, of Elmira, is staying with her aunt, Mrs. Hugh McCulloch, for a few days.

Mrs. C. Letson, of Doon, and Miss Emma Letson, Berlin, visited a few days with friends here.

We are sorry to say that Mr. Willie Weber, teacher at Bertha's, is very sick with La Grippe, and has not been able to attend to his duties. We hope to see him out again soon.

Miss Sadie Ahrens, who has been on the sick list, for a few days is able to be around again.

Mr. Richardson very ably filled the pulpit of the Presbyterian church's last Sunday.

It is our sad duty to chronicle the death of Mrs. Feather, which took place at her home last Tuesday night. Deceased had been ailing for some time. She was 73 years old and leaves two sons and six daughters to mourn her loss.

A large number, including friends from Galt and Bay City, Mich., attended the funeral on Saturday morning, the interment taking place at Linwood.

Our school Principal, Mr. Bice, has resigned the position which he has filled very acceptably for over a year past, to take a much better position in the Bolton school. He and Mrs. Bice have made many personal friends here who regret their departure, which will be early in April.

Robins having been seen in the neighborhood proclaiming that spring is coming.

The thaw and rain on Saturday has raised the water considerably in the river and is breaking up the ice.

Our teacher and his pupils are to be congratulated upon the number just passed at the promotion examinations. The names of the suc-

cessful ones are as follows:

Jr 4th to Sr 4th—Kitty Ballard, Hugh Anderson, Florence Shelly.

CROSSHILL.

The rain on Saturday was very acceptable to those whose craters were empty. It left the roads in a bad state, however, and driving was impossible on Sunday.

A surprise party was taken to Mr. J. Richardson's, a millowner of the village, last Thursday night. A pleasant time was spent.

Mrs. Cash and daughters, of Yorkton, N. W. T., were the guests of Mrs. Geo. Petch last week.

Miss Jennie Mundell, of Lis-towel, is visiting as the home of her uncle, Mr. Wm. Mundell.

A Chicago Alderman Owes His Election to Chamberlain's Cough Remedy.

"I can heartily and consciously recommend Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John Sherick, 220 So. Peoria St., Chicago, Ill.

"Two years ago during a political campaign, I caught cold after being overworked, which irritated my throat and I was finally compelled to stop, as I could not speak aloud in my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflammation had largely subsided. I took several doses that day, kept right on talking through the campaign, and I thank this medicine that I won my seat in the council."

This remedy is for sale by A. J. Saunders, druggist, Wellesley.

DOERING'S CORNERS.

Mr. Edward Heldman, of Philadelphia, is spending a week in Midway the guest of Dr. Doering.

Mr. Con. Reibling has disposed of his black horse and bought another in its place.

The sheep-killing dogs of this vicinity took a new course the other night when they evidently were out for a bit of fun. They took a goat robe out of Mr. Wm. Helpe's dog shed and tore it to pieces.

Mr. H. was aroused by his own dog which was in the house, and when he got to the kitchen, he saw the dogs through the window but they scampered away before he could get a crack at them.

JOSEPH'S BURG.

Mr. and Mrs. Chas. Stoescher left for their future home in North Dakota last Tuesday.

A little baby boy has arrived at Mr. and Mrs. Henry Stoescher's.

Mrs. Jacob Ellert was visiting at her mother's place in Bamberg last Monday and in going home the horse got frightened at something and upset the cutter throwing Mrs.

Word was received last Friday

announcing the death of his uncle,
C. C. Green, Esq., of Arthur, at an
advanced age. Deceased conducted
a hotel business in that village in

Will You Help It?

THE HOSPITAL FOR SICK CHILDREN

For it Cares for Every Sick Child in Ontario whose Parents Cannot Afford to Pay For Treatment.

The Hospital for Sick Children, College Street, Toronto, appeals to the fathers and mothers of Ontario for funds to maintain the thousand sick children that it serves within its walls every year.

"GOOD DAY, MOTHER."

Since its foundation the Hospital has treated 10,371 children—about 7,500 of these were unable to pay and were treated free. Every dollar may be the translator of your kind thought into the Hospital kind deeds.

Everybody's dollar may be the Friend in Need to Somebody's child.

Let the money of the strong be merry to the weak. The Hospital pays out dividends of health and happiness to suffering childhood on every dollar that is paid by the friends of little children.

"MOTHER, KNITTING"

If you know of any sick child in your neighborhood who is sick or crippled or has club feet send the parent's name to the Hospital.

See the example of what can be done for club-foot children. There were 16 like cases last year and have been in 28 years.

"MOTHER, KNITTING"

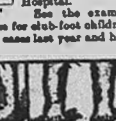

Please send contributions to J. Ross Robertson, Chairman, or to Douglas Davidson, Sec. Treas., of The Hospital for Sick Children, College Street, Toronto.

The Hospital is not a local institution but Provincial. The sick child from any place in Ontario who can't afford to pay has the same privilege as the child living in Toronto and is treated free. The Hospital had last year in its beds and cots 761 patients, 367 of these were from 194 places outside of Toronto. The cost is 98 cents per patient per day, and there were 129 sick little ones a day in the Hospital.
