**LINWOOD.**  
Miss Dawson, the popular milliner at R. Y. Fish's Great Corner Store, reports an unprecedented millinery opening for Friday and Saturday of last week. Her sales and orders far exceeded any former season. She wishes to thank the public for their generous patronage of her department, and extends a cordial invitation to those who were not able to attend the opening, to call early and make their selections, or leave their orders which will be promptly executed.

Mrs. Crosby and Minetti were the guests of Mr. Robt. Rowe, at the Terrace, on Saturday.  
The Messrs. Dunke, of Emira, were visitors in town last week.  
Mr. J. Weber was in town on Monday starting up Mr. C. W. Wilker's gasoline engine.

Miss Irene Zerlet has gone to Fordwich where she intends staying for a time.  
Mr. F. B. Edmunds attended the Primrose convention at Berlin on Saturday.

Miss Blima L. Tanner has left Linwood, where she was the guest of Mr. R. J. Kerr, for her home in Berlin.

Mr. R. Y. Fish's saw-mill is in full swing again.  
Mr. J. Meyer is having his house built very rapidly.

Work is now going on in the new Lutheran church. The windows have nearly all been put in.

The millinery openings were the event of the week. Nothings was talked of on Friday and Saturday but the millinery displays. R. Y. Fish's rooms were a blaze of light. The display of Easter hats was most fascinating. The store was beautifully decorated and the opening was most successful. The T. Ruggle Co. furnished music, well as serving tasty lunches. The large advertisement in the Linwood "Enterprise" drew a great crowd. The window decorating, millinery department and shoe department decorations reflected great credit on Mr. Almond Reid, who had in charge of that part of the work.

Master Oscar Berlet, of Ber is visiting at Spahr's.

By the way, Ladies and Gentlemen, if you want a new hat, a suit, or a pair of top or patent leather shoes for Easter let the T. Ruggle Co. supply you with them, and you certainly will be satisfied.

No troupe ever gave so much gratification to a crowded house in Wellesley as did the Reihofner Alpine Yodlers who performed here a couple of years ago—Monday, May 1st. Buy your reserved seats early at the drug store, for there is sure to be a crush.

**HAWKESVILLE.**  
Is this March or April weather? The farmers had started seeding but the change in the Weather somewhat interrupted their work.  
This season was not a very good one for maple syrup, so it will likely be rather dear.  
Mrs. J. Latlaw, accompanied by her cousin, Miss Lindsay, returned some after a few weeks stay at her home in Paisley Block.  
Messrs. Julius Stadelbauer and Oscar Promilove have left for Kinle to resume their work in the cheese factory for the summer.  
Mr. J. More spent several days at Kirkton and Toronto.  
Mrs. Fred Donald spent a few days last week in Berlin.  
Mr. and Mrs. Brubaker, of Wat-

erloo, spent Sunday at Mr. L. Frey's.

Mrs. Schiet and Miss Seiling, of St. Jacobs, spent one day of last week at Mr. A. Ludwig's, Sr.

Mr. and Mrs. Jas. Fenton, of Lis-towel, spent Sunday at Mr. Jas. Donalds.

Mr. Rogo Gnoch, of Blcomingdale, was in our village on Sunday. Mr. Bab, of Millbank, was at Mr. L. Weber's on Sunday.

Miss Elsie Shelley spent a few days in Berlin last week.

Mr. Green, editor of the Maple Leaf, was in town one day last week.

Rev. Carter, who has been appointed to take charge of the Presbyterian church on this circuit for the summer, made some pastoral calls in the village to-day.

We are sorry to say that Mrs. Sittler is quite ill.

Several gentlemen from here attended the horse show in St. Clements.

Mr. J. C. Shelley spent a few days in Toronto last week.

Did you hear the Reihofner Yodlers when they were here a couple of years ago? If you did, all you need to know now is that they will appear in the Opera House, Wellesley, on Monday, May 1st, and that the plan of the hall can be seen at the drug store next week.

**THIRD LINE.**  
A number of farmers on this line have commenced seeding.  
Freelorn Bros. bought a valuable horse from Mr. John Thompson paying a handsome price.  
Mr. Gib-on, of Milverton, purchased several fine horses in this locality last week to work on the railway near that place.

Mr. John Dewar has been engaged to work with Mr. Henry Kelly for a month.

Choir practice Tuesday evening.  
Miss Pearl Farrell and Miss Laura Magwood spent Saturday and Sunday at their homes near Poole.

Miss Louisa Pommer returned after spending a fortnight with Berlin friends.

Mr. Thomas Hammond has almost recovered after his recent severe illness.

Mr. Randy Chalmers, "Honey Grove" spent an evening on this line recently.

Opera House, Wellesley, Monday evening, May 1st. Frantz Reihofner's famous troupe of Alpine Yodlers. Admission 25c and 35c.

**DOERING'S CORNERS.**  
Christina Buck, wife of John Diebel, died at Ektion, Mich. last Friday. Mrs. Diebel was well known in this vicinity where she was born and raised. Besides her husband she leaves a family of nine children to mourn her demise. Her age was 39 years and two months.  
Mr. Wm. Brand bought the place of Mr. Chris. Erb, and Mr. George Lanz has bought Mr. Brand's farm.  
The Indian hut was burned to the ground last Wednesday.  
Fire destroyed the old saw mill of Mr. Anarow Groff, half-a-mile east of Wilbee, on Saturday between 6 and 7 o'clock. The particulars have not been received at this writing. He had quite a lot of his implements stored in the saw-mill which were also all burned.  
Mr. Theodor Schmidt moved his family from Phillipsburg to Bridgeport last week where he is working

in a grist mill. We wish them success in their new home.

**BADEN SPRING SHOW.**

**RATZBURG.**

The death of Mrs. Lanz, mother of Mr. John Lanz, occurred at the home of her son, just east of her late on Monday evening, in her 81st year. She had been in extraordinary health when retiring last Friday evening, but on the following morning the following morning the family found her in bed unconscious from paralysis, in which condition she remained until the end. Deceased was born in Germany but came to Canada early in life, and in November, 1846 was married to the late Mr. Henry Lanz, who died 12 years ago. They settled at once on the farm upon which she died on Monday after living there continuously for 59 years, and from which her remains are being taken away this afternoon for interment in the Alles church cemetery.

Don't miss the Reihofner Alpine Yodlers entertainment in the Wellesley Opera House on Monday evening, May 1st. Their program consists of vocal choruses, duets, sales, yodling, etc., besides music on the quaint Alpine instruments, character acting in English and German, etc.

Chamberlain's Cough Remedy the Best and Most Popular.  
"Mothers buy it for croupy children, railroad men buy it for severe coughs and elderly people buy it for a grippa," say Moore Bros., Eldon, Iowa. "We sell more of Chamberlain's Cough Remedy than any other kind. It seems to have taken the lead over several other good brands." There is no question but that this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold by A. J. Saunders, druggist, Wellesley.

"Junior Toilets," the mothers' and children's magazine, is rendering itself an absolute necessity in every home where the music of childish voices is heard. Each number seems to take on some added attraction. The April issue, now before us, has twenty-four of the daintiest pages of fashion illustrations, most of them the work of Blanche King John, acknowledged universally to be the foremost designer of garments for juveniles. The reading matter is written with the authority of evident experts, and includes "Fashion hints for busy mothers," "Spring suits and coats for missos," "Easter millinery," "How to dress the small boys," "Under the Nursery lamp," prize competitions for children, etc. Toilets Fashion Co., 132 Fifth Ave., New York.

## EDITORIAL NOTES.

The banquet held in Tavistock last Friday evening in honor of Hon. Nelson Monteith, the new Minister of Agriculture for Ontario, brought to that village the largest gathering of Conservatives ever assembled there. Dr. Steele, of Tavistock, President of the South Perth Conservative Association, presided over the magnificent function, and was easily the best speaker of the occasion. Tavistock has but a meagre sprinkling of Tories within its borders, yet it is doubtful if a more successful affair of the kind was ever conducted in Ontario, the culinary, the decorations and the program being simply perfect.

The speech of Hon. A. Beck, of London, Minister without portfolio, at the Tavistock banquet last Friday, sounds the tocsin of Premier Whitney's "Prohibition" campaign. While not favoring pure prohibition, it is evidently the intention of the newly installed government to see that the present license laws are rigidly enforced. Each M. P. P. is to be responsible to the government for the manner in which the license commissioners and the Inspector in his constituency perform their duties, and if these officials are lax, or show partisanship, their heads are quickly to fall. The license law will, probably, be amended in a me of its extreme or unreasonable clauses, but its enforcement is to be of such a nature that the public will eventually be able to judge whether a properly carried out license system or entire prohibition would be best suited to our present time and conditions. The scheme looks very complete and drastic "on paper" but we opine that its working out will develop unevenness throughout the Province, from the fact that there is so great a divergence of sentiment in the different ridings on the drinking question, and the M. P. P.s are likely to be governed by the prevailing temperaments of their constituencies in deciding as to just what should be considered as "strict enforcement" of the Act. On the whole, however, the scheme will be an improvement upon the lax system that has prevailed of late years and the people will be better prepared, after a term under this new plan, to fall in with what it was expected that Mr. Whitney intended: to place the enforcement of the licence Act entirely out of the hands of Party control, and so make it absolutely thorough.

Mr. Gamey, "the man from Manitoulin," has created a profound impression by his speech last Friday on New Ontario. While the unenviable notoriety which he has recently gained makes him an undesirable candidate, yet it is possible that his brain power and his masterly grasp of the question will yet land him into the new portfolio of Minister of Mines shortly to be created.

Both Stratford and Berlin are being literally torn with railway uncertainties. Just as Stratford was getting ready to undertake nearly \$50,000 expenses to buy a right of way entrance into that city for a steam road. Mr. Leonard, the constructing President of the Guelph-Goderich extension threw a bomb into the camp by stating that Stratford could get the same service by electric railway by simply giving a right of way over some back streets. Berlin got busy as soon as this last proposition became public and now the agitation is in full swing in both places. The question as to whether the road

shall be of electric or steam traction will be settled as soon as Mr. Shangnessy, President of the C. P. R., gets home from his present short trip to Europe. If electricity is decided upon the original scheme, familiarly known in this section as "Green's railroad"—that is, a line from Waterloo to Stratford, through Wellesley, and an extension from here to Listowel, will probably prevail; but if the decision is for a steam road, Berlin will likely be shut out and the road run from Stratford, through Wellesley village, to some point at present undecided on the Guelph-Goderich line. The matter will be settled one way or the other within the next couple of weeks and the assurance is given that construction on whichever plan is chosen will begin forthwith and the road opened for traffic by next summer. Wellesley, being sure of a railway connection either way, can afford to look complacently while Stratford and Berlin sizzle.

Berlin has appealed to the Provincial government to have an experimental sewage station established there. Many large towns and small cities in Ontario are perplexed over the healthful disposal of their sewerage and the government might establish a scientific plant with excellent results throughout the Province.

At the Woodstock House of Refuge the other day there occurred the marriage of two of the inmates who fell in love with each other while enjoying the county's hospitality. The combined ages of the happy groom and blushing bride amounted to nearly a century and a half. As the two are now made one the officials expect a proportionate saving in board expenses.

Rojevstevsky wants him Togo away.

### About Rheumatism.

There are few diseases that inflict more torture than rheumatism and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. One application of Pain Balm will relieve the pain and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? For sale by A. J. Saunders, druggist, Wellesley.

# FEEDING PROFITS

Quick returns and profits are what the farmer wants in feeding steers. These can be obtained in the steer that can be properly prepared for the market at an early age. One who does this is "A WISE FEEDER." In ordinary feeding the haste in getting on a full feed is often disastrous to large and early gains. The addition of Clydesdale Stock Food to the ordinary feed puts the stomach in such shape as to allow it to digest and assimilate a large quantity of food. It is the assimilation of this extra feed that makes the profit. A point overlooked by many feeders, is the condition of hide and hair. The soft, flexible skin, and velvety hair, is always associated by the experienced feeder with gaining capacity. It is a certain indication of an active digestion and assimilation of food. The outer skin has a direct relation to the stomach and intestines. Clydesdale Stock Food will give as soft pliable skin and velvety hair. Mr. Walter Wesley of Pine Orchard, Ont., says: "Your Stock Food gives a smooth glossy coat, perfect digestion and extra gain over and above that gained from ordinary feeding, and at a profit." The extra fine finish and early maturity got by feeding Clydesdale Stock Food enables a man to get top market prices. Your money will be cheerfully refunded by our dealer if you cannot feed it at a profit. Clydesdale Stock Food can be purchased in your district from the following dealers:

A. J. SAUNDERS, Wellesley. W. F. FISHER, Milverton.  
The T. RUCKS Co., Linwood. Jos. THURMAN, Shakopee.  
MITCHELL & KEAS, Hamburg. WRIGHT & SOX, Elmira.

## In Touch with the World

Covering the earth like a spider's web the cable winds its sinuous way under seas, over mountains and plains, across continents to every country and clime on the globe.

So when King Edward opens Parliament, or Emperor William leads the band, when the Mad Mullah breaks out, or a volcano in the East Indies does the same, when South Africa seethes in war or Venezuela defies the powers, when rain breaks the Australian drouth or the plague breaks out in India, when the Empress of China suppresses the Boxers or Japan negotiates a loan,

—the news is instantly flashed around the globe, across oceans and continents right into the Toronto Daily Star office. The Star's direct special cable service is better than any other paper's in Ontario.

And you get all this cable news along with your own local paper for \$2.20. Think of it—a single word sent to you personally might cost more than the price of the Star, with its hundreds of columns of cable news, for a whole year.

Subscribe direct to the Star or through the office of this paper. Both the Daily Star and this paper for \$2.20 for a year.

Mr. John Berdux had a thrilling and what might have been a fatal experience on Friday evening. He had hitched a not-too-tame horse to a sulky at Schwalm's ware-rooms and was going around the corner when the horse took a lurch and went off at full fear down the main street, turning the corner at the sawmill. The sulky struck a log at the corner and luckily the harness slipped off the horse and left the sulky at the corner. The horse then galloped around the block and up the section line where he was caught the next day. John escaped with a few scratches in the face.

Owing to the absence on leave of Judge Chisholm the duties of Judge of the County court and the Division courts will for the next five or six months be performed by Mr. E. P. Clement, K. C. and those of the Judge of the Surrogate court by Mr. W. M. Reads. We understand that the law provides that no Deputy Judge is debarred from practicing his profession so that the practice of both these gentlemen will not be interfered with in any by their appointments, and wherever matters arise in which they are personally concerned, other arrangements will be made for the disposing of them.

## Will You Help It?

THE HOSPITAL FOR  
SICK CHILDREN

For it Cares for Every Sick Child in Ontario whose Parents Cannot Afford to Pay For Treatment.

The Hospital for Sick Children, College Street, Toronto, appeals to the fathers and mothers of Ontario for funds to maintain the thousand sick children that it saves within its walls every year.

"GOOD DAY, DOCTOR."

Since its foundation the Hospital has treated 10,371 children—about 7,500 of these were unable to pay and were treated free. Every dollar may be the translator of your kind thoughts into the Hospital kind deeds.

"MY'S EXHIBITS"

Let the money of the strong be mercy to the weak. The Hospital pays out dividends of health and happiness to suffering childhood on every dollar that is paid by the friends of little children.

If you know of any sick child in your neighborhood who is sick or crippled or has club feet send the parent's name to the Hospital.

See the example of what can be done for club-foot children. There were 10 like cases last year and healed in 22 years.

The Hospital is not a local institution—besides Provincial. The sick child from any place in Ontario who can't afford to pay has the same privilege as the child living in Toronto and is treated free.

The Hospital had last year in its beds and care 781 patients, 587 of them were from 190 places outside of Toronto.

The cost is 50 cents per patient per day, and there were 180 sick little ones a day in the Hospital.

MANAGE

Please send contributions to J. Don Robertson, Chairman, or to Douglas Davidson, Sec. Treas., of The Hospital for Sick Children, College Street, Toronto.
