EDITORIAL NOTES.

The C. P. R. is advertising for tenders for the construction of the branch line from Linwood to Lis-towel.

Thirty-three thousand dollars was not bonus enough to induce the C. P. R. to extend the trolley line from Waterloo to Wellesley, a distance of only eleven miles over a level country without a bridge, but Wellesley continues to grow and its manufactures to increase and thrive just the same as if that great magnate, President Leonard, had not come, and saw, and con-demned Wellesley!

If the scheme to connect Wellesley with the main line of the Grand Trunk railway at Baden matures this section would be much better served than by the Stratford-Linwood branch which the visionary Stratford Herald recently saw as a sort of strabismus mirage.

As the Court of revision held by the council to hear complaints against the engineer's assessment in connection with the Brenner drain only half a dozen appeals were entered and none of these were sustained. We are informed that a meeting has since been held by those opposed to the building of this drain, the object of which meeting was to have the entire by-law thrown out on account of a legal technicality, but we have not, as yet, ascertained the result of the meeting further than that the "antis" claim to have legal advice to the effect that there was a flaw in the by-law which might upset it. This is not likely to prove the case, however, as councils take the greatest care in passing by-laws, especially those involving the future sale of debentures. The Mornington council has now decided to extend and enlarge this drain to carry this extra water through their territory and their engineer has assessed damages to the amount of nearly \$1400 against those in Wellesley township whose land is in the area of the Brenner drain, which sum will be added to the amount of the Wellesley by-law.

Dominion parliament is voting the government \$72,604,000 to carry on the public business this year. As this sum is only to cover a period of nine months (the new fiscal year ending March 31st 1907) it would look as if the full year would have required about \$90,000,000. The cost of the new Grand Trunk Pacific is not included in this year's estimates. In their last year, 1896, it cost the Conservative government \$44,500,000 to do this business. If Laurier doesn't look out he will make Sir. Richard Cartwright "view with alarm" again!

Sprained Ankle, Stiff Neck, Lame Shoulder.

These are three common ailments for which Chamberlain's Pain Balm is especially valuable. If promptly applied it will save you time, money and suffering when troubled with any one of these ailments. For sale by A. J. Saunders, druggist, Wellesley.

The invitation extended to over one hundred and seventy-five subscribers who are behind in their

subscription to the Maple Leaf, was not readily responded to. If a paper is worth reading, it is worth paying for, and those who have neglected to respond will kindly let us hear from them. It is time for a change.

The laxative effect of Chamberlain's Stomach and Liver Tablets is so agreeable and so natural that you do not realize it is the effect of a medicine. For sale by A. J. Saunders, druggist, Wellesley.

who was Millbank's first ordained Presbyterian minister. He was welcomed by members of his church fifty years ago here. The evening service was conducted by the Rev. Mr. Ross, of Ottawa. Both gave excellent sermons. The picnic in connection with the jubilee was also a grand success. The afternoon was spent in music and games. Milverton's orchestra furnished the music. There was also an exciting baseball game between Milverton married men and Millbank bachelors. The score was 13 to 16 in favor of Milverton. In the evening the entertainment in the Knox church was largely attended. The music was furnished by St. Mary's quartette, there were speakers from different places.

Growing Business

Healthy Business Growth

is dependent on many things. It takes more than mere words and pretty store displays to make business grow.

Among the many things necessary to business growth and development, none, we think, is more necessary than a BUSINESS CONFIDENCE between the store and its customers. The salespeople must have confidence in the goods sold, and the customers, in turn, have confidence in the salespeople.

Our buyers whether buying in Canadian or foreign markets, ever place QUALITY first—always have and always shall. If a thing is not good they will not buy it.

We appreciate the CONFIDENCE people have in us, and realize that only as we buy and sell dependable goods at right prices can we continue to hold it.

LOCAL NEWS.

There will be good fishing in the public school grounds this evening. The Maple Leaf gives all the home news.

Mr. G. F. Pauli, Milverton, was in Wellesley on Thursday last.

Remember the 48th Highlanders' band and other attractions at Tavistock on Monday next.

Mr. Will Saunders, of Sault Ste Marie, is the guest of his brother, Mr. A. J. Saunders, this week.

Messrs August and J. Schlegel of Berlin, accompanied by their families, were the guests of Mr. and Mrs. Glebe on Sunday last.

Mr. Jacob Wilhelm, his son Mr. Herman Wilhelm and family, Mrs. Fred Merner and Mrs. Christian Merner, all of New Hamburg, were visiting at Mr. M. S. Wilhelm's on Sunday.

The choir of the Missouri Lutheran church were in Elmira last Sunday, assisting in the missionary services. Next Sabbath they expect to journey to Tavistock.

Any person wishing outside views taken are invited to leave their orders with me as early as possible. Chas. Ottmann, jr., photographer, Wellesley.

Lawn-bowling matches, east of west (of Queen St.), are bringing out exciting matches these evenings. So far the east side has a little the advantage in the score.

Mr. and Mrs. Fred Eckstein, and children, and Miss Maggie Mogk, and Mr. John Mogk, of Tavistock, were the guests of Mr. and Mrs. Julius Eckstein, on Saturday and Sunday last.

Five pupils of the Wellesley school: Mary Berlin, Emma and Norma Green, Eileen Schaub and Harold Bellinger, are writing on their entrance exams at Crosshill this week.

A vigorous and prolonged whistling out at the cheese factory just before dinner yesterday led the villagers to believe that building was on fire. In a few moments fire and bicycles were hurrying to the scene, but fortunately it proved to be a false alarm.

Mr. Robt. Fleischhaver, son of J. J. Fleischhaver, town, who has for the past 16 years been in the employ of Fennel & Sons, Berlin, has severed his connection with them, and taken a position with a London firm.

The boys should remember that the law prohibits them from bathing during the day, especially with out bathing suits. There has been some complaints in the village lately on this account and the constable is liable to pounce upon offenders any time if the practice is continued.

Twenty candidates are writing in the entrance exams at Crosshill this week. There are 5 from Wellesley, 5 from Heidelberg, 4 from Hawksville, 2 from Crosshill, 1 from McKee's (9th line), 1 from Beechville, 1 from Hollinrake's and 1 from Josephburg. Mr. K. Reid, of Berlin, is in charge. The results will be known on Saturday of next week.

The funeral of the late Mrs. Glaiser occurred on Thursday afternoon last. Notwithstanding the great storm the attendance was immense, there being nearly 100 rigs in the procession from the house. The service was conducted by Rev. Mr. Haig and was very impressive. The pallbearers were Messrs. Wm. Hogg, Robt. Freeborn, Henry Hostetter, Thos. Dewar, Wm. Mandell and Robt. Hooley.

The stretch of cement sidewalk along the west side of the hill leading to the Miss. Lutheran Church is now completed and is an excellent piece of work. Pathmaster Kennel is getting to be quite a cement expert. The cement walk is to be extended a distance west from Schaub's hotel, and at the east end of William St. a stretch is also to be laid in a few days.

The marriage of Mr. Harry Kelterborn and Miss Martha, daughter of Geo. Heintz, Esq., Bamberg, occurred at the home of the bride's parents on Tuesday last, in the presence of the friends of the interested parties. Rev. Mr. Halm officiating. Miss Maggie Heintz acted as bridesmaid and Mr. Edwin Klein assisted the groom. The happy couple left at once on their wedding trip to Toronto and Niagara Falls. A pleasant evening was spent at the house, Mr. Weivade's orchestra furnishing the music.

A wandering type of the old school visited Wellesley this week. This class of printers, well known in the old days, is fast disappearing in Ontario. In the early times the "tramp printer" was a sort of hero and took pride in travelling from end to end of the country, but of late years the boozing printer is entirely out out by modern newspapers. Our visitor of this week hailed from Milverton where he said he worked until the Sun became too hot for his health.

There will be something doing every minute at Waterloo next Monday. From all reports it will be the biggest celebration the town has had. There will be a monster trades procession in the morning. In the afternoon there will be bicycle races, baseball matches, bowling, band concerts, parades, special ring attractions and dancing. In the evening band concerts, prize drawing, dancing and special illuminations. A great many of the old bicycle boys, who were in Waterloo at the big bicycle meet 11 years ago will be there to help celebrate.

The other day at Reiner Bros. & Co.'s store here, as Mr. Cleghorn was selling some shoes off the bargain counter when he incidentally remarked that he had been wearing the shoes he then had on for three years. "That's nothing," said old Mr. Uhlnier, who happened to be standing near. He drew his pant-legs over the top of a pair of old-time out-down boots and said: "These are my wedding boots; I've had them for almost fifty years and have worn them some every year." Mr. Uhlnier is almost 85 years old yet is in rugged health and last week he did as good a day's road-work as any of them.

The recreation park just below the mill pond presents an animated appearance these beautiful evenings. Side by side are ranged the tennis courts, the young ladies' basket-ball grounds, and the bowling lawn. All three are fully occupied every evening and the banks under the willows are crowded with spectators watching the games.

Here is another way of writing up a wedding: taken from an exchange. "One of the most delightful little weddings of the leafy month of June took place at St. Austin's church on Saturday. The bridegroom, Mr. W. R. Deintoe, looked charming in a frock coat of sweet black chevrot with silken lapels, grey striped trousers, extra wide at the knees, and a snowy waist coat, picked out with black polka dots. He wore lavender spats over his No. 9 patent leather shoes, and carried a silk hat. The bride is a Miss Woolley, of Chatham."

BORN.

CROSSHILL

Addresses are expected besides which a football match is announced and the Wellesley Brass Band will furnish music. Admission 25c., children 15c. Refreshment and supper served.

Messrs. W. K. Leighton and Elton Petch, of Toronto, are home on a visit.

The entrance candidates are writing here this week.

An interesting budget of Crosshill news arrived too late for this issue.—Ed.]

What Everyone Should Do.

Mr. J. T. Barber, of Irvinville, Ga., always keeps a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand ready for instant use. Attacks of colic, cholera morbus and diarrhoea come on so suddenly that there is no time to hunt a doctor or go to the store for medicine. Mr. Barber says: "I have tried Chamberlain's Colic, Cholera and Diarrhoea Remedy which is one of the best medicines I ever saw. I keep a bottle of it in my room as I have had several attacks of colic and it has proved to be the best medicine I ever used." Sold by A. J. Saunders, druggist, Wellesley.

NEWS NOTES.

Lieut. Col. Acheson, Galt, has presented a handsome shield for competition in rifle shooting for the various companies of the 29th regiment.

Several gangs of telephone men are working in this district. Some are running new lines from here to Wingham and Goderich, another has built a line from Clinton to Brucefield and Varna, and on Tuesday a number of men arrived to cable the system here and get ready for the metallic service. The recent severe electrical storms did much damage to the whole telephone system and will delay extension work a fortnight. — (Clinton News-Record).

A young man appeared before Magistrate Blake last week in Galt and was fined \$2 and costs for riding his bicycle on the sidewalk. Repeated prosecutions, on this charge should serve as a warning to all who use this method of transportation. Chief Gorman says he has received many complaints from pedestrians regarding the prevalence of this practice, and he intends to make a serious endeavor to put a stop to it. — Reporter.

Embudo Courier: A number of St. Marys capitalists together with other representative men are promoting a railway from St. Marys to Embudo. Their advice from Mr. Leonard, of the C. P. R., is that the proposed extension of the railway from Ingersoll north via Embudo to Stratford (which line has already been surveyed) will not be built at least in five years. They have a charter for a road known as the Western Ontario Railway and their proposition is to build this line from St. Marys to Embudo, and Mr. Leonard has assured them if they will do this that the C. P. R. will build up to Embudo and thus give them an outlet, and he also agrees to operate the road on a percentage basis. It will cost \$15,000 a mile to build the road and the distance is 17 miles, costing in all \$255,000. If one-third of this amount can be raised the road can be bonded for the balance. This means that \$85,000 must be raised and this does not look like a big sum.

C. P. R. to LISTOWEL

The following letter has been received by Mr. J. H. Gunther, Listowel, from Mr. Leonard of the C. P. R., in reference to the proposed branch from Linwood to Listowel: "I have your letter of June 9th, and you will be pleased to learn that yesterday I wired Mr. Paterson, our chief engineer at Goderich to advertise for tenders covering the construction of the branch line from Linwood to your town, and I have no doubt we will be in a position to be running our trains between Listowel and Toronto before the close of the present year."

C. P. R. to WALKERTON

Walkerton Times: We have been informed on reliable authority that construction work on the proposed route of the C. P. R., will be commenced at once. Operations will immediately begin in the vicinity of Proton and the road will be pushed with all possible speed towards Walkerton. If the work progresses as favorably as we are led to believe it will, the first train should run through here before the expiration of the present year. With increased railway facilities and enlarging of several of our factories Walkerton will occupy a conspicuous position in the front ranks as a commercial and manufacturing centre.

The death occurred on Saturday evening, June 23rd, of Mr. Johann Krueger, at the advanced age of 82 years, 10 months and 10 days. Deceased was born in 1823 at Zarraen, Mecklenburg-Schween, and came to this country when a young man. He was one of the pioneers of the town of Waterloo, having lived there for nearly fifty years.

NORTH PERTH LIBERALS.

The annual meeting of the North Perth Reform Association was held in Grosch's hall, Milverton, on Wednesday of last week. The election of officers resulted as follows: President, George W. Bray, Listowel; vice-pres., F. Doering, Elma, secretary, David Grieve, Milbank, treas., R. T. Harding, Stratford; municipal vice-pres., Stratford, W. M. O'Beirne; North Easthope, Julius Cook; Ellice, Jacob Litt; Mornington, Reeve Davidson; Milverton, J. C. Groesch; Elma, John C. Dickson; Listowel, G. M. Yates, Wallace, Hy Hensworth. A resolution moved by John Brown, ex-M. P., and ex-Warden Donaldson, expressing regret at the illness of A. F. MacLaren, M. P., and earnestly hoping for his speedy recovery to health, was carried unanimously. Resolutions expressing confidence in Sir. Wilfred Laurier and Hon. Geo. W. Ross were passed.

There are six stakes, all well filled with from 15 to 20 entries each, insuring large fields, among them a bunch of fast ones from the States. Fare and a third on G. T. R. good from 27th to 30th.

THE DEAR OLD DAYS.

Frank L. Stanton.

Give me back the dear old days—all the boys in line—"Boy stood on the burning deck," an' "Bingen on the Rhine!" "Twas midnight; in his guarded tent"—we spoke it high and low, While Mary trooped out that lamb, whose fleece was white as snow. Give me back the dear old days that memory loves to keep. With "Pilot," 'tis a fearful night; there's danger on the deep! The old-time awful gestures—the jerk meant for a bow—We said that "Garlow should not ring," but, faith! it's ringing now!

Give me back the dear old days—the pathway through the dells To the school house through the blossoms; the sound of far-off bells. Tinkling 'cross the meadows; the song of bird and brook; The old-time dictionary an' the blue back spellin' book. Gone, like a dream, forever—a city's bid the place Where stood the old log school-house; an' no familiar face. Is smilin' there in welcome beneath a mornin' sky—There's a bridge across the river; an' we've crossed an' an' said "Good-bye!"

Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be dependent upon as will be seen by the following certificate from Mrs. Minnie Jacobs, of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by A. J.
