The picnic given by the Millbrook English church on the evening of Dominion Day was an enjoyable success. The foot ball match between Poole and the locals was won by our boys 1 to 0. The old-time opponents, Crosshill and Hawthorneville, crossed swords in a deadly

The story is traced from the time of the Indian tribes, long before Joseph Brant and his "Six Nations" were granted lands along the Grand River by the British Crown. It tells of the first white settlers who came into the county, where they settled and how they lived; it tells of their progress through the years of development which transformed Waterloo county from a forest to a land to the most fertile and productive agricultural and the most prosperous industrial county in Canada. It gives details of each municipality and recounts many

EDITORIAL NOTES.

The weather did all it could to make Dominion Day enjoyable. It was an ideal Canadian day.

It is announced that the Galt, Preston and Berlin electric railway has at last secured the right to build their road across the street at Seagram's distillery in Waterloo, and that as soon as this work is finished the line will be extended "north." The magnates are either a little off on their geography or the proposed extension does not mean to Wellesley village.

England is noted for its fast trains and few casualties. But on Sunday last came a disaster which was terrible in its nature. A special train was carrying the passengers who had just left the steamer from New York, and had covered about half the distance from Portsmouth to London when the locomotive left the rails at a curve and literally demolished the whole train. Forty-seven people were carried on the train, and twenty-four of these were killed and half a dozen others wounded. Three of the victims were from Toronto.

Alexander Muir, author of "The Maple Leaf Forever," and other patriotic songs, died at his home in Toronto last week. His music has endeared him to all Canada and his name will live when many whose names are now much more prominent will have been forgotten.

FOUND A CURE FOR DYSPEPSIA.

Mrs. S. Lindsay, of Fort William, Ontario, Canada, who has suffered quite a number of years from dyspepsia and great pains in the stomach, was advised by her druggist to take Chamberlain's Stomach and Liver Tablets. She did so and says, "I find that they have done me a great deal of good. I have never had any suffering since I began using them." If troubled with dyspepsia or indigestion why not take these Tablets, get well and stay well? For sale by A. J. Saunders, druggist, Wellesley.

is dependent on many things. It takes more than mere words and pretty store displays to make business grow.

Among the many things necessary to business growth and development, none, we think, is more necessary than a **BUSINESS CONFIDENCE** between the store and its customers. The salespeople must have confidence in the goods sold, and the customers, in turn, have confidence in the salespeople.

Our buyers whether buying in Canadian or foreign markets, ever place **QUALITY** first—always have and always shall. If a thing is not good they will not buy it.

We appreciate the **CONFIDENCE** people have in us, and realize that only as we buy and sell dependable goods at right prices can we continue to hold it.

#### LOCAL NEWS.

Recommend the Maple Leaf to your friends.

Mr. Norman Altman, of Brampton, was home for the holidays.

Mr. John Walton, jr., of Berlin, was home for a couple of days this week.

Mrs. J. G. Reiner is on a visit to friends in Warton, Aytun and other places.

Mr. and Mrs. Robt. Fleischhauer, of Berlin, were in the village on Sunday and Monday.

The Wellesley Brass Band has been strengthened by the addition of several new members.

Miss Ella Altman, one of Mr. Niatardy's music pupils, passed her first year's Conservatory examination in Berlin last Saturday.

Our sympathies are extended to Editor McBeth, of the Milverton Sun, who was last week called upon to announce the death of his mother.

Mrs. John Niebel, of Detroit, accompanied by her little son Elwood visited her aged parents, Mr. and Mrs. John Weismiller, here, part of last week and this.

If the Maple Leaf is not up to its high standard as the best local paper in several counties for the next few weeks, forget it. You'll be busy harvesting and we'll certainly be busy on prize lists and voters' lists.

About a dozen from the village took in the demonstration in Tavistock on Monday. There was an immense crowd present and a splendid program was given. It is reported that the Tavistock public library will not \$200 from the day's proceedings.

Mr. George Miller, of Walkerton, formerly a jeweler here, spent the holidays with his relatives and very many Wellesley friends, who would be glad to have him once more as a permanent resident of the village. He was accompanied by his wife and child.

Our school children who wrote at the entrance exams in Crosshill last week have returned home. They report the grammar paper very hard and some of them think it a knock-out blow. Several teachers who have looked over this paper pronounce it the most difficult for years.

Domination Day was spent somewhat quietly here although there was considerable local interest in football, tennis, basketball and bowling. In the latter sport the local enemies, East vs West met and discolored the lawn with each other's gore. This time the West being the victors. Fishing, boating, and small boating parties also report enjoying the day very much.

Miss Florence E. Millen, of Hamilton, a teacher of four years standing, and who holds a 2nd class certificate, has been appointed to the position on the Wellesley public school staff recently vacated by Miss Smyth, who takes a position in a Toronto school. Miss Smyth's decision to leave Wellesley has caused much regret, not only in the schoolroom, where she was unusually proficient, but in social circles, her personal qualities and attainments having gained for her a wide circle of warm friends.

Miss Olivia Glebe went to Neustadt last Friday to spend her holidays with relatives.

Misses Lucinda and Stella Bellinger celebrated the Domination Day with friends near Crosshill.

Mrs. Hy. Kreutawieser and her daughter, Florence, were visiting friends in Waterloo over the holiday.

Mr. Altman has the brick work finished on his new jewelry store, and will have tasty quarters for his business.

Rev. F. Dubernell, of North East, Pa., who was pastor of the Miss. Lutheran Church in this village thirty years ago, visited Wellesley friends last week.

Mr. Chris. Streicher is building a cement brick residence on the west side of the mill-pond, next to the Weismiller home. The building is to be finished the coming fall.

Mrs. August Kelterborn left town Friday last to spend July and August with friends in Huron Co., and will also visit in Uncle Sam's domains before returning home.

#### ZEHR'S REPAIR SHOP SOLD.

On Saturday last Mr. Daniel B. O. Schmidt purchased the machine repair shop including the water-power and property of the late John S. Zehr, in this village. The price paid was \$5,100. Possession of the shops was given at once and Mr. Schmidt's large advertisement in another column shows that he is already prepared for all work in the line of repairs to engines and machinery. He is well known in this section as a hustler and will always keep a force of employees competent to do the work brought in.

#### LAWN SOCIAL.

The lawn social given by the Public Library on the school grounds of the Wellesley Public School last Thursday evening was a pronounced success. The attendance was large and the proceeds will net a handsome sum for the library. A basket ball match between two teams of young ladies—known as the "prints" and "ginghams" by their dresses—was an interesting feature of the program, and the score, 20 points each when time was called, about represented the merits of the game. As darkness closed in, the "fish-pond" (throwing a fish-line over a wall and taking chances on what prize you caught) attracted the crowd, and this exciting sport was kept up until the pond was literally fished dry. Then the rush turned to a gypsy tent nearby where the gypsies, four Wellesley damsels, (Misses Barbara Hogg, Marion Smyth, Annie Fleischhauer and Kate Schwalm) read the fortunes of scores of old and young of both sexes. A delectable ice cream and strawberry supper was served to all while the Wellesley Brass Band discoursed a superb program of musical numbers, and Mr. Ed. K. Reiner's talking machine "filled in between." A booth under the tree in the arbor did a lucrative business during the entire evening, and the fireworks at the close was as good as many of the larger places provide. The library board are to be congratulated upon the excellent entertainment they provided and its profitable results.

#### RUN OVER.

Mr. Geo. Forler, forman of the spinning department at Reiner Bros. & Co's, met with a serious accident on the morning of Domination Day. He was driving a team hauling a heavy load when the wagon struck a stone throwing him off the rig and under the wheels, one of which passed over his body, crushing him badly. At this writing (Wednesday) it is not known how serious his injuries are. No bones are broken but he is confined to his bed and internal troubles are feared.

The Wellesley Brass Band filled two engagements on Domination Day, and they were the principal attractions at the Crosshill picnic in the afternoon, and the Millbank in the evening.

Mr. John Bickert, of Grand Rapids, Mich., is visiting his parents and many friends here over the holiday. No more welcome visitor comes to Wellesley.

#### BROKE HIS LEG.

Mr. Jos. Miller, New Prussia, ran into a cow while wheeling to his work at Lisbon early on Tuesday morning and had the bones of his right leg broken at the ankle. After the accident he pluckily remounted his bicycle and wheeled on to his work, but the pain soon became so intense that Dr. Glaister was called when it was found that he was injured as above stated. The accident will keep him off work for some time.

**Cuban Diarrhoea.**  
U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be dependent upon, as will be seen by the following certificate from Mrs. Minnie Jacobs, of Houston, Texas. She hereby certifies that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured her husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable medicine. For sale by A. J. **THE HOSPITAL FOR SICK CHILDREN**

For It Cares for Every Sick Child in Ontario whose Parents Cannot Afford to Pay for Treatment.

The Hospital for Sick Children, College Street, Toronto, appeals to the fathers and mothers of Ontario for funds to maintain the thousand sick children that it nurses within its walls every year.

"GOOD DAY, MOTHER."

Since its foundation the Hospital has treated 10,371 children—about 7,500 of these were unable to pay and were treated free. Every dollar may be the translator of your kind thoughts into the Hospital kind deeds.

Everybody's dollar may be the Friend in Need to Somebody's children. Let the money of the strong be mercy to the weak. The Hospital pays out dividends of health and happiness to suffering childhood on every dollar that is paid by the friends of little children.

If you know of any sick child in your neighborhood who is sick or crippled or has club feet send the parent's name to the Hospital.

"WHY KISSING?" See the example of what can be done for club-foot children. There were 14 like cases last year and hundreds in 23 years.

REPAIR

The Hospital is not a local institution—but Provincial. The sick child from any place in Ontario who can't afford to pay has the same privileges as the child living in Toronto and is treated free.

The Hospital had last year in its beds and wards 761 patients, 267 of these were from 166 places outside of Toronto.

The cost is 24 cents per patient per day, and there were 129 sick little ones a day in the Hospital.

MARRIAGE

Let the money of the strong be mercy to the weak. The Hospital pays out dividends of health and happiness to suffering childhood on every dollar that is paid by the friends of little children.

If you know of any sick child in your neighborhood who is sick or crippled or has club feet send the parent's name to the Hospital.

Please send contributions to J. Ross Robertson, Chairman, or to Douglas Davidson, Sec. Treas., of The Hospital for Sick Children, College Street, Toronto.

## The Victoria Cross

For Valor In Ten Colors

## Weekly Mail and Empire

For News—24 Pages

THE picture shown is one dear to every man, woman, boy and girl, on account of its meaning—"The Victoria Cross," given for conspicuous bravery. If only the soil of South Africa could voice the deeds performed upon it, how many Victoria Crosses would have been found to have been earned by Canada's sons! It is hard in the heat of action to notice every act of valor, and therefore only those which take place under the eye of superiors of sufficient rank can be noted.

The picture shows one of such deeds. Two troopers are closely pressed by the enemy. The horse of one is hit. Under the withering fire, the man whose mount is unharnessed halts, and, risking everything, waits to get his comrade safely mounted behind him and carry him back to the Canadian lines. It is a desperate deed, and one often performed but seldom noticed. When, however, such an act is seen, the reward dear to soldiers' hearts above every other is the result.

This picture is from the brush of Mr. W. B. Wolpen, an artist famed for his war pictures, one whose work appears all the leading illustrated periodicals of the Empire. It is a forceful subject from the hand of a strong man.
