THE C. P. R. RAILWAY DISASTER.

The terrible accident to the Manitoba excursion train near Sudbury early on Wednesday morning of last week proved much more severe than the meagre news which the Maple Leaf was able to secure for last week's issue. Among the thirteen slain were two daughters of Mr. and Mrs. L. Schade (formerly of the 3rd line Wellesley) Henry Herman, a farmer living south of Lisbon, in North Easthope; Wm. B. Puddicombe, Henry B. Puddicombe, and Louis Paff, all of New Hamburg, and Rev. J. J. Noble, a well-known former pastor of a Methodist church just west of Tavistock. The disaster has caused profound sorrow all over the Dominion and especially in this section, where so many of the victims were personally known and highly esteemed. About thirty people, including Mr. and Mrs. Schade, were injured in the wreck. The disaster was purely accidental.

Are they Afraid ?

There are, in this neighborhood, agents for several "Bucket bowl" cream separators. "Bucket bowl" separators are the kind with big bowls, full of parts, set on top of their spindles. These agents say to farmers intending to buy a separator, "Look out for the Tubular" or "Don't try Tubular," or "Beware of the Tubular." To hear them talk you would guess right away that

The Sharples Tubular

is the best cream separator made, and that these "bucket bowl" fellows are afraid of it. The Tubular surpasses every other separator in every particular, and you should take mighty good care you do see a Tubular before you buy a separator. We will be pleased to show you the latest Tubular and give you an illustrated catalogue.

LOCAL NEWS.

Who said we would have rain on Fair Day?

Miss Wagener of Waterloo is visiting her sister Mrs. H. K. Forler. Mr. Milton Zinkann and bride, of Berlin, were visitors at the fair last Friday.

Mr. Herb Kaufman, of Milverton, spent the week end at his home here.

Mr. Wm. Peppier, of Tavistock, visited his brother here on Friday last.

Mr. and Mrs. Ed. K. Reiner, and Mr. and Mrs. Jno. W. Fleischauer spent Sunday in Berlin.

Mrs. Edward E. Ratz returned this week from a two week's visit to Hamilton.

Miss Lydia Zinkann, of Berlin, is visiting this week her numerous friends in Wellesley.

Mr. John Reibling spent the past two week's in Brantford, visiting her son and daughter who reside there.

Mrs. Haraselt and Mr. and Mrs. Pollock, of Drayton, spent a couple of days last week at Mr. Wm. Hogg's.

Miss Margaret Koshler, formerly of Reiner Bros. & Co., has taken a position as milliner in a store in Hanover.

The Misses Lizzie and May Ziegler of Elmira, are spending a week at the Lutheran parsonage.

Subscribers to the Maple Leaf will bear in mind that unless their subscriptions are paid in advance the price is \$1.25 a year.

Miss Myrtle Tressler, of Galt, accompanied by a girl friend, spent the past week visiting her mother here.

Mrs. A. Leach and Mrs. Henry Liphard, of Waterloo, spent the beginning of the week in Wellesley, guests of Mrs. Wm. Kelterborn.

Mr. Adam Dobus, formerly of Wellesley, had the misfortune recently to have the thumb of his right hand cut by a saw in Zimmerman's factory, Tavistock.

Mr. and Mrs. Robt. Freeborn, attended the funeral last week in Moncton, of the two little Schade girls who were killed in the recent railway accident near Badbury.

A meeting of the officers and executive committee of the local branch of the W. L. will meet at Miss Beilinger's on Monday evening to arrange the subjects to be discussed in the institute during the winter months.

Mr. Adam Holpel brought to the Maple Leaf office last Thursday a stalk of corn which measured 14 1/2 inches from "tip to toe". It is a remarkable growth and was picked from a large field of nearly as tall corn on his place. The large mass of corn which he brought in with the specimen was not all picked from this one stalk, but must have nearly denuded half an acre.

Mr. Thos. Ross, Highland piper, of Toronto, spent a few days last week the guest of friends in the village. He gave a program on the show grounds on Friday afternoon and his performance at the concert in the evening was one of the most enjoyable features.

THE ROSE MILLINERY.

You are cordially invited to attend our Fall Millinery Opening on Saturday Sept. 22nd. W. KETTERBORN.

The infant child of Mr. Geo. Forler who has been sick the past few weeks died on Monday evening last. The funeral occurred on Wednesday to the Lutheran church cemetery.

Mr. J. F. McBride, of Waterloo, was in the village this week unsuccessfully trying to sell our school a planetarium. He exemplified with the automatic machine before the scholars and some of them will be likely to mistake the planet Venus for an airship again. It is a pity our public schools cannot afford a little time from mathematics to give the children an inkling of astronomy. He has sold this wonderful machine to quite a number of schools in the county.

WELLESLEY FALL SHOW.

The weather for the show held here last Thursday and Friday was superb, and the attendance, as shown by the gate receipts, was larger than last year. The exhibit was a very good one, the show of horses being the finest ever shown here. The South Easthope brass band was engaged for the occasion and the boys furnished excellent entertainment on the grounds on Friday afternoon. The Wellesley brass band gave a serenade on the streets at noon, and a "McGinty" band from Berlin made no end of fun on the main streets of the village all day. The Wellesley school children had practised hard on marching and a fancy drill but the music of the band was too slow for the little ones in the parade to the grounds and they were unable to do themselves justice. The flag was won by the pupils of Miss Jamieson's room. The concert in the evening drew out a packed house. We publish in another space, as much of the prize list as we are able to get into type for this issue.

BOWLING.

Three rinks of Jolly Berlin bowlers arrived in Wellesley on Tuesday and literally wiped the earth with the local club. Mr. Alex. McDonald's rink suffered worst in the carnage, the other two Wellesley rinks making a desperate struggle. A most delightful afternoon was enjoyed by all. The result was 45 points in favor of Berlin. The score is crowded out this week but will appear in our next week's issue.
