All the ladies of the village and vicinity are cordially invited to attend. In the evening there will be a joint meeting of the Farmers' and Women's Institutes in Forwell's hall.

Miss Sadie Ahrens is visiting in present with friends in Baden.

Mr. M. Winn has moved to Waterloo where he has secured a position as caretaker of the park. We wish him success in his new home.

The first meeting in the Presbyterian Church last Tuesday evening was a grand success. The lecture on "Our Flag" by Mr. Mallon of Fergus was fine.

Owing to the great damage done to the dam by the recent flood Mr. Shelly is obliged to use steam. The chopping days will therefore be Tuesday, Thursday and Saturday.

**When to Go Home.**  
From the Haffton (and) Banner: "When tired out, go home; when you want consolation, go home; when you want rest, go home; when you want to show others that you have reformed, go home and let your family get acquainted with the fact; when you want to show your wife that you are a man, go home and do the best there; when you feel like being extra liberal, go home and practise on your wife and children first; when you want to shine with extra brilliancy, go home and light up the whole household." To which we would add, when you have a bad cold, go home and take Chamberlain's Cough Remedy, and a quick cure is certain. For sale by A. J. Saunders, druggist Wellesley.

## FIFTH LINE

Mrs. John K. Hammond had the misfortune to have an arm broken by slipping from a bench one day last week. Medical aid was not called in and she is now doing as well as could be expected.

On Wednesday, 23 inst. Mr. Jas. F. Hammond had a narrow escape from being killed. He was on his way home from Millbank when his horse took fright and ran away up setting the buggy. The top being up at the time he was caught in it and dragged some distance before being released. He was cut and bruised considerably, but luckily escaped fatal injuries.

The snowfall of the past week has made sleighing fairly good in this neighborhood.

**Why Suffer from Rheumatism.**  
Do you know that rheumatic pains can be relieved? If you doubt this try one application of Chamberlain's Pain Balm. It will make rest and sleep possible, and that certainly means a great deal to any one afflicted with rheumatism. For sale by A. J. Saunders, druggist Wellesley.

## PHILIPSBURG.

Miss Clara Handstein, of Berlin, has been called home to the bed side of her sick mother.

Miss Emma Doering, who spent a few weeks with friends in Berlin and Waterloo, is home again.

Mr. James Laguire spent Sunday with friends in Hamburg.

Mr. Henry Hoerle, accompanied by his sister, Emma, and Miss Lizzie Schmidt, spent Sunday at the home of Mr. and Mrs. Con. Hoerle in Wellesley township.

Miss Ford spent Sunday with her friend, Miss Forster, of New Hamburg, who is ill.

Mrs. Russell Thuman, of Berlin, was visiting her mother, Mrs. Wiederhold, over Sunday.

Dr. Sand called on his many friends here the other day. The Dr. makes his rounds regularly.

## LINKWOOD.

The carnival held here on Tuesday evening of this week was an unbounded success. The weather was fine and the attendance was quite large, including visitors from villages east and west along the railroad and sleighroads from the various villages of this township. The hockey match advertised did not come off, however, arrangements for the game not having been completed by the committee so the Wellesley team did not come. The costumes were numerous and very creditable and the rink presented an animated appearance all the evening.

## CROSSHILL.

The following, clipped from the Flaming paper, was written by Rev. Mr. Frizzle, of that place, and refers to a sister of Mrs. Wm. Hastings, of Crosshill. Deceased lived in this township before the family moved west, and she will be remembered by many hereabouts.

"On Mink Morning Flaming and suburbs were greatly shocked by the news of the sad and sudden death of Mrs. Holt. Brown, who retired Monday night in her usual health and was found dead in her bed in the morning. Our deceased sister was a woman of sterling character and her death at the comparatively early age of 57 years is a great loss to the community. She was most active in brain and hand. Her good management and competency as a housekeeper were always in evidence in the attractive appearance of her home. Her manner was unassuming and easy. Her disposition was amiable and patient. She would always rather suffer than complain. The last number at the funeral on Friday and at the Memorial Service in the church on Sunday evening, showed how she endeared herself to all who knew her. The service in the house on Friday was conducted by Revs. Frizzle and Bell and in the Church by the former. As

Christian she was reared but pious. Over twenty years ago she joined the Methodist church at Linwood, Ont. under the pastorage of Rev. W. Laird. She leaves a sorrowing husband, seven sons and four daughters to mourn the loss of a dutiful wife and a fond mother. They may be assured of the public's deepest sympathy in their sudden affliction.

"On Sunday evening, in the Methodist church Rev. Mr. Frizzle preached a funeral sermon of the late Mrs. Root Brown taking for his subject 'The Christian's Hope'. Her large family of sons and daughters except Mrs. Williams of Portage, were present at the services. Deceased was a faithful member and an earnest worker of the church. No matter what was going on involving effort or sacrifice, her services were always willingly rendered. Mrs. Brown will be much missed as an earnest church worker in the community."

## COUNTY COUNCIL.

The new county council met at Berlin last week and dispatched the work they had to do in short order being only in session two days. Although only two of them had ever been at the county board before yet they are all skilled in council work and will give a good account of themselves. The following is the list of members:

### When to Go Home.

From the Bluffton (Ind.) Banner: "When tired out, go home; when you want consolation, go home; when you want fun, go home; when you want to show others that you have reformed, go home and let your family get acquainted with the fact; when you want to show your wife at your best, go home and do the act there; when you feel like being extra liberal, go home and practice on your wife and children first; when you want to shine with extra brilliancy, go home and light up the whole household." To which we would add, when you have a bad cold, go home and take Chamberlain's Cough Remedy and a quick cure is certain. For sale by A. J. Saunders, druggist, Wellesley.

Wellesley "time" is of the go as you please order these days. The various factory whistles and the school bell are liable to peal out at any old time. Howell, James and Albert streets, Toronto.

### Chamberlain's Cough Remedy Safe Medicine for Children

In buying a cough medicine for children, never be afraid to buy Chamberlain's Cough Remedy. There is no danger from it, and relief is almost sure to follow. It is intended especially for coughs, colds, croup and whooping cough, and there is no better medicine in the world for these diseases. It is not only a certain cure for croup, but when given as soon as the croupy cough appears, will prevent the attack. Whooping cough is not dangerous when this remedy is given as directed. It contains no opium or other harmful drugs, and may be given as confidently to a baby as to an adult. For sale by A. J. Saunders, druggist, Wellesley.

Remember the Farmers' and Women's Institute meeting in the Wellesley Opera House tomorrow (Friday) afternoon and evening. An admission of 15 cents will be charged at the evening meeting to those who are not members of the Institute, but members—and the membership fee is only 25 cents—will be admitted free along with their families. The moral is—join! A good program is prepared for the evening meeting. Everybody is invited to all the meetings.

When the Baden hockeyists got our boys on their own ice for the return game last Thursday night they took grim satisfaction for the defeat they sustained here a couple of weeks ago. The Baden rink is very small and dark, and the Wellesley boys were not prepared for the quick turning necessary to avoid collisions, so they spent a good deal of time on the fence for roughing. The visitors declined to give the official score when they came home but they owned up to a bad defeat.

The Wellesley hockeyists are dissatisfied with the reports which are being circulated to the effect that they deliberately "flaked" the engagement to play at Linwood at the carnival on Tuesday. The facts are that the match was announced on the posters without consulting Wellesley; then when the invitation reached here by mail our boys replied that they would go if their expenses were guaranteed. To this reasonable condition they received no answer whatever, so they remained at home. It is likely that the fault lay in an oversight on the part of Linwood as the officials are on this best of terms.

The death of Mr. E. Cairncross, which occurred suddenly at his home in New Hamburg last Saturday removes one of the most widely known and respected business men of this section. He had just passed his 70th birthday. A wide district was represented at his funeral on Monday, several business men from here being among the number. The remains were interred at Shakespeare.
