JESSE STRAUS.

Intended for last week.

The death of Mrs. Huehn, wife of Mr. George Huehn, occurred last Thursday morning. Although Mrs. Huehn had been ailing for some time she had been in her usual health until a few hours previous to her death. Mrs. Huehn was very highly respected in this community and her sudden demise was a shock to all. Besides a sorrowing husband she leaves a family of four. What makes this death doubly sad is the fact that a son was buried just two months before. The funeral which was held on Sunday was largely attended. The remains were interred in the Lutheran cemetery at Heideberg. Friends and neighbors extend their deepest sympathy to the bereaved family.

Mr. and Mrs. Henry Rohr visited Mr. Wm. Golbeck.

Mr. Henry Hapkes left Wednesday for Toronto.

Mr. and Mrs. J. Wittig visited Mr. John Gerth.

Rev. Mr. Petchsky has tendered his resignation and intends going West.

Mr. and Mrs. Wm. Graeber visited the late Mr. and Mrs. Lantz.

Mr. Sheppard paid a visit to the school one day last week.

Mr. and Mrs. Dohmeier of Hawkesville visited Mr. John Lips.

PHOTOGRAPHY.

Mr. and Mrs. Nicholas Schmidt, of Batho, were the guests of Mr. and Mrs. Abel Doering on Sunday last.

Mr. and Mrs. Russel Toman, of Waterloo, spent Sunday with the latter's mother, Mrs. Wiederholt, in this place.

Mr. Ed. Pfanner, of Berlin, who has spent a couple of days under the parental roof here, has left for Berlin again to perform his duties in Buchner's store.

Mr. A. E. Givens, of New Hamburg, spent Sunday with Mr. H. F. Schmidt.

Dr. James Orr, of Stratford, was a welcome visitor in the village on Monday last.

Wedding bells will be ringing in this village tomorrow (Tuesday). More about them next week.

Ever Man His Own Doctor.

The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from time to time be his own doctor.

Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's remedies have been in the market for many years and enjoy a good reputation.

Chamberlain's Cough, Cholera and Diarrhoea Remedy for bowel complaint.

Chamberlain's Cough Remedy for cough, colds, croup and whooping cough.

Chamberlain's Pain Balm (an anesthetic liniment) for cuts, bruises, sprains, swellings, lame back and rheumatic pains.

Chamberlain's Stomach and Liver tablets for constipation, biliousness and stomach trouble.

Chamberlain's Salve for diseases of the skin.

One bottle of each of these five preparations costs only \$1.25. For sale by A. J. Saunders.

LINWOOD.

Mr. Martinson, of Hawkesville, was in town last Saturday evening calling on his friends.

Ladies! let us draw your attention to the fact that the Millinery at R. Y. Fish's store has been marked down to snap bargain prices. There are many pretty things in tasty summer lines, and the stock is going to be all cleared out. Come and see them—the prices will suit you.

Our brass band had their first outing last Friday evening at the L. O. L. picnic in Millbank. We hope to hear a good report of their performance. For the short time they have been organized they play real well.

The O. A. C. excursion to Guelph was well patronized last Friday from this section there being 104 tickets sold from Linwood station.

Hastings Bros., Crosshill, got a car-load of coal in last week.

Miss Annie Goetz, milliner, has returned to her home in Exbridge, for her summer holidays.

Miss Edna Goetz, Hawkesville, is home on a holiday visit.

Several of our village sports took in the Mill bank picnic last Friday evening and report having had a good time.

Much sympathy is felt for Mr. and Mrs. Anthony Koebel in the loss of their infant child.

The brick-work is finished on the new private school building and the carpenters are this week putting the roof on this week. When finished it will be a beautiful building.

Mr. and Mrs. Fred Hilker, of Conestoga, were visiting Mrs. Hilker's mother this week.

Several took in the Presbyterian Social on Monday evening. All had a good time.

The 1 o'clock afternoon train got off the track at Millbank on Monday so did not arrive here until a much later time than usual.

Mr. Wray is visiting his brother, Mr. David Wray.

Dr. McEachern was at London last Friday operating on Mr. Calvert for appendicitis. Mr. Calvert was at one time the manager of the Sovereign bank here. His many friends wish him a speedy recovery.

Mrs. Alex. Beggs, west of Linwood, got word last Saturday from Elmina that her father was dead. We sympathize with the bereaved family.

On his way from London Dr. McEachern stayed over at Guelph and assisted in an operation on a Miss Lingo, from Batho.

Do Not Neglect the Children.

At this season of the year the first immature looseness of a child's bowels should have immediate attention. The best thing that can be given is Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by either oil or directed with each bottle of this remedy. For sale by A. J. Saunders.

ST. CLEMENTS.

VOIL—FORWELL.—A beautiful wedding was consummated in the local R. C. church on Tuesday, 18th inst., when Miss Annie Forwell, one of St. Clements' well known young ladies was tied in the holy bonds of matrimony to Mr. George Voil, Berlin. The ceremony took place at 7.30 a.m. with Rev. Mr. Hahn as the officiating clergyman. The wedding breakfast was partaken of at the home of the bride's parents, Mr. and Mrs. C. Forwell, who

reside in the village. The groom is wine clerk at the Market hotel, Berlin. The young couple will make their future home at the country town where we wish them every success.

WAGATIA—BROCH.—On Wednesday, 10th inst., Miss Isabella Broch second eldest daughter of Mr. Anthony Broch, Hawkesville, was married to Mr. Alex. Wagatia, Glen Ahan. The ceremony took place in the R. C. church, here, at 8 o'clock a.m., the nuptial knot being tied by Rev. M. S. Hahn, the Parish Priest. After the ceremony the bridal party went to the bride's parents where the rest of the day was spent.

One of the biggest barn raisings known in this locality was the one that took place on the farm owned by Mr. Connie Gies, living one mile north of St. Clements. The building is 125 feet long, 90 feet wide, and when completed will be 30 feet high. It took 125 men three days to have all the heavy timbers placed. A joining the main barn is another building used as a straw shed. The building when finished, will rank as one of the largest in the county of Waterloo.

HAWKESVILLE.

Mr. and Mrs. U. Hiesenbocher are spending a short time at the former's home prior to leaving for Alberta.

Miss Mary Friedman, of Weisenburg, was the guest of Miss Martin a few days last week.

Mr. Jackman, of the Berlin High School, visited the B. H. S. pupils here on Saturday and Sunday.

Miss M. Donald, who has been spending the past few months in Conestoga, is spending a few days in this village.

Miss Della Strone is visiting her sister in New Hamburg.

Quite a number from here took in the camp meeting in Berlin on Sunday.

Chopping will be shut down for a time after July 1st.

THERE ARE OTHERS.

(From The Chicago News)
Don't imagine any boy, if you know you can't love him.
That the time that couples can't wait to get together in their anguish will not be long.
And the senior partner turn pale.
You are highly intelligent and active and bright.
So you say, I'm unwilling to doubt the fact.
But the chance of all this is incredibly slight.
There are plenty of others without you.
Don't get mad with the girl, and to make her feel bad.
It's the truth, she knows it sounds awfully hard.
That she may never miss you at all.
It's mighty easy to say, saying away.
The I guess that at times she may want to say.
But I know that I'm in position to say there are plenty of others without you.
Don't get mad on the world and do something rash.
Not to make of the good of your soul.
If you jump in the lake you will make a splash.
If you never leave much of a hole.
Don't expect folks to make such a terrible fuss.
When they think very little about you.
And, to be sure, when you're away, aren't crying a cry.
There are plenty of others without you.

Tetter Cure!

A lady customer of ours had suffered with tetter for two or three years. It got so bad on her hands that she could not attend to her household duties. One box of Chamberlain's Salve cured her. Chamberlain's medicines give plenty of satisfaction in this community. M. H. Rodney & Co., Almond, Ala. Chamberlain's medicines are for sale by A. J. Saunders.

EDITORIAL NOTES.

The eleventh annual report of the Commissioner of Public Highways is in hand. It is bristling with information which should be known by every one who believes Ontario needs better roads.

In the year 1905 the township of Wellesley spent \$4,998 in cash and 4,317 days work in statute labor on its 198 miles of public roads. That would amount to \$25.25 cents cash, and 32 days work per mile.

Taking the expenditures on roads in Wellesley township for ten years makes appalling figures. The cash expenditures for the ten years ending with 1905 amounts to no less than \$40,551 according to the official figures. The statute labor during that time was 63,170 days; if computed at 75 cents per day it would give \$47,380, or a total sum of \$88,239 which Wellesley township has put on its roads between Jan. 1, 1896 and Jan. 1, 1906. This immense sum would pay for making every inch of roads in the township on the permanent plan.

The financial crisis which recently appeared to threaten the Sovereign bank is now apparently passed and under its new management it is hoped that the bank will win the confidence of the public and attain a worthy position in the business community. The heavy draft upon its capital stock and the practical wiping out of its reserve fund was a heavy blow to this young financial institution, but now that the worst is known and the air cleared the Sovereign may soon again have a high place among Canadian banking institutions.

Canadian banking laws are of a nature not only to strengthen a bank during a crisis but to protect to an extended extent the depositors. The New York Journal of Commerce says:—"Canadian bankers and financial writers have a right to congratulate themselves upon the superiority of their banking system, which is more nearly perfect than any other in the world, and puts to shame the clumsy and disordered national system of the United States. It affords, in what is here sometimes derisively spoken of as 'assets currency,' a perfectly safe and elastic form of note circulation, which expands and contracts with the demands of business; and through the branch banks it furnishes the means not only of distributing and collecting the currency readily, but of placing the capital and credit of the main institution where they can be used to the best advantage. The superiority of the system over ours is constantly exhibited, but if a time of strain and stress should come it will be demonstrated in a striking fashion that ought to teach us a lesson. Canada is justly proud and confident of her banks, and our loose-jointed and cumbersome system is a cause of continual dissatisfaction, and is likely to be one of humiliation when put to a severe test.

Will You Help It?

THE HOSPITAL FOR SICK CHILDREN

For it Cares for Every Sick Child in Ontario whose Parents Cannot Afford to Pay For Treatment.

The Hospital for Sick Children, College street, Toronto, appeals to the fathers and mothers of Ontario for funds to maintain the thousand sick children that it nurses within its walls every year.

The Hospital is not a local institution—but Provincial. The sick child from any place in Ontario who can't afford to pay has the same privileges as the child living in Toronto and is treated free. The Hospital had last year in its beds and cots 761 patients, 207 of these were from 125 places outside of Toronto. The cost is 25 cents per patient per day, and there were 125 sick little ones a day in the Hospital.

"GOOD DAY, DOCTOR." Since its foundation the Hospital has treated 10,271 children—about 7,500 of these were unable to pay and were treated free. Every dollar may be the translator of your kind thoughts into the Hospital kind deeds. Everybody's dollar may be the Friend in Need to Somebody's child. Let the money of the strong be mercy to the weak. The Hospital pays out dollars and cents of health and happiness to suffering childhood on every dollar that is paid by the friends of little children. If you know of any sick child in your neighborhood who is sick or crippled or has club foot send the parent's name to the Hospital.

"BEN'S ENTITLED" See the example of what can be done for club-foot children. There were 14 like cases last year and hundreds in 25 years.

Please send contributions to J. Ross Robertson, Chairman, or to Douglas Davidson, Sec.-Treas., of The Hospital for Sick Children, College Street, Toronto.

MORE MILK

The cow for the dairymen is the one that can make the most profit in milk, butter, or cheese for the food consumed. A large number of cows are kept for these purposes, and it takes a great deal of money to pay for their keep. They consume as much as profitable ones, but produce as much time and care in their milking. Also many a good "Milk" has gone to the butchers block owing to improper care and feeding. Many of the milk producing qualities of the feed are lost owing to improper digestion and assimilation. This can be overcome by the addition of Clydesdale Stock Food to the ordinary feed so it gets the stomachs in such shape as to help her to digest and assimilate her food, besides enabling her to eat more of it, as it is made more appetising. This makes her capable of secreting more milk, and, in many instances, richer milk. If it could be demonstrated that more barrels of wheat could be grown on a piece of ground than ordinary, and without injury to the land, in fact improving it, and at an extra profit, wouldn't you take up the proposition. Clydesdale Stock Food will add to the milk production, and with extra profit, and without injury to the "Milk", because it gives a tone and sleekness to the animal that cannot otherwise be obtained. The Clydesdale Stock Food will also make the dairyman's stables in a healthy condition ensuring healthier milk. If after using the above, you find you are not satisfied, your money will be heartily refunded by our dealer. Clydesdale Stock Food is sold in your district by:

On common fences the continuous wire stays are sure to bend and the locks to lose their grip under continual pressure of your horses or cattle. And once they do, the top wire, soon followed by those below, will sag and destroy the efficiency of your fence.

Nothing like that can happen to our Dillon Hinge-Stay Fence. The short, stiff hard steel wire in our hinge-stays cannot bend when the lateral wires are weighted down, owing to their being so short and jointed at each strand wire.

Pressure of a horse on the top wire brings the "hinges" in the stays into action and prevents them from bending, and when pressure is relieved the fence springs back into place again.

The lateral wires are High-Carbon Hard Steel and coiled to provide for expansion and contraction by heat and cold, and are also crimped at the intersection of the stays and strands to prevent the stays from slipping sideways—therefore no locks are needed.

Buy the Dillon Hinge-Stay Fence. It's "twice as strong." Twice as good an investment. Catalogue free.
