His remarks were listened to with marked attention and were well received by all; solo by Miss Snyder, St. Jacobs; organ solo, Miss Usher, Linwood; solo Mr. Davidson, Newton. This brought to a close one of the most successful anniversaries in the history of the Methodist church.

The other prizes are as follows: The second, \$20; the third and fourth, \$10 each; the fifth and sixth, \$5 each, and ten consolation prizes at \$2 each. LISBON.

After an illness of about two months, Rev. G. P. Wagner, Evangelist minister in Listowel, passed away on Sunday evening, September 22, in his 28th year. His death was caused by an internal cancer. He leaves a wife and two children. The funeral took place on Thursday, the remains being carried to Listowel for interment. The deceased was much beloved by his congregation and his death is a loss to them. He was the only son of Mr. Philip Wagner of this place. The profound sympathy of this neighborhood is extended to bereaved family.

DO YOU WANT A FARM?

The following are among the Canboro township cheap farms offered for sale this fall:

A 150 acre farm near the village of Canboro; good house, new log stable, good drive house, new horse stable, but wants a new barn. The price is \$1,500. It is one of the most farms in Canboro township.

A beautiful 130-acre about one mile from the village, with 30 acres good bush, buildings very common. For a quick sale: \$1,700.

Another farm, just adjoining this, 130 acres, very common buildings, for \$2,000 if sold by October 1st.

A very nice 150-acre farm about a mile and a half from Canboro village, 100 acres cleared, very nice nearly new buildings, for \$1,700. This farm is kept in very nice style.

Another 150-acre farm with lots of bush, new house, common barns, about two miles from Canboro. Price, \$3,700. This is certainly a great bargain.

Then there are a few very good 100-acre farms with good buildings and lots of bush, at prices ranging from \$2,000 to \$3,700, and quite a few 200-acre farms that can be purchased very cheap.

Parties wishing to learn more of these farms are invited to write to or visit John Hill, Canboro. Many prominent Wellesley section farmers, such as Messrs. B. Hosteller, G. Buchheit, B. R. Gascho, A. Streicher and others have seen this land. Several of them have bought and any of them can tell you the nature of the Canboro soil.

"I find Chamberlain's Colic, Cholera and Diarrhoea Remedy to be the best in the world," says Mr. C. L. Orr of Skirmish, Ala. "I am subject to colic and diarrhoea. Last spring it seemed as though I would die, and I think I would if hadn't taken Chamberlain's Colic Cholera and Diarrhoea Remedy. I haven't been troubled with it since and this week when I had a severe attack and took half a bottle of twenty-five cent size Chamberlain's Colic Cholera and Diarrhoea Remedy, and this morning I feel like a new man. For sale by A. J. Saunders, druggist, Wellesley."

LOCAL NEWS.

Every article in the store goes cheap at John Spahr's.

Through an error the date of this issue (Oct. 28th) is given on the first page wrongfully as "Oct. 26."

Mr. Avon Leis, of Berlin, was in town shaking hands with his many friends at the fall show last week.

Messrs. Jonathan Lichty and Ed Shuch spent a part of last week as guests at Mr. John Hill's big farm at Canboro.

Mrs. C. Ziegler, of Elmira, is at present the guest of her daughter, Mrs. (Rev.) Battenberg, in this village.

In Ladies' stylish Dress Goods and Nobly Costs, we are leaders. W. Kelterborn.

Mrs. W. Cleghorn and her daughter Miss Victoria are at present the guests of relatives and friends in Buffalo.

Miss Margaret Hunter, of Toronto, was the guest of her aunt, Mrs. Alex. McDonald, last week.

Mr. and Mrs. Louis Steis, of Heidelberg, were visitors at the home of Mr. and Mrs. Louis Koehler, on Saturday.

W. Kelterborn announces his fall opening of Fall Stock and Millinery, commencing Saturday.

Commission services will be held in the Union church, Wellesley, on Sabbath evening next. Members of all Christian churches are cordially invited. Rev. Mr. Stewart, who occupied the pulpit last Sunday evening, will officiate.

Mr. Peter Doersam, who recently sold his hotel business in Poole, has taken up his residence in this village, moving into Mr. Jas. McDonald's house, on the South Side.

Mrs. A. B. Schmidt, and her granddaughter, Miss Edith Altman, who have both been critically ill at Mr. Altman's home, are both, we are pleased to report, getting better.

A very brilliant meteor shot across the south eastern sky just at dusk on Tuesday evening. It was apparently about spent as it was travelling very slowly and finally burst into a pretty shower of fire.

Mrs. Jas. McDonald returned to her home in Parkhill this week after a week's visit at her former home in Wellesley.

Mr. and Mrs. John Currier, postmaster and express agent of Plattsburgh, and son Edson, were the guests of the ladies' circle, Mr. Louis Koehler, on Fair day.

Mr. Reuben Cleghorn, of Galt, has returned to his business after spending a couple of weeks holidays with his parents and friends here and taking a short trip to Buffalo.

Mr. W. Wilhelm has just completed a fine piece of cement wall along the east front of his block occupied by the Western bank.

We are glad to notice that the public are beginning to read their "personals" and other items to the Maple Leaf. That is the proper way. In some places the people neglect to tell the editor of these always interesting items, and afterwards accuse him of partiality for leaving out their friends, of whom he knows nothing.

The Wellesley school football team played home-and-home games with the St. Clements school lately winning both—at St. Clements by a score of 1 to 0, and at home by 4 to 3. These young teams are evenly matched and they both make a specialty of "combining". There will be some fine soccer talent in both villages when these lads grow up.

Mrs. James R. Milne, who has been visiting relatives in Wellesley and vicinity for the past three months, left on Tuesday for her home in Forbes, Missouri. She was accompanied by her sister Miss McDonald, as far as Parkhill, where they will spend a week with their brother, Mr. James McDonald and family.

MILLINERY OPENINGS.

The dreary rains of last Saturday only partially kept the ladies away from the Wellesley millinery openings, and that they were pleased is clearly shown in the large number of orders placed. Our fashion editor ventured on Tuesday morning to visit the displays and enjoyed a rare treat.

At the Rose millinery, over Kelterborn's store, Mr. Alex. Rose, of Berlin, has sent Miss Helm to take charge. She arrived last Friday with an elegant assortment which she had in readiness for the opening next day. The display is the best that Mr. Rose has ever attempted here as he has found his Wellesley venture a decided success and Miss Helm appears accomplished in the mysterious art of millinery creations, so that these parlors are sure of a large fall trade.

The opening at Reiner Bros. & Co.'s was shown in their large and prettily decorated rooms. Miss Akam, the milliner, has made careful preparations to please the ladies of this section and she was eminently successful. We were shown through this display and were finally flattered into the notion that we knew something about ladies' hats, but we won't venture any information on this point further than to advise the public, especially the ladies, to take a look through this "beautiful bewilderingment" at an early date.

Both the Stratford papers, in reporting the Wellesley show last week, paid flattering compliments to our local brass band. The boys well deserve the high reputation which they are gaining.

The October meeting of the Wellesley Women's Institute, will be held in choir room of Mr. C. Ottmann's block, on Thursday, Oct. 10th, at 2.45 p. m. A large attendance is expected.

At a recent meeting of the officers of the Women's Institute, of North and South Waterloo, it was decided to hold a convention at Preston, on Thursday, Oct. 24th. Miss Rife, of Hespeler, is secretary of convention, and a morning and afternoon session will be held. Lunch will be provided by the Galt, Preston and Hespeler ladies.

Two rinks of Wellesley bowlers are playing in Stratford this (Wednesday) afternoon. The result was to have been "phored" us, but was neglected. Why?

On common fences the continuous wire stays are sure to bend and the locks to lose their grip under continual pressure of your horses or cattle. And once they do, the top wire, soon followed by those below, will sag and destroy the efficiency of your fence.

Nothing like that can happen to our Dillon Hinge-Stay Fence. The short, stiff hard steel wire in our hinge-stays cannot bend when the lateral wires are weighted down, owing to their being so short and joined at each strand wire.

Pressure of a horse on the top wire brings the "hinge" in the stays into action and prevents them from bending, and when pressure is relieved the fence springs back into place again.

The lateral wires are High Carbon Hard Steel and coiled to provide for expansion and contraction by heat and cold, and are also crimped at the intersection of the stays and strands to prevent the stays from slipping sideways—therefore no locks are needed.

Buy the Dillon Hinge-Stay Fence. It's "twice as strong." Twice as good an investment. Catalogue free.
