CROSSHILL

Council met at the township hall here on Monday. A good deal of business was done, among other things the collectors presenting their bonds and receiving the rolls.

Potato digging is employing the farmers' spare time this week.

The annual harvest home service will be held in the Anglican church, Crosshill, on Sunday evening next, Oct. 13th at 7 p.m. Rev. W. J. Speace, of Milverton, will officiate. A concert in connection with the above will be held in the township hall, here, on Wednesday evening, October 15th commencing at 8 p.m. Admission 10c and 15c.

Miss Grieve, teacher at Woodstock, is visiting at the home of Mr. and Mrs. Gavin Barbour.

Miss Emma Green, of Wellesley, was the guest of Miss Alice Hastings, part of last week and this.

PRESBYTERIAN ANNIVERSARY.

The anniversary services in connection with Boyd's Presbyterian church, were very successful. Large congregations gathered on Sunday to listen to powerful sermons by Rev. Mr. Whaley, of Braemar, who preached both morning and evening, and liberal collections were taken. The tea-meeting on Monday evening was a pronounced success in spite of the heavy rain and darkness. A sumptuous supper was served in the basement from six to eight o'clock, and there is no better way to describe its excellence than to say it was enjoyed by all. The addresses by Rev. Messrs. Whaley, McKinnon, of the Milverton Presbyterian church, and Washburn, of the Millbank and Crosshill Anglican churches, were all happy and appropriate efforts, the latter youth-leader speaking very especially popular. Miss Grieve and Mr. R. B. Hamilton each gave high-class eulogistic numbers which delighted the audience. Miss Grieve has won high honors in Ontario, and well deserves them, while Mr. Hamilton has proven himself, both as a speaker and reciter, to have very few equals among amateurs. The musical part of the program was given by Mr. and Mrs. Grosch, two highly talented vocalists, from Milverton, in splendidly rendered duets and solos, and a vocal male quartet from Millbank whose voices blended remarkably well, fairly capturing the audience. The entire program was one of the very finest ever rendered here and reflects much credit upon Mr. Gavin Barbour under whose direction it was provided, and Miss Coote, the accomplished young pianist, who presided at the organ. The meeting broke up at a very late hour, the happy people contentedly facing homewards through the inky night.

PHILIPSBURG,

The Evangelical congregation held their harvest home on Sunday evening, Oct. 6th.

Mike Schrag is doing a capital business in this section with his traction engine, sawing wood and also filling silos. Milk understands the business thoroughly.

Mrs. E. E. Eidt spent a day with her parents in Hamburg last week.

Miss Margaret Eidt, of Berlin, was visiting friends in the village over Sunday.

Mrs. Wiederhold is at present staying with her daughters in Waterloo.

Mr. and Mrs. Henry Lantz spent Saturday and Sunday with friends

in Berlin.

Mr. Earnst Gartung and sister Clara, of Baden, spent Saturday and Sunday the guests of Miss Christena Lantz.

Miss Salome Pfanner and Miss Clara Handstein, of Berlin, spent Sunday under the parental roof.

Messrs. Bottinger, Steffler, Yeck and Miss Lilla Boettinger, of Bridgeport, were the guests of Mr. Edward and Miss Emma Doering.

Mr. Krug, of Wartburg, visited at the home of Mr. and Mrs. Henry Berg over Sunday.

Mr. and Mrs. Con. Heldman, who spent the last month with Dr. and Mrs. L. Doering, of Midway, have returned to their home again.

Mr. John Schmidt, druggist, of Berlin, spent Sunday with his father and sisters here.

Just as we are closing this correspondence we received the sad news that Mr. and Mrs. C. L. Forler's baby boy had died quite suddenly. The parents have the sympathy of the whole community in their bereavement.

Mrs. Adam S. Meyer has returned from a week's visit to Chicago, Ill.

Miss Bessie Brown, Toronto, is visiting at Mr. J. Muller's.

A court for the revision of the voters list of Wellesley township was held here on Tuesday. Many names were added.

A social hop was given the young people of St. Clements by Mr. Peter Wey at the home of Mr. Jos. Wey, on Friday evening, 5th inst. It was very successful.

A hockey meeting will be held on Tuesday evening, the 8th inst., when assistance will be asked to board in the local skating rink and otherwise make it first-class for skating and hockey purposes. The project should receive due assistance.

LINWOOD.

Mr. Anthony Ziegler's auction sale last Tuesday attracted a large crowd of men. Everything went very well.

Miss Lola Spahr, we are sorry to state, is indisposed this week.

Miss Flo Smith returned from St. Joseph hospital, Guelph, last week looking hale and hearty. Her many friends are pleased to see her back.

Mr. and Mrs. Pat. A. Sholt, spent Sunday in Drayton with friends.

Last Monday a contingent of eight tennis players left Linwood for Atwood, but when they got into

Morington township the rain took all the spring out of their racquets so they turned around and drove to the tea meeting at Crosshill where they enjoyed an excellent time. Try again, friends.

Messrs. J. Stewart, N. Hosea, A. Schurr and R. B. Hamilton attended the Atwood fall show last Wednesday.

DO YOU WANT A FARM?

The following are among the Canboro township cheap farms offered for sale this fall:

A 150-acre farm near the village of Canboro; good house, new log stable, good drive house, new horse stable, but wants a new barn. The price is \$4,500. It is one of the nicest farms in Canboro township; A beautiful 150-acres about one mile from the village of Canboro. For a quick sale: \$4,700.

Another farm, just adjoining this, 130 acres, very common buildings, for \$2,900 if sold by October 1st.

A very nice 150-acre farm about a mile and a half from Canboro village, 100 acres cleared, very nice nearly new buildings, for \$4,700. This farm is kept in very nice style.

Another 150-acre farm with lots of bush, new house, common barns, about two miles from Canboro. Price, \$3,700. This is certainly a great bargain.

Then there are a few very good 100-acre farms with good buildings and lots of bush, at prices ranging from \$2,900 to \$3,700, and quite a few 200-acre farms that can be purchased very cheap.

Parties wishing to learn more of these farms are invited to write to or visit John Hill, Canboro. Many prominent Wellesley section farmers, such as Messrs. H. Hostetler, G. Buehler, D. R. Gascho, A. Streicher and others have seen this land. Several of them have bought and any of them can tell you the nature of the Canboro soil.

When you go to Waterloo drop into Jos. Ebert's Recreation Hall and see the new display of cigars, pipes and tobaccos. He sells the finest 5c. cigar in the county.

Special bargains for the next three months before giving up business, at John Spahr's.

LOCAL NEWS.

Every article in the store goes cheap at John Spehr's.

Miss Martha Koehler is visiting in Preston this week.

Mr. Albert Serrett is off work at present grappling with an attack of quincy.

Mr. and Mrs. Ed. Ratz were the guests of Mr. and Mrs. Hill, at Canboro, over Sunday.

The band boys are arranging a combined dramatic entertainment for the near future.

Miss Florence Krentzweiser spent the week end with relatives in Berlin and Waterloo.

Our village teachers will attend the Teachers' Convention in Berlin on Thursday and Friday of next week.

In Ladies stylish Dress Goods and Nobby Coats, we are leaders. W. Kelterborn.

Mr. and Mrs. Wm. Hoag spent the past couple of weeks in Baden. Mr. H. returning home on Tuesday.

Mr. and Mrs. Robert Fleischhauer, Harry Wids and Walter Fleischhauer, of Berlin, were visiting here on Sunday.

Mr. and Mrs. Peter Globe and Mr. and Mrs. Wm. Kelterborn, of this place, spent Sunday in Berlin. Mrs. Kelterborn remaining for the week.

The township collectors now have their rolls and receipt books and are "armed for the fray." They expect to start on their rounds shortly.

With apologies to the Berlin Telegraph: This is the twelfth day since the Wellesley Road of Trade has not done anything further with the fire protection scheme.

Wet weather is retarding the taking in of the potato crop the past week or so. The yield is reported excellent.

Mr. August Kelterborn is laying out a pretty bowling green in front of his residence on the eastern border of the village.

A new board sidewalk has just been laid along the east side of the block extending north from Ratz & Fleischhauer's mill office.

Messrs. Peppeler and Neeb expect by the end of the present month to be living in the fine brick residences they have now nearly completed in this village.

If our local tennis players can get together a home-and-home mixed match with Linwood can yet be arranged this season. Our northern friends are reported to have a strong club this fall.

Misses Dora Kaufman and Irene Fehl and Mr. Wm. Schauf of Hamburg, and Philip Albert, of Dublin, were the guests of Miss Florence Fleischhauer in this village on last Sunday.

The early closing season is now closed for the summer, but we notice that but few merchants are taking advantage of it. As a matter of fact very little business is done in the evening and those "behind the counter" do all the better work during the day for having the evening to themselves.

The starting of the roller mill here a couple of weeks ago has made a noticeable improvement in the business done in the village. Messrs. Knight & Son, the new proprietors are turning out a brand of flour that is getting quite popular, while they are buying all the wheat and coarse grains they can get hold of.

BORN.

In Josephburg, on Oct. 9th, to Mr. and Mrs. John Miller, a son.

BOWLING.

The following is the score of the bowling match played in Stratford on Wednesday of last week. No wonder the boys were diffident about 'phoning the result home in time for last week's Leaf:

Wellesley.	Stratford.
D. Desautels	T. Orr
A. Berscht	A. C. Baroud
W. W. Cleghorn	C. Hentz
A. E. Keiner, sk	D. D. Hay, sk
J. Kerr	W. Heppeler
H. K. Forler	A. E. Cash
A. McDonald	B. S. Frame
H. Krentzweiser	Jas. Trow
er, skip	skip
18	42

Majority for Stratford, 74 shots.

On the whole the Wellesley Bowling has made a very good record this season. It has played home and home matches with the strong Berlin, Waterloo and Stratford clubs. Our boys won both matches with Berlin and broke even with Stratford and Waterloo.

FOOT BALL.

Our local foot ball clubs have done even better than the bowlers this season, playing seven matches with a record of five wins, 2 draws and no losses.

The match last Saturday evening on the grounds here against a team which unexpectedly arrived from Berlin resulted in a win for our boys by a score of 5 goals to 0.

Other villages around Wellesley are already making arrangements for the coming hockey season. It is high time Wellesley took hold of the matter. There is splendid playing ability here and much of the season's fun is usually lost because of the slowness of making a start. A meeting should be called at an early date to organize and to try and arrange for a fenced-in open rink in some other spot than upon the pond. At the close of last season one of our business men about decided to build a covered rink this year; there ought to be enough of that enthusiasm left to help the coming folks out in building an open rink for the coming winter's ice fun.

Emerson Luckhart is placed as billing operator with W. G. & R.; Harvey Bricknell as bookkeeper with Canada Button Co. Other firms that applied to Berlin Business College for office help and could not be supplied because none were ready were: The C. F. R. for a young man stenographer; The S. H. Knox Co. for a lady bookkeeper; The Bell Telephone Co. for a stenographer; This Responder Furniture Co. for a bookkeeper. If you want the best business education and a position afterward, attend the Berlin Business College.

LIMERICK COMPETITION.

The success of the Limerick Competition, which has been running for the past few weeks in the Toronto Mail and Empire, has been so phenomenal that they have decided to raise the amount of prize money in the contest, which commenced Friday, Sept. 27th, to \$100. The person who sends in the best suggestion for the last line of the incomplete Limerick will receive \$30. The other prizes are as follows: The second, \$20; the third and fourth, \$10 each; the fifth and sixth, \$5 each, and ten consolation prizes at \$2 each. It is probable that these contests will be continued from week to week, and the conditions governing them will be found both in the Daily and the Weekly Mail and Empire.

On common fences the continuous wire stays are sure to bend and the locks to lose their grip under continual pressure of your horses or cattle. And once they do, the top wire, soon followed by those below, will sag and destroy the efficiency of your fence.

Nothing like that can happen to our Dillon Hinge-Stay Fence. The short, stiff hard steel wire in our hinge-stays cannot bend when the lateral wires are weighted down, owing to their being so short and jointed at each stand wire.

Pressure of a horse on the top wire brings the "hinges" in the stays into action and prevents them from bending, and when pressure is relieved the fence springs back into place again.

The lateral wires are High Carbon Hard Steel and coiled to provide for expansion and contraction by heat and cold, and are also crimped at the intersection of the stays and strands to prevent the stays from slipping sideways. Therefore no locks are needed to stay the Dillon Hinge-Stay Fence. It's twice as strong. Twice as good an investment. Catalogue free.
