DISTRICT NOTES

An interesting event took place in the R. C. church, St. Clements, on Tuesday, October 22nd, when Mrs. A. Matell was joined in wedlock to Mr. John S. Meyer. Rev. M. S. Halm performed the ceremony, after which the party adjourned to the home of the bride's parents, Mr. and Mrs. W. Furwell, where a tasty wedding breakfast was partaken of. The happy couple afterwards left for Buffalo and other points across the line, where they will spend their honeymoon. On their return they will take up their residence on the groom's farm, near St. Clements.

Mr. August Schmedel died suddenly at his home in New Hamburg on Wednesday last. Deceased had been a resident of New Hamburg for about 40 years, carrying on business as a weaver. He was 77 years of age, and leaves one son and four daughters.

A disastrous fire occurred at Krentzinger planing mills, Waterloo, on Saturday last. The fire had been in progress some time when discovered and had secured a good hold on the premises. The fire brigade were summoned and were quickly on the spot. They were reinforced later on by assistance from Berlin, and after a strenuous fight the flames were subdued. The extent of the damage is at present unknown.

The milkmen of Stratford have, to use a vulgar expression, "come off their perch," and have decided not to increase the price of milk on November 1st, as at first intended. This will be welcome news to milk consumers of that city.

DO YOU WANT A FARM?

The following are among the Canboro township cheap farms offered for sale this fall:

A 150-acre farm near the village of Canboro: good house, new log. A beautiful 150-acre farm, 30 acres mile from the village, with 30 acres good bush, buildings very common. For a quick sale: \$4,700.

Another farm just adjoining this, 130 acres, very common building, for \$2,900 if sold by October 1st.

A very nice 150-acre farm about a mile and a half from Canboro village, 100 acres cleared, very nice nearly new buildings, for \$4,700. This farm is kept in very nice style.

Another 150-acre farm with lots of bush, new house, common barns, about two miles from Canboro. Price, \$3,700. This is certainly a great bargain.

Then there are a few very good 100-acre farms with good buildings and lots of bush, at prices ranging from \$2,900 to \$3,700, and quite a few 200-acre farms that can be purchased very cheap.

Parties wishing to learn more of these farms are invited to write to or visit John Hill, Canboro. Many prominent Wellesley section farmers, such as Messrs H. Hostettler, G. Buchholt, D. R. Gascho, A. Streicher and others have seen this land. Several of them have bought and any of them can tell you the nature of the Canboro soil.

A truly good woman is a zephyr from the skies. By her side the woman of the world becomes puny and insignificant. A truly good woman is something more than beautiful—she is grand.

Another sensation in financial affairs occurred last week in New York, when the Knickerbocker Trust Co., recognized as one of the soundest financial concerns in the state, closed its doors after a heavy run on its resources. Following as it does other bank smashers in that glorious liberty loving country, the ordinary well-to-do person will be non-plussed to know where to hide his coveted hoard with any degree of safety. Our treasure kneo-deep in the ink barrel than trust it to the ordinary banking concern of the United States.

The French forces at Casablanca were defeated by Moorish troops a few days ago.

The same old story. So long as the governments of our leading nations will dispatch a handful of men to quell fanatical hordes of armed warriors, so long will murder and annihilation take place, and more men be sacrificed to the cruel atrocities of their bloodthirsty enemies.

Rev Dr Workman has been requested by the Board of Wesleyan Theological College to resign his position because of what they are pleased to call his unorthodoxy.

Although the days of the stake have long since passed away, men who have the moral courage to think for themselves and give tolerance to opinions diverse to orthodox channels laid down by theological bodies must still undergo the ordeals of martyrdom.

The Bourasse-Turgeon campaign commenced in real earnest on Sunday last. The first meeting was held at Bellechase during a snow-storm. In spite of the inclement weather, much enthusiasm prevailed.

The political atmosphere down in Bellechase must be red-hot when a vast concourse of people will stand in the open-air during a heavy snowstorm and listen to a dry political harangue.

THE HOSPITAL FOR SICK CHILDREN

For It Cares for Every Sick Child in Ontario whose Parents Cannot Afford to Pay For Treatment.

The Hospital for Sick Children, College Street, Toronto, appeals to the fathers and mothers of Ontario for funds to maintain the thousand sick children that it serves within its walls every year.

The Hospital is not a local institution—but Provincial. The sick child from any place in Ontario who can't afford to pay has the same privilege as the child living in Toronto and is treated free.

The Hospital had last year in its beds and cot 761 patients. 527 of these were from 186 places outside of Toronto.

The cost is 25 cents per patient per day, and there were 129 sick little ones a day in the Hospital.

"Good Day, Mother." Since its foundation the Hospital has treated 10,571 children—about 7,500 of these were unable to pay and were treated free. Every dollar may be the translator of your kind thoughts into the Hospital kind deeds.

Everybody's dollar may be the friend in need to Somebody's child.

Let the money of the strong be mercy to the weak. The Hospital pays out dividends of health and happiness to suffering childhood on every dollar that is paid by the friends of little children.

If you know of any sick child in your neighborhood who is sick or crippled or has a club foot send the parent's name to the Hospital.

"THE HOSPITAL" shows the example of what can be done for club-foot children. There were 14 like cases last year and hundreds in 25 years.

Please send contributions to J. Roy Robertson, Chairman, or to Douglas Davidson, Sec. Treas., of The Hospital for Sick Children, College Street, Toronto.

Coal dealers in Galt are now insisting that all coal purchased be paid in advance or on delivery. They give as the reason the fact that mine owners will not ship coal unless paid for in advance.

The death of Mrs. Nitarady, of Phillipsburg, the report of which appeared under Phillipsburg correspondence, will be deeply regretted by many people in Wellesley. Deceased had been conducting a musical class here for the past few years with marked success, and had endeared herself to her pupils, who will greatly miss her.

The Berlin Telegraph tells of a farmer from St. Agatha who in driving home from Waterloo missed his way and was precipitated over an embankment. No personal injuries were sustained but the wagon was badly damaged.

An interesting lecture was given in Zion Presbyterian church, on 3rd. line Wednesday evening by Rev. Mr. Spence. The lecture was entitled "Egypt," and was illustrated by lantern views. A musical programme was also rendered and greatly enjoyed.

Several prominent residents of Thamesville were heavily fined for trespassing and stealing. The Grand Trunk officials, who presented, claimed that the men drank and carried away with them liquor which escaped from a bonded liquor car, damaged in a wreck.

Rev. Mr. Richardson, of Knox college, who occupied the pulpit of the Union church a week ago, will again preach on Sunday evening. Those who were absent on the occasion of his former visit should make it a point to be in attendance on Sunday evening next.

A Gaiety christening took place in the Winnipeg slums a few days ago, and in a small cottage the merry-makers consumed 20 half kegs of beer, several bottles of whiskey and a gallon of wine. Ye God! what a thirst and what an edifying nineteenth century celebration.

Just at present there is considerable railway talk in the air. It is reported that survey parties are about to start practical work from Linwood. Prodding by past experience, people in this district will regard such news with scepticism. That a railway will come through here at no very distant date, however, is assured.

The illustrated lecture announced for Tuesday evening last has been postponed until next Wednesday, owing to circumstances which prevented the lecturer from being present on the former date. The delay and there will undoubtedly be a larger gathering present. The subject should please old and young, and the lantern views will be very attractive. The programme will commence promptly at 8 o'clock p. m. Admission ten cents.

Henry Eix, an old pioneer of Wellesley township, passed away at Elmira on Monday last. Deceased was born in Schomburg-Lippe, Prussia, in 1821. He came to America in his 21st year, and after spending about a year at Fort Wayne, Ind., he came to Canada. He worked at his trade, tailoring, at Waterloo for a while, then tailed from house to house throughout the county as was the custom in those days.

About 58 years ago he bought a farm near Newkewille, which was then nearly all bush. Here he burned potash for a time, a very profitable employment at that time. During recent years he had several times been seriously ill, but his wiry constitution always pulled him through. A week or so ago, however, he caught a severe cold, which proved too much for his advanced age, and on Monday he passed away. The funeral will be held on Thursday afternoon, the service at the house beginning at 10 o'clock. Burial at Elmira followed by services in St. Pauls church.
