## News of the District

BY OUR CORRESPONDENTS

### PHILIPSBURG.

Mr. John L. Forier is at present making his rounds gathering taxes. John meets many cross dogs.

Mrs. John Becker, of Oshawa, was visiting friends in this vicinity part of last week.

Among those who spent Thanksgiving in the village we noticed Mr. Ed. and Miss Saloma, of Berlin, and Miss Clara Bandstein, also of Berlin; Mrs. Russell Toman, of Waterloo, and Mr. Coxen and Charles Seips, of Plattville. Mr. Edwin Krabbing and sister, Johannes, of St. Agatha, were the guests of Mr. and Miss Ella Lantz on Sunday.

Mr. and Mrs. Wm. Heipel, of Doering's Corner, spent Sunday with Mr. and Mrs. Edwin Heipel of this place.

Mr. Henry Wagner and son Helmut took a trip to Canbora last Thursday and spent the day with Mr. John Hill. Mr. Wagner speaks well of that country.

Mr. John M. Seim, of Aylton, called on some of his friends here en route to Wellesley one day last week. Mr. Seim was a schoolmate of the writer thirty years ago when we went to the old Ratzburg school.

Mr. and Mrs. Henry Holzman, of Berlin, visited friends in the village last week.

Mr. and Mrs. James Capeling, of Burnside, visited Mr. and Mrs. Henry Heisel on Sunday.

### LINWOOD.

Mr. R. B. Hamilton spent Thanksgiving at Hespler, attending the Galt Epworth League convention.

Miss Ida Goetz, of Hawkesville, was in town Monday calling on friends.

Mr. W. J. Lytle spent Thanksgiving at his home near Listowel.

Last Saturday at the quarterly board meeting of the Methodist church, Rev. Mr. Usher handed in his resignation. We are sorry to see Mr. Usher leave town, as he is a good preacher, and during his short stay has made many friends, who wish him well.

Miss Cooper, of Durking, was visiting friends in town Monday.

Miss Fleming, of Mornington, spent Sunday with her friend Miss Melbie Schnurr.

Miss Raue Goetz spent Thanksgiving with her sister at Milverton.

Miss L. Sutter was visiting friends in Milverton last week.

The funeral of Mr. Thos. Davie took place last Saturday, interment being made in Linwood cemetery. Much sympathy is felt for his wife and family who are in England in straitened circumstances. A well filled purse was collected by the good people of Linwood and vicinity which was sent to them, which we heartily approve in such a sad case.

Mr. D. Wray, our popular livery man, is making his driving whod down to his barn this week. This

will make a great improvement when completed.

Mr. Gilbert Smith and his sister Flo spent Thanksgiving with friends at Listowel.

Miss Annie Milner was visiting friends at Milverton last week.

The ladies aid of the Presbyterian church purpose holding a grand bazaar in Mr. D. Wray's hall next Tuesday November 19th, afternoon and evening. Come early so as to get a good choice.

Mrs. Chas. Gies, of Newton, has rented Mrs. John Seip's new cement house on Main street and moved her family and household effects last week. We welcome Mrs. Gies and family to town.

Mr. Aaron Schnurr spent Thanksgiving with friends at Milverton.

### ST. CLEMENTS

The Herbaline Medicine Co. are here for one week giving nightly entertainments in Esbough's hall. They are also selling a line of patent medicines.

Mr. Albert Esbough, aged 15, had an arm broken in a runaway accident. The rig with five occupants, the family of C. Esbough, was violently thrown over, landing the occupants in the ditch, all receiving a severe shaking up. The fast going team was stopped after going full speed for about a 1/4 of a mile and doing considerable damage to the rig.

Miss Katie Busch has completed her three years training in St. Joseph hospital, Guelph, and has passed her examinations with honors.

A chivarrari was indulged in by some fifteen married men one day last week at the home of a recently married couple 1 1/2 miles west of this village and by the noise they made it seemed as if the participants in the chivarrari were no novices.

### DO YOU WANT A FARM?

The following are among the Canbora township cheap farms offered for sale this fall:

A 150 acre farm near the village of Canbora; good house, new lot stable, good drive house, new horse stable, but wants a new barn. The price is \$4,500. It is one of the nicest farms in Canbora township.

A beautiful 150-acre about one mile from the village, with 30 acres good bush, buildings very common. For a quick sale \$4,700.

Another farm, just adjoining this, 130 acres, very common buildings, for \$2,900 if sold by October 1st.

A very nice 150-acre farm about a mile and a half from Canbora village, 100 acres cleared, very nice nearly new buildings, for \$4,700. This farm is kept in very nice style.

Another 150-acre farm with lots of bush, new house, common barns, about two miles from Canbora. Price, \$3,700. This is certainly a great bargain.

Then there are a few very good 100-acre farms with good buildings and lots of bush, at prices ranging from \$2,900 to \$3,700, and quite a few 200-acre farms that can be purchased very cheap.

Parties wishing to learn more of these farms are invited to write to or visit John Hill, Canbora. Many prominent Wellesley section farmers, such as Messrs. H. Hostetler, G. Bachheit, D. R. Gieser, A. Streicher and others have seen this land. Several of them have bought and any of them can tell you the nature of the Canbora soil.

### EDITORIAL NOTES.

In Canada party politics is merely a game of the multitude for the benefit of a few individuals. The public give away the country to capitalists, who build railroads and then bleed the donors by charging their excessive freight rates. But being blind, the people are still in the free gift business.

Create a little heaven now, and you will have no need to worry about your credentials for more of it later on.

A clergyman died a short time ago worth many thousands of dollars. In the same district there are hundreds of poor people who know not where their next meal is coming from.

Four more divorce applications from Toronto couples.

Divorce applications in this country are on the increase and even in "Toronto the Good" there are those who acquire that "tired feeling," or who only find their affinities after they have stumbled blindly into matrimonial bliss with incompatible partners.

A gigantic strike of railroad employees in Great Britain appears imminent. Unless a settlement is reached, one hundred thousand employees will stop work.

The forces of labor and capital are still divided by a great gulf of differences. If the capitalists were more humane in the treatment of their employees, the demands of the latter would be more modest than is now the case, and the labor movement would jog along more harmoniously than it does at present.

Large battleships are becoming all the craze just now. Russia has now given orders for the construction of a ship similar to the British "Dreadnought."

The editors of Berlin and Galt papers are peppering each other with paper bullets over the increase of population in their respective towns. These worthy pen-pushers must be sadly in need of interesting reading matter when they will give so much space to such a small controversial question. Truly fertile must be their minds.

The recent Municipal elections in England were a triumph for the conservatives. About a thousand socialists were in the field altogether, but very few were elected. The majorities in most instances were phenomenal.

A western writer says western civilization is moving eastward. In Brockville whiskey has been raised to 10 cents a glass.

A city cannot be built to any great size by small minds. Look for gold dollars. They are smaller but more valuable than pinpoints.

## Will You Help It?

## THE HOSPITAL FOR SICK CHILDREN

For It Cares for Every Sick Child in Ontario whose Parents Cannot Afford to Pay for Treatment.

The Hospital for Sick Children, College Street, Toronto, appeals to the fathers and mothers of Ontario for funds to maintain the thousand sick children that it nurses within its walls every year.

The Hospital is not a local institution—Provincial. The sick child from any place in Ontario who can't afford to pay has the same privileges as the child living in Toronto and is treated free.  
The Hospital has had over its beds and costs 761 patients. 287 of these were from 136 places outside of Toronto.  
The cost is 95 cents per patient per day, and there were 125 sick little ones a day in the Hospital.

"GOOD-BAY, DOCTOR." Since its foundation the Hospital has treated 10,371 children—about 7,500 of these were unable to pay and were treated free.  
Every dollar may be the transmitter of your kind thoughts into the Hospital kind deeds.  
Everybody's dollar may be the Friend in Need to Somebody's child.  
Let the money of the strong be a mercy to the weak. The Hospital pays out dividends of health and happiness to suffering childhood on every dollar that is paid by the friends of little children.  
If you know of any sick child in your neighborhood who is sick or crippled or has club foot send the parent's name to the Hospital.

"MILK'S KNITTING" See the example of what can be done for club-foot children. There were 14 like cases last year and hundreds in 25 years.

Please send contributions to J. Ross Robertson, Chairman, or to Douglas Davidson, Sec. Treas. of the Hospital for Sick Children, College Street, Toronto.

## OBITUARY

The funeral of Russell Smith, son of Mr. and Mrs. A. B. Smith, and brother to Mr. Altman, who was killed under distressing circumstances in the Northwest some days ago, took place from the residence of Mr. Altman yesterday afternoon. Interment took place in Hawkeville cemetery. Deceased, who was only 18 years of age, was engaged in ranching near to Medicine Hat, Alta., and while pursuing his duties was in some unaccountable manner thrown from his horse. When discovered he was unconscious and had evidently been lying in this condition for a considerable time. There were no eye witnesses of the sad occurrence, and just how the accident happened will probably never be known. The remains arrived here on Tuesday. Much sympathy will be felt by the residents in the vicinity for the bereaved parents, especially in view of the condition of Mrs. Smith, who has been ill for some time at the residence of her daughter here.

Mrs. Geo. Fleischhauer passed away at her residence in Tavistock on Friday morning last, after being ill for some time. Deceased was well and favorably known in this district as well as in the vicinity of Tavistock, and took a prominent part in church work. The funeral took place on Monday noon, and was attended by a large number of friends from Wellesley and other villages.

"Don't be a bachelor." If you are such, you are dodging destiny. An unmarried man is a piece of human rubbish on the dump-heap of time.

A woman rushed into a telegraph office the other day says an exchange, and informed the operator that her husband had gone to New York to get a banner for the Sunday school, but she had forgotten to tell him the inscription and how large the banner was to be. She wrote a telegram containing the needed information and handed it to the operator. It read: "My dear Frank, Savoy Hotel, New York City: Unto us a child is born, eight feet long and two feet wide." The husband is still in the city and, it is rumored he isn't going back.

There, now. One of our young ladies wants to know how to provoke love in a man, and force a proposal out of him. Well, the best way is to keep yourself to yourself, and be happy. Don't let him know you want to marry. Keep that to yourself. Be happy. Enjoy yourself so thoroughly that he will catch the spirit of it. He will find that he has more sunshine with you than anywhere else on earth. Man wants a woman that somehow he has to climb a tree to get. He don't want a ripe plum that has already dropped. Remember this and stay up in the tree until he shines up after you.

An Indian Territory editor says it is more fun to see a man read a puff of himself in a newspaper than to see a fat man slip on a banana peel. The narrow minded man reads it over seven or eight times and then goes around and begs all the copies he can. The kind-hearted man goes home and reads it to his wife and then goes around to the office and pays what he owes. The successful business man who advertises regularly, and makes money by it, immediately starts out to find the editor, and then the two walk silently down the street and the business man takes sugar in his and they both eat a clove or two and life is sweeter, and peace settles down on their lives for a moment. Such is the experience of a mustard seed that falls on different ground.

The newspaper mania has many variations. When acquired in early youth nothing will entirely eradicate it. The fiend becomes a slave to fame and the snail of printers ink. He will plod on for years living on hope, store bills and sour paste, when nine times out of ten if he would break away from his boiler-plated delusion and saw wood he could at least occasionally have mushrooms with his beefsteak. But no, the fiend will hang on, patching his pants and fighting the sheriff until death puts "30" on the hook and he is planted in the formation, unmasked, unsung, and unpaid by that human sink—the delinquent subscriber. The poor newspaper fiend! How they stumble on through life with the hades of past regrets ever beside them, and the future blue with lien contracts. They are tortured by the envy of little things, hoodooed by tricky politicians, scared by the church, and enslaved by the public, who demand sugar for themselves and green paint for their enemies. Once in a while a fiend goes rich and famous, and then his brothers will often strive to knock him off his perch by shooting him full of paper bullets. Like petty actors, the average newspaper fiend has a soul full of envy, and a bank account that looks like a strainer in a catnip factory.

On common fences the continuous wire stays are sure to bend and the locks to lose their grip under continual pressure of your horses or cattle. And once they do, the top wire, soon followed by those below, will sag and destroy the efficiency of your fence.

Nothing like that can happen to our Dillon Hinge-Stay Fence. The short, stiff hard steel wire in our hinge-stays cannot bend when the lateral wires are weighted down, owing to their being so short and jointed at each strand wire.

Pressure of a horse on the top wire brings the "hinges" in the stays into action and prevents them from bending, and when pressure is relieved the fence springs back into place again.

The lateral wires are High-Carbon Hard Steel and coiled to provide for expansion and contraction by heat and cold, and are also crimped at the intersection of the stays and strands to prevent the stays from slipping sideways—therefore no locks are needed.

Buy the Dillon Hinge-Stay Fence. It's "twice as strong." Twice as good as investment. Catalogue free.
