The patrons of the Wellesley cheese factory met together on Tuesday morning in the sample rooms of the Royal hotel, to discuss matters for their mutual benefit for the coming year. Mr. Johnston, of Woodstock, manager of McLaren Cheese Co., was present, and discussed the milk question to some extent with those present. Much satisfaction was expressed at the conditions of the past year, and the prices received for milk.

Ed. Spahr, of Toronto, spent a couple of days with his parents.

At the Farmers' Institute meeting to be held at Wellesley Friday, Jan. 10th 1908, Miss Yates, of Toronto, will address the ladies at an afternoon session in the town hall annex at 2.30 p. m. Miss Yates, who comes highly recommended as a lecturer, will speak on one of the following subjects: "The management of poultry," "Home economics," "Methods in business records and correspondence." The regular meeting of the Women's Institute for January has been abandoned.

The concert in the Opera House on New Year's night, under the auspices of the Wellesley brass band, was a huge success. Every reserved seat ticket was disposed of hours before the doors were opened, and when the curtain rose for the first item on the programme, all available space in the hall was taken up. The programme was a lengthy and varied one. The dialogues were all of a high order, "The train to Looontown" being particularly acceptable. The vocal selections by the male voices were well rendered and found favor with the audience. The subjects were spectacular and formed an interesting part of the programme. The play "Rough Diamond," was the hit-bit of the evening. The characters were all ably represented, and the various parts of the play carried out with an ease and grace that showed much practice and careful preparation. Victoria Clegborn as Margery, Flor. Fleischhauer as Lady Plato and Henrietta Ottmann as Lucy were all brilliant, while Ed Koehler as Lord Plato, C. Schaub as Sir Wm. Evergreen and Harvey Schaub as Capt. Blenheim, performed their parts in an admirable manner. Harold Bollinger was the real candy boy as Comen Joe, while Arthur Sanders and C. Wolwalschably filled the bill as servants or flunkies.

The entire programme was made up of home talent and was a credit to those who took part and who assisted in the arduous work of preparation.

The proceeds of the concert amounted to \$81.85.

HESSE STRASS

A public examination was held in S. S. No. 1 on Friday, Dec. 20.

The fore part of the afternoon was taken up by hearing the pupils with their various lessons, after which Mr. H. Gerth was called to the chair, and one of the most entertaining programmes ever listened to in the section, was given by the scholars.

A number of addresses were given by some of the gentlemen of the section giving due credit to the teacher, Miss Robertson, and scholars for their fine entertainment.

The school room was prettily decorated with evergreens and and flags.

Needless to say the large number present from the section, all expressed themselves as having spent a very pleasant and profitable afternoon.

The Christmas entertainment held in St. Johns church on Christmas Eve was a splendid success, and attracted a large crowd. Rev. Mr. Cline opened the meeting with a few appropriate remarks. A lengthy programme was given by the Sunday school scholars and choir. The latter acquitted themselves most creditably and the evening afforded a pleasant time for those present.

Miss Jean Robertson, who has been doing private nursing in Toronto, is spending a few days at home accompanied by her friend Miss Margaret Speers.

Mr. and Mrs. Alex Robertson and son, of Calgary, Alta. have arrived home, after being delayed a few days in Toronto on account of their son's illness. They expect to remain here for some time.

INSPIRING ADDRESS OF EARL GREY TO WORKINGMEN OF CANADA

AN ACT THAT WILL TOUCH AND REJOICE THE HEARTS OF KING EDWARD AND QUEEN ALEXANDRA

On his way out to the official opening of the Toronto Free Hospital for Consumptives and King Edward Sanatorium on August 28th, 1907, the Governor General's car was stopped in its progress outside the Canada Cycle & Motor Co. by the employees of those works. The sum of one hundred dollars was handed the Governor General, a donation to the Toronto Free Hospital for Consumptives. His Excellency in acknowledging the donation spoke as follows:—

"Men of the Canada Cycle & Motor Company, I thank you heartily for your welcome.

"I recognize that the three rousing British cheers with which you have greeted me, and which were so pleasant to listen to, have been given because I have the honor to be the representative of your King.

"I am sure you, men of the Canada Cycle & Motor Company, that it will give me great pleasure to tell His Majesty, the King, how you have stopped me on my road to open the King Edward Sanatorium and Toronto Free Hospital for Consumptives, in order that you might give expression to your loyalty, and in order that you might present me with your contributions in support of the Hospital.

"I know that your action in subscribing out of your hardly won earnings, so large a sum as one hundred dollars, will touch and rejoice the hearts of Their Majesties, for there is nothing that lies nearer the hearts of King Edward and Queen Alexandra than the health and well-being of His Majesty's Canadian subjects, and there is no form of work in which Their Majesties are more interested than hospital work.

"Therefore I say every man among you who has saved a quarter from out of his earnings, in order to help those who are endeavouring, by means of Hospital, Sanatoria, etc., to temper consumption, and to banish it from the land, is following the example of our King, and is making a truly royal gift.

"In the name of the King I thank you for your public-spirited generosity. I hope that your example will make its influence felt throughout the length and breadth of Canada."

Referring to this event at the opening exercises of the Sanatorium, His Excellency said:

"Ladies and gentlemen, when the workingmen of Canada are sitting an example of this character, I hope that you will not be slow to follow, and I trust that the example of the Canada Cycle & Motor Co. may be followed, as I am sure it will, in every factory and manufacturing industry throughout the land."

Sir Mortimer Clark, Lieutenant-Governor, in his speech on the same occasion, said:

"You see what others have done. I trust, ladies and gentlemen, that what they have accomplished will be an incentive to you to follow their example."

This appeal is on behalf of the Muskoka Free Hospital for Consumptives, an institution that accepts patients from all parts of Canada and that has never refused a patient because of his or her inability to pay.

Contributions may be sent to Sir Wm. R. Meredith, Kt., Chief Justice, Osgoode Hall, Toronto, W. J. Cogg, Esq., 84 Spadina Ave., or J. K. Robertson, Secretary-Treasurer National Sanitarium Association, 247 King Street, West, Toronto, Canada.

THE HOSPITAL FOR SICK CHILDREN

For It Cares for Every Sick Child in Ontario whose Parents Cannot Afford to Pay For Treatment.

The Hospital for Sick Children, College Street, Toronto, appeals to the fathers and mothers of Ontario for funds to maintain the thousand sick children that it nurses within its walls every year.

The Hospital is not a local institution—but Provincial. The sick child from any place in Ontario who can't afford to pay has the same privileges as the child living in Toronto and is treated free. The Hospital had last year in its beds and cots 701 patients. 267 of these were from 190 places outside of Toronto. The cost is 95 cents per patient per day, and there were 129 sick little ones a day in the Hospital.

"GOOD DAY, DOCTOR." Since its foundation the Hospital has treated 10,371 children—about 7,800 of these were unable to pay and were treated free. Every dollar may be the translator of your kind thoughts into the Hospital kind deeds. Everybody's dollar may be the Friend in Need to somebody's child.

Let the money of the strong be mercy to the weak. The Hospital pays out dividends of health and happiness to suffering childhood on every dollar that is paid by the friends of little children. If you know of any sick child in your neighborhood who is sick or crippled or has club feet, send the parent's name to the Hospital.

"BEN'S KNITTING" See the example of what can be done for club-foot children. There were 14 like cases last year and hundreds in 28 years.

Please send contributions to J. B. Robertson, Chairman, or to Douglas Dawson, Sec. Treas., of The Hospital for Sick Children, College Street, Toronto.
