NEWS OF THE DISTRICT. By our Correspondents.

PHILIPSBURG.

An extraordinary and very sudden fatality occurred on Saturday afternoon, April 5th, when Idella, the only daughter of Mr. and Mrs. Wm. Eidt, was on her way home from the village store. She was accompanied by one of her cousins and had in her mouth a small wooden tube with a rubber attachment which accidentally lodged in her larynx, and before assistance arrived, life was extinct. Idella was of a cheerful disposition, and will be greatly missed by her school mates and friends. She was eleven years old, less ten days, and a gloom is cast over the whole community by such an untimely death. The funeral took place on Wednesday afternoon at 2 o'clock p.m. from her late residence to Oetzel's cemetery.

A very pretty wedding took place on Tuesday last, March 31st at the home of Mr. and Mrs. Abel Doering, when their youngest daughter, Emma, was united in marriage to Mr. Russel Heipel, only son of Mr. and Mrs. Adam Heipel, a prosperous farmer of Wellesley township.

The bride was attended by Miss Thilla Reich, while the groom was attended by Mr. Edward Doering, brother of the bride. The presents received by the happy couple were both numerous and costly. Friends and relatives were present from Berlin, Bridgeport, Hamburg, Wellesley, Amnaree and Johannesburg, South Africa.

Mr. Philip Weaver of Newstead, called on friends here last week on route to Wellesley.

Miss Emma Polase, of Toronto, formerly of this place is at present visiting Mr. and Mrs. J. Langholz.

The examination of the confirmation pupils took place here in the Lutheran church on Sunday last.

HEIDELBERG.

April 3.—Miss Maud Engeltor spent a few days with relatives in the Twin City last week.

Most of the farmers in this vicinity have tapped their trees and a good sap run is reported.

Mr. J. Ziegler, mine host of the Great Western Hotel, gave a farewell supper to the Messrs. Ed. Krauter and Harvey Zimmerman and many of their friends last week.

Mrs. Clara Diebel spent last week with friends at Berlin.

Miss Luella Weis spent Sunday at home.

The roads are bad at present making traffic almost impossible.

Miss Minna, of New York, has been engaged as milliner in Mr. O. J. Steins' general store.

Messrs. Ed. Krauter and Harvey Zimmerman leave for Luduc, Alta., on April 7.

Mrs. Albert Schiefels is on the sick list.

DISTRICT NOTES.

The late Erastus N. Hawke, whose death took place on Thurs-

day last, was born in Hawkesville and resided on a farm at that place until twelve years ago, when the family removed to Waterloo, where he was engaged as an agent of the Massey-Harris Co. He was well known and highly respected throughout this vicinity and had attained the age of 55 years 5 months and 3 days.

A wife and a family of eight children, five daughters and three sons, survive.

The funeral was held on Monday at 12 o'clock from the residence where service was held, thence to Hawkesville cemetery for burial.

The late Mr. Hawke was a highly respected citizen, and by his genial disposition and honest and fair treatment he had built up a very lucrative business in this district for the Massey-Harris Co. It was no unusual thing to see from 75 to 100 farmers' teams each bearing a load of Massey Harris implements, when spring supply of machinery was delivered at Waterloo.

The sympathy of the entire community is extended to the family of the deceased in this, their hour of sore bereavement.—Citizen

NEW HAMBURG.

The interior of the Western Bank has been remodelled. The office furniture has received a fresh coat of paint and the walls have been decorated with beautifully designed wall paper, which gives it an attractive appearance.

Mr. Allan Appel, of Port Huron, Mich., is the guest of his sister, Mrs. John Weber.

Mr. and Mrs. James Barber, who left this week for their new home in Galt, were presented by the members of St. James' and Haysville churches with a handsome piece of cut glass, accompanied by an address regretting their departure, and wishing them and their family happiness and prosperity in their new home.

On Thursday word was received from Berlin of the death of Lauretta daughter of Mr. and Mrs. P. Ruedor, formerly of this town. Deceased, who was in twenty-first year, had been ill only a short time and her death is a great shock to her parents and to a large circle of friends in New Hamburg, who deeply deplore her early death. The funeral took place on Sunday the family residence to Mount Hope cemetery.

A banquet will be tendered the Hamburg hockey team, champions of the O. W. H. A., at the Queen's Hotel on Tuesday evening next.

The annual meeting of the New Hamburg Turf Club will be held at the Imperial Hotel on Thursday evening for the purpose of electing officers and transacting other business.

EDITORIAL NOTES.

A writer in "Saturday Night" gave Colonel Smith a pretty hard and well-deserved rub recently, in connection with the photo-plate, attributable to and criticism of, Sir Walter Dill Scott, one of the most eminent active scientists. Sir Walter has recently been conducting a number of experiments along scientific lines and, as a result of his studies and researches, has profoundly expressed the belief that it is within the realm of possibility that communication can be held with the spirits of the dead. Colonel Smith does not seem to hold this belief, and this would account for such a possibility in several occasions through the press of Canada, to which his pen appears to have unrestricted access. The contributor to "Saturday Night" expresses, in a fair, able and rational manner, the opinion that the Toronto Liberator, owned in his hands, is in a position to take up with such a less disreputable man who is doing his career by carrying on active experiments in the interests of scientific evolution. There are too many articles in this day attempting to dam the stream of knowledge and advancement flowing from minds mentally keyed beyond their narrow brain capacity.

Judge Chisholm has given out his decision in regard to the payment of costs of the action brought by Allan Huffer to meet the Berlin municipal election. Election clerk Huffer had in it pay one third of the cost, the balance to be borne by deputy returning officers.

Thoroughness is a cardinal principle with Dr. Kossler. Not only does he try competition, but frequently he literally destroys the competitor. Some of his vanquished opponents have been compelled to fight by the completeness of their overthrow.

FIELD CROP COMPETITION.

In 1907 the Honorable Nelson Montell, Minister of Agriculture, by a special appropriation, made provision for the carrying on of a Competition in standing field crops, for ten societies. These competitions were so successful that an increased appropriation for this year had been provided for a similar purpose. The prize winners in last year's competition received an advance of from 2 1/2 to 5% over market price for their seed grain. When the fact is considered that the annual value of the crops in Ontario is one hundred and forty millions of dollars one begins to realize the value of this new departure. The competitions will be limited to one hundred societies, and should more than this number apply for the grant, the two societies first applying in any county will be selected. The hearty co-operation of all concerned is urged to further this

most important Agricultural work which is designed to add materially to the wealth and productiveness of farms of Ontario.

RULES AND REGULATIONS.

NATURE OF COMPETITION. Competitions shall be limited to one crop, to be selected by the society, which should be the one of most importance to the farmers of the district. Entries for competition shall be in a field not less than five acres, and where beans and potatoes are entered, the minimum plot shall be not less than one acre. Selections must be made from the following crops: *Vicia Sp.*, *Red Clover*, *White Clover*, *Lucerne*, *Con. Peas*, *Maize*, *Chicory*, *Potatoes*, *Beans* or any other crop growing in land in Ontario.

CONDUCTORS. Competitions shall be limited to members of Agricultural Societies, and the rules entered must not be more than fifteen miles from its headquarters. Competitors shall be allowed to make entry in only one county and but one entry can be made by each competitor.

CONDUCTOR'S EXPENSES. Societies desiring to enter this competition must notify the Secretaries not later than the FIFTH DAY OF MAY, and must make not less than ten entries not more than twenty acres.

INSPECTION EXPENSES. All the field entries must be inspected by members of societies of the Royal Wagon, Superintendent of Agricultural Societies, Parliament Buildings, Toronto, before the FIRST OF JUNE, 1908.

SALES. Societies may, if thought advisable, charge competitors an entry fee of not more than one dollar.

PRIZES. The Ontario Department of Agriculture will contribute \$250 to each society on condition that prizes amount to a total of not less than \$10,000, \$5,000 and \$5,000.

The Seed Branch of the Dominion Department of Agriculture will provide expert judges for these societies.

"A Kingly Gift"
DARL GREY'S APPEAL
On behalf of Needy Consumptives
Strong words of Canada's Governor-General

At the official opening of the King Edward Sanatorium for Consumptives, near Toronto, His Excellency delivered an address that will have an important bearing on the future of the sanatorium movement in Canada. We quote:—

"The proceedings this afternoon commenced with a beautiful and fervent prayer from your old friend, Dr. Patte. He prayed that the light of the Lord might shine upon us, that prayer is abundantly answered. He also prayed that the White Plague might be removed. Well, whether that prayer will be answered or not depends upon yourselves."

"Is it not a standing shame and reproach to the governments and individuals that there is not more care taken by the people of Canada to protect themselves against the curbs of consumption?"

On his way out to the King Edward Sanatorium, so named by permission of His Majesty King Edward VII—the Governor-General's car was stopped in its progress outside the Canada Cycle & Motor Co. by a large crowd of its employees. A contribution of one hundred dollars was handed the Governor-General, a donation to the Toronto Free Hospital for Consumptives.

"'Twas a kingly gift" said His Excellency in making a knowledgeable, "I will tell the King."

Addressing the large audience that attended these opening exercises, referring to this event, Earl Grey said:

"Ladies and gentlemen, when the workmen of Canada are setting an example of high character, I hope you will not be slow to follow, and I trust that the example of the Canada Cycle & Motor Co. may be followed, as I am sure it will, in every factory and manufacturing industry throughout the land."

We carry these words to the people of Canada in our appeal to-day on behalf of the
Muskoka Free Hospital for Consumptives

An institution that has never refused a single applicant admission, because of his or her inability to pay. Seventy-five patients can be cared for to-day. Accommodation could be provided for three hundred if the required money were forthcoming. To make this possible, our appeal is for \$50,000, to be used in extension of buildings and maintenance of patients.

Where will your money do more good? Every community and every individual is interested.

His Excellency Earl Grey has shown his interest and sympathy in the work of Muskoka for needy consumptives, by accepting the position of Honorary President of the National Sanatorium Association.

Contributions may be sent to Sir Wm. B. Meredith, Kt., Chief Justice, Ontario Hall, Toronto; W. J. Gray, Esq., 84 Dundas Ave., or J. S. Robertson, Secy-Treas., National Sanatorium Association, 347 King Street West, Toronto, Canada.

SPLIT INK.

Why is a hen immortal? Because her sons never sets.

The man who is alive should be thankful he is not dead, and the dead should be thankful they don't have to pay rent for their tombs.

The thinnest pie that ever cooked in the ground will make good fousse. The toughest steak can be ground up in a meat grinder, disfigured with spices and things and made into mince pies.

Napoleon died from a surfeit of fried onions, and General U. S. Grant from smoking cigars. Thus the terrible record goes on, everyone dying from a surfeit of some kind. The longer we can keep warfaits in subjection the better it will be for our moral, a-s-tral, mental and physical natures.

The editor of a Kansas paper says he picked up a Winchester rifle one day recently and started up street to deliver the weapon to its owner. The delinquent subscribers got hit into their heads that he was on the war path and every one he met insisted on paying what he owed him. One man wiped out a debt of ten years standing. On his return to the office he found a load of hay, fifteen bushels of corn, ten bushels of potatoes, a load of wood and a barrel of turnips that had been brought in. Will someone kindly lend us a wit checker for a day or so? is a question asked by a contemporary.

A husband came home one evening to find a note left for him by his wife. Carelessly he opened it, but as he read his face blanched. "My God!" he exclaimed, "how could this have happened so suddenly?" And snatching his hat and coat, he rushed to the hospital which was near his home. "I want to see my wife, Mrs. Brown at once," he said to the head nurse, "before she goes under the ether. Please take my message to her at once. "Mrs. Brown?" asked the nurse. "There is no Mrs. Brown here." "Then to
