The PROVINCIAL ELECTIONS.

The Whitney Government Sustained with an Increased Majority.

Monday last was an ideal day for voting, the weather being all that could be desired.

The Whitney government was granted another term with a larger majority than ever, showing that the electors are determined to give Whitney and his policy a longer period in which to work out his platform. It is, however, as Mr. Whitney himself states, a mandate from the electors of both parties, and it rests upon him to give the

Province good, honest legislation, not mistaking his tremendous majority for a license to follow along the lines which brought the Ross government to its doom.

The fall of Hon. Nelson Monteith in South Perth was the hardest knock the Conservatives got in the contest, but it has not been altogether unexpected from the first as that riding is nominally a strong Reform one. A close scrutiny of the ballots is sure to result.

In South Perth Stock is elected by 15. A recount is being arranged for. Monteith's big falling off occurred in Mitchell where his majority was unaccountably reduced from 116 to 65.

The total results throughout the Province are: Conservatives, 88; Reformers, 17; Labor 1. The Conservative majority is thus increased by 18.

In Quebec the Reform government was returned. Out of 70 seats the Reformers won 52, the Conservatives 15, and the Nationalists, 3.

Berlin, visited at the home of Mr. and Mrs. Wm. Heldman.

Mr. Geo. Cole has secured a position as bartender at the Royal Hotel here.

GADSHILL.

The first big picnic of the season was held at Gadshill on Friday last under C.O.F., auspices and proved a success in every way. The picnic was held in the grove of Mr. John Wahl and large numbers attended from the surrounding country.

Pleasing features of the occasion were the excellent music furnished by the Stratford band during the day and the dancing to the strains of the Roger Roberts' Orchestra, also of Stratford. A most enjoyable time is reported.

Mr. Conrad Duhner, a member of Court No. 277, located at Philippsburg, won out in the contest for the gold watch at the Foresters' picnic held at Gadshill last Friday, June 5th.

Mr. and Mrs. Henry Lantz, of Waterloo, visited friends in the village over Sunday.

Call into the Maple Leaf office, and settle your subscription before July 1st.

ADDITIONAL LOCAL NEWS.

Our correspondents, with the exception of two, were so busy with the elections this week that they failed to send their usual bright newsy letters, and the Maple Leaf is in consequence paying extra attention to local news.

The explosion of a kerosene lamp in the store of Reimbrock & Co last Saturday evening caused excitement for a few minutes. The lamp had been left burning in the crockery and wall paper department and the fire was noticed by Miss Mary Borden, who happened to be going to the millinery room. The firm are congratulating themselves that the fire was discovered before any damage was done.

Dr. Lackner's meeting last Thursday evening was fairly well attended. The speakers with Dr. Lackner, were Mr. Weidenhammer, of Waterloo, and Mr. Reid. The band played several selections which were much appreciated by the crowd and Dr. Lackner in thanking them spoke of the benefit of a band to a village and the refining influence of music. Those present enjoyed the meeting and Dr. Lackner was heartily applauded. Mr. A. Fennell occupied the chair.

While a little five year old son of Mr. John L. Erb was at play a couple of weeks ago he stumbled and a large stick of wood fell on his arm. The child did not complain very much and the arm was not examined. His mother, who was ill when the accident happened, noticed the other day that the arm was swollen and was giving the boy much pain. The arm was examined by a physician who found that it had been broken near the elbow and that a fracture would have to be made so as to knit the bone properly together.

The announcement on Saturday last of the death of Mr. Geo. Hill, of Spokane, Wash., came as a shock to his friends here, who were not aware of his illness. It is particularly sad as Mr. Hill had written only a few days before to some of his relatives saying he would visit Wellesley in July. He has been in the shoe business in Spokane since leaving Wellesley about 18 years ago. Erysipelas was the cause of his death at the early age of 41 years. He leaves a wife (formerly Miss Schmidt, of Seabrookville) and two children to whom the sympathy of Wellesley is extended and also to the brothers and sisters of deceased.

Call at R.Y. Fish & Co.'s, Linwood, for bargains in Millinery, summer Dress Goods, Shoes, Gloves, Leases, Embroideries, and a number of other lines in seasonable goods. Special lot of ready-made clothing 25% off. Oats, cement and hard and soft coal at the elevator at lowest prices. Highest prices paid for all kinds of grain. R. Y. Fish, Linwood.

Mr. and Mrs. Norman Fleischhauer are in Stratford to day (Wednesday) attending the marriage of Mrs. Fleischhauer's sister, Miss Dierlamm, to Mr. Manuel Fleischhauer, a prominent young lumber dealer of that city.

The Twenty-first Annual Convention of the Wellesley township Sabbath School Association will be held in the Linwood Methodist church on Tuesday next, June 16th. A good program has been prepared and addresses will be interspersed with music. Visitors will be invited for dinner and tea will be served in parlour of church. All interested are cordially invited.

EDITORIAL NOTES.

Now that the Provincial elections are over the public will begin to pay a little attention to the scrap going on in the Dominion parliament over the new Franchise Act.

Read the Globe and Mail-Em pire's Ottawa news and see if you can tell which side is "blocking business" in the Dominion House.

Adam Beck must have turned on his Niagara power and given McEoy a shock—about 1400 volts.

It is hinted that the Wellesley council intends to appeal from Judge Chisholm's award on the Wellesley Police Village arbitration. Let us hope that a final adjustment can be reached without adding more law costs. The amount in dispute is not so very large after all and might better be spent on the streets than in fees and costs.

We are glad to notice that important improvements are to be made to the bridge and road embankment at Grehm's flats, a few miles west of Wellesley. The Maple Leaf maintains a paternal interest in that piece of boundary road from the fact that after the Waterloo and Perth county councils had practically decided not to build the new road a few years ago, this journal was able to bring the two counties together and get them to go on with the work. The present proposal is to floor the bridge with cement, widen the roadway embankment and erect guard-rails on each side. The cost will be about \$1000 and when finished will put the road in splendid shape. The repairing of that road has brought a large trade to Wellesley village, and those few business men who hooted the editor of the Leaf at that time are among those who are now reaping the rich benefit of the traffic over it.

Some of the boys are already forgetting whether that \$130,000 was paid to the McKenzie silver mine, or to the La Rose-O'Brian railway.

Now Mr. Whitney, if you have got majority enough behind you to do it, just fix up that registration act so that the rest of the riding will have as fair a chance in voting as the county town.

Long years ago Mowat fixed Toronto so that the elector only had two votes to elect three men. Now Whitney gives the elector two votes in one riding. Mowat was shamed into changing his unfair law. If Whitney makes the plea that there wasn't time to cut Toronto up into eight constituencies, we'll excuse him this time; but with a four years term right before him the matter needs to be rectified before next election.

A change in the election law which compelled a candidate to have about fifty qualified elector's names on his nomination paper would be acceptable in South Waterloo. It cost the government the price of an election just because a labor candidate happened to be nominated. He had no platform and held no meetings, but he caused the riding an immense lot of useless trouble.

SOME HINTS FOR BOYS.

Keep step with anyone you walk with. Hate lifted in saying "Good-bye" or "How do you do?"

Always precede a lady upstairs and ask her whether you may precede her in passing through a

crowd or public place.

Let ladies pass through a door first, standing aside for them.

Let a lady pass first always, unless she asks you to precede her.

Look people straight in the face when speaking or being spoken to.

In the parlor or drawing-room stand till every lady is seated, also older people.

Rise, if a lady comes in after you are seated, and stand till she takes a seat.

Never play with a knife, fork or spoon.

Use your handkerchief unobtrusively always.

In the dining room take your seat after ladies and elders.

Rise when the ladies leave the room, and stand till they are out.

Special rules for the mouth are that all noise in eating and smacking of the lips should be avoided.

NEW LIGHT ON THE ZONES.

A class of boys averaging about twelve years of age had been examined in geography, which had been preceded the day before by grammar. Among the questions in the geography paper was the following: "Name the zones."

One promising youth of eleven years wrote this answer:

"There are two zones, masculine and feminine. The masculine is either temperate or intemperate; the feminine is either torrid or frigid."

SUICIDE IN GALT.

Galt, June 8.—Mrs. Salem Armstrong, widow, aged about 48 years, eldest daughter of Thomas Patterson, ex-assessor and collector for the town, committed suicide Saturday by jumping from the Canadian Pacific Railway bridge into the Grand River, a distance of about 70 to 80 feet, at a point in the river where the water is about 20 feet deep.

She was noticed acting strangely in the vicinity of the bridge and shortly afterwards walked deliberately out on it and jumped off. Efforts were made at rescue by men in canoes, but were unavailing. The body was recovered about 4 o'clock in the afternoon.

Mrs. Armstrong, who has lived with her father on Landsdowne avenue since the death of her husband, the late Salem Armstrong, of Tillsonburg, leaves a son and daughter, aged respectively, 16 and 14 years.

No reason for her suicide is known.

SHERIFF SEIZED TOWN.

Dundas June 4th.—One man invaded Dundas this morning, and captured it. If he could have put it in his pocket he would have walked away with it, with the perfect countenance of the law. The man was Sheriff's Officer Stewart, and he officially seized the town, in execution of a judgment. Armed with the writ for execution for the debt of \$3,250 the sheriff's officer marched to the town hall. He served it on the mayor and clerk, and then proceeded to paste up on the town hall documents to the effect that the town property was seized and that nothing could be removed. All the desks, chairs, furniture, books, etc., came under the possession of the sheriff's officer, and it was a fine sight for the citizens of Dundas to see their civic property thus inconsiderately handled.

The execution was in the case of Rutton v. Dundas. Mrs. Sutton, some time ago got a verdict of \$3,250 against the town for damages, for the death of her husband. The town disputed its liabilities, and has since been trying to make the Dundas Electric Company bear part of it, but the Dundas Electric company is an elusive quantity. So the matter dragged on, without the judgment being satisfied, and finally W. E. S. Knowles, acting for Mrs. Sutton got out the execution, and seized the town property.

INCORPORATION FOR TAVISTOCK.

Stratford Herald.—The by-law granting incorporation to Tavistock was passed Monday afternoon. 436 acres being included in the boundaries of the new village. It has not been decided yet, in which county—Perth or Oxford, the new municipality will be placed. Both counties, of course, want it, and a committee composed of Messrs. A. Warden, Chambers, and W. The village will elect its first council next January, and the reeve will be its representative in either Oxford or Perth council, as the authorities direct. A by-law was also passed in this connection, confirming a census of the village taken by J. G. Field for the Perth council, which made the population over 1,000.

BERLINERS IN A SHIPWRECK
Morrishburg, June 5.—A party of about 20 Berlin tourists reached Morrishburg to-day after a most thrilling experience and long delay on the St. Lawrence. They were passengers on the SS. City of Montreal, which stranded at 12.15 noon on Thursday 14 miles below here, and we wish is likely to remain there for about a week.
The steamer was carrying over 600 tons of freight and this heavy cargo is all that prevented her from turning turtle when the steering cable snapped, and the boat swerved towards the New York shore.
The ladies who experienced such a thrill were Misses F. Forrier, A. Mueller, L. Shantz, A. Dayer, I. Janzen, A. Gauntlett and M. Hymmen, of Berlin; Bertha E. Zick, of Waterloo; Ethel Haber, Doon; L. Tait, Elfr; Jean Veitch, Elma Erb, Elmira; A. M. Schummer, of St. Clements; L. Powell,

They are a tired lot, as there was no sleep last night. The boat sprang a leak, and the pumps were kept busy all night. The damage to the boat is estimated at \$25,000. The wrecking boats are now at work unloading her freight.

The tourists were at dinner when the steamer broadsided into the twenty-mile an hour current and bumped into the rocks. The passengers, tables, chairs and dishes were hurled pell mell over the board and some of the former were badly shaken up. The piano tilted and the freight in the hold slid haphazardly and pandemonium reigned until the ship struck hard.

The prow was only about fifty feet from the shore, but a salt-water twenty times across the Atlantic declared it a miracle that there was not no upset, and Capt. R. Schmitt, of St. Catherine, who is relieving Capt. Letebvre and Purser Partill were let down and after an afternoon's absence arrived to transfer the passengers to Morrishburg via steam launch and from here by rail.

BEFORE THE CAMERA.

I'm afraid to move, I'm afraid to speak;
I'm afraid to look proud, I'm afraid to look meek;
I'm having my picture taken!
I'm afraid to look up, and afraid to look down;
I'm afraid to laugh, and afraid to frown;
I'm having my picture taken!
I'm afraid to wink, though the sun's in my eyes;
I'm afraid to look foolish, and afraid to look wise;
I'm having my picture taken!
I'm afraid to "look pleasant," and afraid to groan;
I'm afraid to call my soul my own;
I'm having my picture taken!

NEWS NOTES.

Tavistock Gazette.—Dr. Jas. G. Bricker, a recent graduate of Toronto University Medical College has come to the village to act as assistant to Dr. Strelow. Dr. Bricker is a member of a well-known Bricker family of Waterloo County. He has had a very successful career at College and we predict for him still greater success in his practice.

Happy in the hope of a successful dash for the North Pole with Commander Robert E. Peary, Capt. Bartlett, sailing master of the Arctic Explorer and a crew of 11 sailors, departed from St. John's, Nfld., on the Allen Line Steamer, Siberian, for New York, on Saturday last where they will make start for the north in the ship Roosevelt. The sailors have been selected with regard to their adaptability to Arctic explorations and are practically the pick of Newfoundland's seamen. Capt. Bartlett asserts that if the Roosevelt is fortunate enough to gain the position made during the last attempt to reach the pole, the experience acquired in that voyage, combined with the aid of the specially selected crew, will make this effort to reach the desired goal an easy task.

Here is one of the new regulations in regard to motoring: "In case an accident occurs to any person, whether on foot or horseback, or in a vehicle, or to any horse or vehicle in charge of any person, owing to the presence of any motor vehicle on any public highway, the person in charge of such motor vehicle shall return to the scene of the accident and give in writing to anyone sustaining loss or injury his name and address, and also the name and address of the owner of such motor vehicle, and the number of the permit of the said motor vehicle."

A Brockville School Inspector was sentenced to seven years in Kingston Penitentiary, for bigamy. With a wife and large family in Toronto, Anderson, a former Renfrew school teacher, was married to a young girl, daughter of a Methodist minister, in Renfrew. He was arrested in Brockville a few weeks later, where he had secured a position as Inspector of Public Schools. In passing sentence, Crown Attorney Metcalf, of Pembroke, described Anderson as a moral culture, preying on society, and using religion as a cloak and mask to deceive his victim, and hide his infamous conduct from the public.

"Tag Day" was the means of raising \$1,300 for the Berlin and Waterloo Hospital by the Ladies' Auxiliary. Practically every man, woman and child in the Twin City was tagged, beside hundreds of farmers who were in for the Saturday market, and travellers on the trains and trolley lines. Some of the collectors assigned to the hotels did not neglect even the bare and induced certain of the "hard cases" to take tags by prevailing upon them to buy them beers, the ladies putting the price thereof in their tag boxes instead of imbibing.

Another Interpretation.

Miss Budd—Didn't I overhear Mr. Phalter remark to you that I was a pretty young lady?" Miss Chellus—Yes, and you really are pretty young, you know, but you'll outgrow that, of course.
