THE STUPID MAN NEEDS A CLEVER WIFE
BUT THE CLEVER MAN CAN GET ALONG NICELY WITH A STUPID ONE.

That a stupid man needs a clever wife needs no discussion, says William T. Stead, in the July Delinquent. The more stupid a man is, the cleverer ought his wife to be, to make up for the stupidity of the male partner. A clever man can better afford to face the struggle for existence with a stupid wife than can a stupid man. That is quite obvious. For, if cleverness may be regarded as the intellectual stock in trade with which the married couple start out to do business in the world, the less capital that either partner has, the more important it is that the other should be well provided with the indispensable element necessary for success in life. There is, therefore, some reason for recommending that stupid men should marry clever women and that stupid women should marry clever men, in order to make things even all round. On the other hand, the proverb, "Be ye not unequally yoked together with unbelievers," may be held to lay down a general principle capable of being applied to the question now under discussion. It is obviously desirable that two people who are to live together all their lives should be sufficiently near together in intellectual attainment to have some interest in common, and to be able to understand each other when they are left together in the endless tedium of matrimony.

A tremendous storm swept over Tottenham on Tuesday evening. The houses were piled up on the streets a foot high in some places. Buildings were moved and unroofed and crops in the track of the storm were cut down and entirely destroyed.

LOCAL NEWS.

No word has come yet of the decision between the township and police village of Wellesley. The delay has evidently occurred in necessary discussions to the town council.

Mrs. (Rev.) Hoffman and son, who were visiting the lady's parents, Mr. and Mrs. Tronch, returned last week to their home in Berlin.

Mrs. Kropf, and her mother, Mrs. Roth, visited relatives near Tavistock last week.

A party comprising Mr. and Mrs. E. L. Ratz, Miss Adeline Felschauer, Miss Adeline Ratz, Wellesley, and Mr. Mrs. Adam Ratz, Tavistock, leave this week to enjoy an outing on the shores of Old Haron at Grand Bend.

A barn near Breslau was struck by lightning and burned during the storm on Tuesday night. The reflection of the fire could be clearly seen in Wellesley.

New Hamburg bowling club is expected here with two or three rinks today or tomorrow.

Mrs. M. A. Greenwood intends to leave on Friday for her home in Crosswell, Mich., having spent a month with her Canadian friends.

Mr. and Mrs. N. Wagner and child, and Mr. and Mrs. C. Koshner and child, of Berlin, were week-end visitors at Mr. H. K. Forler's in this village.

EDITORIAL NOTES.

Tavistock will take its place as an organized incorporated village next January. If its municipal elections were held about now the members of its Junior foot ball team would be the most popular candidates for municipal honors.

The Roosevelt yell and the Bryan yell were not in it with the prolonged yell of joy sent up by happy Tavistock last Friday evening when their junior football team beat the Eureka's of Toronto, for the championship of Ontario. The Wellesleyites who attended say they could hear it when they were a mile and a half out of town on their way home after the game.

Tavistock has reason to rejoice that the Wellesley Juniors did not enter for the football championship.

The Niagara power commission is having a hard time of it in pressing the great boon of cheap electric power upon some of the cities and large towns which were clamoring so lustily for it not long ago. These municipalities are now saving to the commission: "Please give us a still softer snap; give us the benefit, but no risks; make the whole province take the risk. We want something for nothing out of the people, so that we'll have a big advantage over our neighboring towns and villages who don't get the power line." All Ontario (off the power line) looks on in wonder at the exhibition of hogishness displayed by some of these favored municipalities.

The commercial world is looking forward hopefully to the early lifting of the depression which now exists. The good crops of this year will lift agricultural out of the slump, so that with another good season our manufactures will all be running full time supplying machinery for the farmers. This, in turn, will revive the hum of prosperity which existed until last fall.

Wellesley fall show occurs this year on Tuesday and Wednesday, Sept. 15th and 16th—only six weeks from now. Get ready for it. The grain exhibit ought certainly to be a fine one, the roots give excellent promise, and there is no part of Ontario which can produce a more varied and higher type of stock. The prize list is a liberal one and should attract a bumper display. Farmers should be getting ready for it now. Wellesley has always had good shows, but the directors would like to see this year the "very best ever!"

Just now, in these hot dog days, political matters are very quiet, yet some enterprising promulgator has managed to set a rumor afloat to the effect that the Dominion elections are to be held in October next. This is probably a "rag" thrown to the party newspapers who have but little to "chew" over these dull days.

Were it not such solemn, saddening news, there are some ridiculous circumstances in the numerous drowning accidents which are reported every day. It seems impossible that persons can risk their precious lives in the numerous foolish ways indicated in the newspaper accounts.

NO PAPER NEXT WEEK.

Following the usual custom of a country printing office the Maple Leaf will take a holiday next week, and no paper will be issued.

OUT CAMPING.

Messrs. El Klein, Will Spahr and Eddie Burns are enjoying a holiday week in camp on the shore of Bamberg lake.

LEG BROKEN.

While assisting at a barn raising at Mr. A. Millerbaum's farm, south of New Preston, on Tuesday afternoon of last week Mr. Adam Doering had the misfortune to break both the bones of his leg just above the ankle. He was upon the building at the time and the accident was the result of a fall from the upper timbers. Dr. Galsdorf attended to his injuries and Mr. Doering is now doing well.

TELEPHONE CONNECTION.

Dr. Galsdorf's telephone system is now connected with the Millbank line and messages can be sent as far as Newton. Since the completion of the extensions of Dr. Galsdorf's line this summer it now contains about thirty and forty instruments. The combined lines are about twenty-five miles in length, extending to the villages of Crosshill, Woodville, Bamberg, Josephburg, Liskam, Nithburg, Hampstead and as far west as Mr. John Omand's. Many farmers along these routes have 'phones in their houses and the system is quite popular.

IT'S A MISTAKE.

If any of our delinquent subscribers have not a notion that we moved the Maple Leaf to a bank street just to keep out of their way and so prevent them from paying up, that is a decided mistake. There is nearly \$200 of Maple Leaf subscription money due from subscribers who live within ten miles of this village. Yes, of course, if at money is all "good," and if the division court asked for it it would be paid very quickly—costs and all; but a lot of people would be mighty mad about it. All the same it's pretty hard work to pay running expenses in cash with this "good" money which is scattered promiscuously around the district in the pockets of people who are well able to pay if they would only take the trouble.

RETURNED HOME.

Prof. Charles Hojel, proprietor of a business College in Nashua, N. H., started on his return home last Monday after spending a three-weeks holiday visit with his relatives and many friends here. Two other evening a party of fifty or sixty gathered at the home of Mr. and Mrs. John D. Hojel, near Greenwood's hill, where a pleasant time was spent. An impromptu baseball match was played between pines captained by Charlie and Russell Hojel, but the Prof. showed some Yankee base ball tricks which were unknown to the Canucks, so his team easily won out by the score of 11 to 2. There is no talk, as yet, of a return game to be played in Nashua this fall.

If you are needing wall paper of any kind be sure and read Reimer Bros. & Co's new advertisement. They are offering great bargains and are not staining in printers' ink to let the public know. Their advertisement is always interesting reading and has occupied the same position in the Maple Leaf since the paper started in Wellesley nearly eight years ago.

A dozen or so young men from this village took in the football match for the Ontario junior championship, at Turistock last Friday evening. They report that the Turistock boys won the game on its merits, 4 goals to 0, and well deserve the proud title they have now won as junior champions of the Province.

WHEN PAPA'S SICK.

When papa's sick, my goodness
sakes!
Such awful, awful times it makes,
He speaks in oh! such lonesome
tones,
And gives such gastly kind of
groan,
And rolls his eyes, and holds his
head.
And makes me help him up to bed;
While Sis and Bridget run to heat
Hot water bags to warm his feet,
And I must get the doctor quick—
We have to jump when papa's
sick.
When papa's sick ma has to stand
Right side the bed and hold his
hand,
While Sis, she has to fan an' fan,
For he says he's "a dyin' man."
And wants the children round him to
Be there when "sufferin' pa gets
through."
And kiss us all and then he'll die;
Then moans and says "this
breast in's thick!"
It's awful sad when pa's sick.
When papa's sick he acts that way
Until he hears the doctor say,
"You've only got a cold you know,
You'll be all right in a day or so."
And then—well, say! you ought to
see,
He's different as a man can be,
And growls and scolds from noon
till night
Just 'cause his dinner ain't cooked
right,
And all he does is fuss and kick—
We're all used up when papa's sick.

PAID DEARLY FOR HIS CIVIL- ITY.

Henry Edwards, a singing member
of the medicine company which
holds forth in the evenings on the
market square, was fined \$25 yester-
day afternoon by Magistrate
Ball for supplying liquor to a man
on the Indian list, who in the morn-
ing was fined \$10 for being drunk.

The story of the affair seems to
be that the listed man was talking
with the colored artist about sing-
ing, and ended by asking him to
buy a bottle of whiskey. The vis-
itor obligingly consented. Here
the stories diverge. The local man
says he told Edwards before the
bottle was bought that he was on
the interdiction list, while Edwards
says it was after he came back with
the bottle. At any rate the recipient
of the bottle got well drunk on
its contents, and when he was ar-
rested he gave away to the police
the name of the man who got him
his supply.

Edwards pleaded guilty and paid
the fine.

Another man, who is alleged to
have supplied liquor to the same
man will come up for a hearing
later in the week. —Woodstock
