EDITORIAL NOTES.

In the Saskatchewan Provincial elections, held last week, the Scott government was again sustained with a good working majority. Many new constituencies have been created since the former election so that the present House will have a largely increased membership.

Will Herr Dopp, of the Gazette, please make note of the fact that it was lucky for Tavistock that Wellesley did not enter for the Ontario junior foot ball championship!!!

Between, base ball, foot ball, tennis, lawn bowling, picnics, etc., Wellesley has been doing things to local history of late.

The opposition press having now publicly informed Mr. Wilfred Laurie that the Dominion elections are to be held in October, its up to the big Premier to get ready, now that he knows when it's to come off.

It's all very well for the banks, and financiers to issue statements and interviews and circulars showing that times are getting better and money more plentiful, but that big 7 per cent. interest, payable strictly in advance, is still in evidence and makes the public dubious about the proximity of the fat time.

FOOLISHNESS OF GIRLS WITH YOUNG MEN.

"Hands off" was the favorite bit of advice which a woman used to give young girls in lecturing them on their conduct when in the company of young men, writes "Deborah" in the Detroit Journal. Perhaps it might be put more elegantly, but certainly not more tersely, nor when one sees the actions of some young girls does it seem that a better bit of advice could be given.

I could not but think of it the other night on the Bois Blanc boat. Two girls in the twenties were the center of the group of young men, and to express it in their language, all were having "the time of their lives." But such a time! The boys slapped the girls on their shoulders; bumped their heads together; patted their hands affectionately(?) and even helped one of the girls fix her belt pin when it needed attention.

All this familiarity the girls permitted, even encouraged, and when two boys claimed one girl as a partner for a two-step and each took her hand, one pulling one way and one another, the girl so favored thought the affair a huge joke.

Of course the boys enjoyed the rough play. They had not the least compunction about leading the girls along a little further and a little farther from the path a lady should tread.

But when the girls were dancing, the portion of the group that remained laughed sneeringly at the girls they had a moment before pretended to admire. And the girls, poor silly things, thought they were behaving in just the right way to make conquests of every man they met.

It seems too bad that innocent girls cannot be made to realize how other people look upon such actions. It may seem all fun to the girls interested, but people who watch are taking their measure, and it falls

far short of the standard of perfect womanhood.

I say innocent girls, but what of the young men? Innocence is no word to apply to them, for men know better than girls how the world will regard careless conduct.

LOCAL SPORTING EVENTS.

Wellesley is getting to be noted for its amateur sports, and has during the present season shown that it can hold its own from an athletic point of view; while the reports of the games which are contained in neighboring newspapers show that outside sportsmen enjoy themselves when they come here. This is as it should be, and we hope that some suitable organization will be soon effected by which more suitable grounds can be secured, especially for baseball and football.

LAWN BOWLING.

BERLIN VS. WELLESLEY.
Wellesley went down badly last Thursday in the three-rink contest on the local green against Berlin. The "hooked" seemed to be attached to Skip Kerr's sink which, although usually a strong team could not "strike the ball" in either game. The twin-city visitors were experts at the game and a jolly lot of fellows and a most enjoyable time was spent. The slaughter was conducted as follows:

First Game—18 ends.

STRATFORD VS. WELLESLEY.
On Friday afternoon last the Stratford Bowling Club sent three rinks to Wellesley and our boys amply redeemed themselves from the defeat of the day previous. The lawn was again in superb condition, none of the visitors stating it was the smoothest and truest they had played upon this year. The home rinks had the advantage of "knowing the green" from the previous day's struggle, but the visitors played much stronger than the following score indicates:

During the progress of both matches the seats and benches were lined with lady and gentleman spectators who not only understood the game but showed their appreciation by applause of the go shots made as the game progressed.

FOOT BALL.

WELLESLEY DOWNS TAVISTOCK.
On Thursday evening there was a very large attendance on the football match between Tavistock and Wellesley. As will be seen by the line up, the visitors had a strong team including several of their famous champions as well as some of their seniors. They were at a disadvantage, however, on the uneven grounds, although their defeat was the result of better combination and stronger play by the home team. The good work of the home team was a surprise to the spectators and brought out warm praise from their gentlemanly opponents. Only once was the Wellesley goal in danger and then Klein relieved by lightning play. The visitors, however, were on the defence most of the time and their goal keeper gave many exhibitions of his superb

powers. Wellesley secured the only goal scored and the game ended 1 to 0. The line up:

Tavistock—goal, Herber; backs, Ratz, Landreth; half-backs, Krantz, Gebhard, Hahn; center, Norris; right wing, Krug, Quehl; left, Wittig, Hopkins.
Wellesley—goal, Ed. Klein; backs, E. A. Reiner, Chas. Froehlich; half backs, A. Berscht, Ed. Stahlo, W. Ottmann; center, Noah Gascho; right wing, Oscar Ottmann, Rhinbold Yent; left wing, Fred Froehlich and John Stahle.
Referee—Jas. Kerr.

BASE BALL.

WELLESLEY VS. ST. CLEMENTS.
The Wellesley base ball team drove to St. Clements on Tuesday afternoon to play the return game, and were successful in winning by a score of 17 to 8 in a seven innings game. It was an off day for the Schummers who did not play anything like the game they are capable of, while the visitors played very steady except in the fourth inning when they took a blow-out which cost them five runs. Mr. Ed Klein, as umpire, had many close decisions to deal with so he did not succeed in giving unbounded satisfaction to all parties.

The score by innings, was given as follows:
Wellesley.....1 2 3 6 3 2 6—17
St. Clements.....0 0 0 5 0 1 0—8.
Both teams lined up about as when they played here a week or two ago.

We are informed that there will be a baseball match this evening—Reiner Bros. & Co. vs a picked team from the village.

LETTER CAME TOO LATE.

A letter from the Township clerk "letting into" the editor of the Maple Leaf pretty hard, only reached us this (Wednesday) afternoon and consequently is held over as too late for this issue. On the same mail which brought it we received an exchange with the identical letter printed in it. Either the genial township clerk or the postal department is at fault that our copy of the letter arrived so late. It is in plenty of time, however, for next week's Leaf.

Call and get wall paper for half-price at John Spahr's.

WORST DRESSED MAN.

Prior to his marriage it was said that the Duke of Norfolk was the worst dressed man in London, and that this peculiarity has brought him into more than one embarrassing situation. A lady once accosted him with: "Here, my man, please help me with my language," while a butcher boy at Arandel, not recognizing the Duke, shouted, "Himster, give us a hand with this bicycle." The Duke happened in a shop which had been advertising for an assistant. "Too late, my man," said the proprietor as the Duke entered, "the place has been filled."
