LINWOOD.

(Continued from last week.)

May 24th, being observed as Victoria Day, was also the fifteenth anniversary of the marriage of Mr. and Mrs. John Schnurr and was celebrated at their home "Sunny Nook." Mr. and Mrs. Bohour were married at Hamburg on May 24th, 1858, by Rev. Mr. Schmidt, of the Evangelical church. Mrs. Schnurr's maiden name was Margaret Eberwein. After their marriage they came to reside in Linwood where he has carried on a boot and shoe business for forty-seven years. Guests numbering about eighty assembled at the home. Rev. Mr. Kautz, assisted by Rev. A. Crighton, of Linwood and Rev. H. Munsinger, of Abingdon took charge of the ceremony, part of which was a presentation of a gold watch and chain to Mr. S. and a handsome gold plated velvet glass clock to Mrs. Schnurr, by their sons and daughters, and an appropriate address given by Miss Adell Schnurr, of Midway on behalf of the grandchildren in the decorations of the home, after which all joined in singing "Love at Home." Then all adjourned to the lawn where photos were taken of the family and wedding group. A dainty tea was served on the lawn. National flags presented a pretty appearance in the decorations of the home. The evening was spent in reading, music and addresses. Among those present were the sons and daughters, viz: John H. of Midway; Mrs. Ed. G. Ward, of Crosshill; Mrs. M. G. of Linwood; Albert, Edwin and Nellie, of Linwood; the brothers and sisters: Mrs. M. EDITORIAL NOTES.

Every free and independent elector should carry a goodly sized pinch of salt with him: to mix into the remarks he hears his political opponent make these days.

The Conservatives of North Perth say they are going to mow Hay early this year—on the 8th of June.

North Perth Reformers claim that next Monday will be a very wet day—in fact, Torrance will fall.

In South Perth the Tories are not taking much stock in their chances.

Wellesley ought to be kept pretty straight now that it has the pulpit, the press, the platform and the school all in a row up here on the hill overlooking the village.

Had a lamp been burning in the Maple Leaf office when the building so suddenly collapsed on Tuesday evening of last week nothing could have averted a disastrous fire as the inflammable material in Stahl's paint shop, also in that building, was scattered all over by the fall. Wellesley cannot take action too soon in supplying fire protection to cope with a calamity of that kind which may come at any time.

The Maple Leaf returns thanks and highly appreciates the kindness of its many friends in making the task of hurriedly moving the office last week so easy to us. There have been times when we felt that a local newspaper was not of much concern to the village, but the spontaneous sympathy and helping hands so quickly and willingly extended to us last week were proof that the Leaf and its editor need not doubt Wellesley's loyalty.

CIRCUS IN STRATFORD.

Independent of all other managers and long recognized as show Kings, Cole Brothers emphatically announce they will never enter into any compact to do away with the parade. In the words of Messrs. Cole, others may do as they please relative to abolishing street displays, they propose to continue putting the most gorgeous pageant money can create just as long as they remain before the public. This season, Cole Brothers, whose united shows will be seen Tuesday afternoon and evening, June 6th, in Stratford, promise a most magnificent free spectacle. In the several sections will be herds of elephants, camels and ponies, several brass bands; a steam calliope; 400 really costumed men and women; elaborately caparisoned horses; heavily carved dens filled with fierce wild beasts; golden chariots; glittering vans and tableaux; costly floats; clowns and numerous new and exclusive features. Notwithstanding that Cole Brothers have invested a fabulous amount of money in the purchase of animals, the building of rolling stock and in procuring up-to-the-minute novelties for this first street show, they have combined their several amusement enterprises and exhibit all under huge water proof tents for one price of admission. The presentation of the programme occupies two full hours during which there is not an idle second, as many as fifteen acts being given simultaneously. A word to the wise—go to the shows early, visit the horse fair, inspect the menagerie, listen to the band concert and be in your seat when the grand tournament begins.

LOCAL NEWS.

SOME LOCALS FROM LAST WEEK.

Miss Adeline Fleischhauer, who has been visiting in Wellesley for the past few weeks left for Stratford on Monday.

Several members of the Rod and Gun Club took advantage of Victoria Day to enjoy fishing on their preserve trout stream in this vicinity.

Rev. Mr. Bradley, of Berlin Presbyterian church, who is visiting his father in North Easthope, occupied the pulpit of Wellesley Union church, on Sunday evening, preaching a powerful sermon.

Miss Morton and Mr. Boyd Morton, visited their sister, Mrs. Wm. Glaister over the holiday.

Miss Skelton returned on Tuesday from a visit to her parents in Stratford.

Mr. and Mrs. Alex. McDonald spent Monday in Linwood, taking with them their niece, Miss Maud McDonald, of Parkhill, who is visiting them.

Postmaster Dieble, wife and daughter of Waterloo, visited his mother in the village on Victoria Day.

Mr. and Mrs. John Livingston, of Baden, and Mr. Wm. Hogg, of Toronto spent the beginning of the week with Mr. and Mrs. Wm. Hogg.

Mr. Fred Fleischhauer and Miss Loos, of Toronto were visitors to Wellesley on Monday last.

A PATRIOTIC MARCH.

A pleasant feature of the Empire Day celebration at the Wellesley Public School was the marching of the children through the principal streets of the village, carrying flags and singing patriotic songs. The children looked very attractive, marching prettily and were heartily applauded for their singing.

AN AGED PEDESTRIAN.

Mr. Wm. Brill enjoyed the spring breezes of Saturday last by walking to Phillipsburg and return, a distance of nine miles. He appeared no ways fatigued by the trip, which was a record walk for a man of 83 years of age.

VICTORIA DAY SPORTS.

A small crowd gathered at the fair grounds on Monday afternoon to witness the hastily-gotten-up sports. Those present enjoyed the occasion immensely. The base ball match between the married and single men occasioned much merriment, and the "old boys" showed, by giving the youngsters a trimming, that they have not yet forgotten the game.

Mr. Kerr's school boy foot-ball team put it all over the Baden school team, winning by 7 goals to 0. The visitors were considerably the heaviest but they were unable to do anything with the superior combination which has been drilled into our home boys. The game was well contested, however, and several times the visitors came very close to scoring. Wellesley boys lined up as follows: goal, Herbert Berscht; backs, Arthur Sanders, August Kube; half-backs, Herman Doersam, Stewart Bivour, Oliver Trussler; forwards, Geo. Belinger, Edwin, Eckhardt, Abel and Albert Ottmann.

LOCAL NEWS.

Call into the Maple Leaf office, and settle your subscription before July 1st.

Miss Theresa Winterhalt, of Berlin, was the guest of Miss Victoria Cleghorn, on Sunday last.

Mrs. August Kollerborn is spending a week with relatives in Milverton and St. Jacobs.

Mr. and Mrs. Alfred Kress, of Woodstock are visiting the latter's parents, Mr. and Mrs. Con. Becker.

You can still get a good selection in Wall Paper cheap at J. S. Brand's.

Mr. Alex. Stahl and his men are working this week in Baden.

Mrs. Zinn, of Galesburg, visited friends in town on Friday last.

A political meeting in the interests of Dr. Lackner, M. P. P. will be held in the Opera House this (Thursday) evening.

At time of writing a triple ring of beautiful colors is to be seen encircling the sun. Some of our prophets are predicting a severe storm within a few days.

While operating the road-machine on Monday Mr. Joseph Leis had the misfortune to burn out the grates of his engine, which necessitated the buying of a new set of grates from New Hamburg.

The Directors of the Agricultural Society met to arrange for the Fall Fair. The prize list has been revised and will be printed some time in July. Improvements are to be made to the grounds and a meeting stand erected.

Quite a number from here intend going to Stratford on Tuesday next, to see the Cole Bros. circus. The same circus will be in Berlin the next day, June 10th. See particulars in another column.

The Tavistock Gazette which has for the past four years been owned by Mr. Chas. Fraser, has been sold to Mr. Norman Dopp, a Tavistock boy who served his apprenticeship on the Gazette. We wish the new owner every success.

Mr. Moses Lichty, 8rd line, was taken suddenly sick on Thursday last, and for a time was in a critical condition. Dr. Fraser, of Stratford was called in consultation with Dr. Glaiser and they thought it advisable to remove him to Stratford Hospital on Friday. Later reports state that he is much better and will be able to return home this week.

We notice that the Stratford Herald's annual excursion to Detroit will be held this year on June 20th. A new feature added to the trip this year is the addition of a special train from Berlin, thus giving the people of the Wellesley section an opportunity to take the train at Baden or Hamburg, instead of driving to Stratford as formerly.

Messrs John and Louis Fleischauer received the sad news of the death of their brother, Frederick, which occurred in Reed City, Mich. on Saturday last. He was about 44 years of age and leaves a wife and two grown up children. He was born in Waterloo and spent his boyhood days in North Easthope, leaving there about 30 years ago to make his home in uncle Sam's domain.

The largely attended meeting of the Women's Institute last Wednesday afternoon and evening was evidence that the interest in Institute work is not decreasing. The subjects had been carefully chosen so as to be of benefit to those who came from the country as well as the town folk. Mrs. Ashley and Mrs. Miller were the speakers and they handled their subjects well. A short program was rendered by local talent.

Our local baseball nine journeyed to Clinton on Thursday last to play the boys of that village the first game of a series of home and home games. Wellesley was defeated by a score of 17 to 4. The Wellesley team showed lack of practice particularly in base throwing, and every man on the field hit more errors counted against him. Parker pitched a good game for Wellesley and would have held

down the score if he had received better support from his team. Matt Schummer pitched excellently for St. Clements, and was only hit safely a few times. Mr. A. Fennell acted as umpire to the satisfaction of the team.

FOOT CRUSHED.

Last Saturday evening shortly after five o'clock Mr. Wm. Knight met with an accident which will confine him to his room for some months and which might easily have cost him his life. He was adjusting a belt to the electric light dynamo in the Wellesley Roller Mill when the sudden jerk of the belt on the pulley caused the dynamo to jump from its position and fall upon his right foot badly crushing it and breaking some of the bones. He was alone on the lower floor at the time and he had to drag himself upstairs before he reached anyone to render him assistance. Dr. Glaiser was called as quickly as possible and the unfortunate young man was properly attended to. Only a couple of years ago Mr. Knight lost his left foot in a railway accident at Brantford and his present mishap is thus a peculiarly trying one, especially as his father had disposed of his interest in the mill and was giving up possession at six o'clock on the evening of the accident. The Knights, father and son, have made many friends during their stay in Wellesley, and sincere regret is expressed over the present misfortune. Mr. Knight was removed to Stratford on Monday, where he will be well looked after.

MR. RATZ'S MEETING.

A large attendance of ratepayers attended the meeting in the Opera House last Wednesday evening, held in the interest of Mr. D. Ratz, the Reform candidate for North Waterloo. Mr. Chas. F. Ottmann was called to the chair. The speakers were Mr. A. Werner, of Elmira; the candidate, and Dr. Honsberger, of Berlin. The candidate made a very good impression upon the audience, while Dr. Honsberger delivered an able, ingenious speech from the Reform standpoint. Late in the evening the ladies, who had been holding a Women's Institute meeting in the hall adjoining, entered the political meeting in a body and enjoyed the speeches to the end of the meeting.

If we may judge by the work done, and the improvements made upon our streets this week, the wisdom of forming this municipal body into a Police Village will soon be apparent to all our citizens. Active operations were commenced upon the streets Monday morning. The township road-grading machine was put on the main thoroughfares, and a couple of gangs of men at the sidewalks. A new walk is being laid from Mrs. Cressman's property across the bridge to Mr. Neob's residence. Considerable filling in has had to be done there, but the surplus mud scraped from the streets by the road-machine supplied the need nicely. Several other new stretches of walk are contemplated, and a new crossing will be put in between Mr. Kollerborn's store and Mr. Spahr's store, also from Mr. Spahr's store to the bank corner. Had Wellesley Village been receiving her share of the taxes those last few years from the township, there would not be so much work needed now, but the village trustees intend to use the funds judiciously, and we will soon see the benefits of the increased revenue.

We received an interesting letter from Mr. J. U. Kline this week announcing his safe arrival at Los Angeles, California, after a quick run across the continent, via Chicago, through a part of Illinois where he worked in his pioneer days, and on through Missouri, Kansas, Colorado over the plains and across the Southern Rockies. He is in excellent health and enjoyed his trip immensely. He and his son, George, whom he went to see, were almost starting on a trip further south in California at the time he wrote the letter to the editor of the MAPLE LEAF.

DAD'S IGNORANCE.

Most every day when I'm at school
The teacher tells us things
About the birds and animals
And the prehistoric times.
And then at night when I ask dad
If what she says is so,
He reads his paper right along
And says, "Oh, I don't know!"
One day she told us that the world
Is round, just like a ball,
And that there's nothing down
below.
It's standing on at all.
I asked dad if she told the truth.
He read his paper through,
And put his feet upon a chair
And said—"Oh, I don't know!"
And once the teacher said the sky
Ain't heaven's floor, and tried
To make us think no angels walk
Along the other side,
And so that night I asked my dad,
And he said, "Well, 'Oh, I don't know!"
Don't bother me about such things,
I'm busy—I dunno!"
I used to kind of think somehow
That my dad knew a lot—
But that was wrong, or if he did
I guess that he's forgot.
Since I've got started into school,
Most every day or so
I hear about a hundred things
Dad doesn't seem to know.

ASSISTANCE IN DRAINAGE.

FARM DRAINAGE DEMONSTRATION.
The Department of Physics at the Ontario Agricultural College desire to announce the continuance of its previous offer of assistance to farmers in matters pertaining to drainage. For the past three years we have been authorized by the Minister of Agriculture to go out and assist any farmers in taking the levels of his lands for drainage purposes, in planning the most advantageous system of drains, and in calculating the grades and sizes of tile for the different drains. Finished maps bearing all the information is sent to the owner. This serves two purposes: first, it is used as a guide in constructing the drains; second, it may be preserved as a record of the exact location of any drain, so that if for any reason it should be necessary in years to come to find any drain it could be done accurately at a moment's notice.

The number of applications for assistance has increased very rapidly, so that last year we had many more than we could attend to. To enable us to meet this increased demand the Minister of Agriculture has this year given us a special appropriation whereby we have been enabled to double our staff for this work.

A new feature is being added: We have found in the past that frequently the neighbors in the vicinity of the farm being surveyed were interested and wished to observe the operation. This suggested the desirability of making these demonstrations public, and this will be done wherever possible. Anyone interested will be welcome on all occasions. By this means we shall be able to instruct a much larger number in matters pertaining to drainage problems.

Anyone wishing drainage surveying done should apply to Wm. H. Day, Department of Physics, O. A. C., Guelph. The only outfit connected with the work is the travelling expenses of one man, including meals, cartage of instruments and railway fare at one cent a mile each way.

The department has just issued a new pamphlet on "Farm Drainage Operations," which may be had on application.

Wm. H. Day,
Lecturer in Physics.
