"Maple Leaf Journal" Research Files

Of particular note are the research files used in 1983 to write The Maple Leaf Journal - A Settlement History of Wellesley Township. The files contain material gathered, but not necessarily used, in the book, including some family histories as well as town, village, school and church history.

Tweedsmuir Histories

These were created by members of the Women's Institute. We are fortunate to have the Wellesley, Linwood and Dorking Tweedsmuir's. The Wellesley binders are available for study in the Historical Room. We hope to be able to have all of them available online in the future.

The Township Office holds records of historical interest and value, some of which date to early days of the Township's history.
